THE CHAPLAIN'S CORNER

As I watched the slow coming of spring, I noticed the plants we call weeds seemed more confident about its coming. The desirable plants were a little slower in announcing the good news of spring.

As I impatiently waited for the brown grasses to turn to green and the trees to develop their leaves I remembered and found this article by William Stidger.

"Luther Burbank proved that a weed is a flower, plus man. He did this with the common field daisy, which was greatly despised by farmers in the east. Mr. Burbank said to me one day that he first took an interest in that outcast weed because "every man's hand seemed to be against it."

"Then he told me what he had done with it: "I crossed it with a Japanese daisy and an English daisy and produced the Shasta daisy. The blooms of my Shasta daisy have grown as much as two feet in circumference, and seven inches from tip to tip. It will grow anywhere out of doors where the cold will not kill an oak tree, and when cut it will last six weeks.

"I also took the despised Arizona Desert Cactus and bred out of it its poison and all of its spikes: and made it edible for horses and cattle."

"It is my theory that there are no outcasts in nature; everything has a use, and everything in nature is beautiful if we are eager to ennoble it. Every weed is a possible beautiful flower."

William Stidger then adds this comment: "So it is with human beings."

Have you ever thought about ennobling a weed? Have you ever thought about ennobling a human being? My understanding is that in Free Masonry one purpose is to take good men and make them better, that it, to ennoble them.

As Nobles and Ladies of the Shrine one purpose we have chosen and made special to us it to help children who have orthopedic and or burn medical conditions. We have developed the best medical care program they can receive for their condition. When we are Love to the Rescue, we ennoble these children because of the increase they have in their quality of life and in the dignity with which they make their journey through life.

We may not want to think of fellow human beings at any as weeds, but we do want for them what we desire for ourselves, to be beautiful people with rewarding accomplishments and relationships.

Yours in the faith, Rev. Myron E. Christensen

THE POTENTATE'S MESSAGE

Es Selamu
Aleikum

Thank you so much to those who participated in the cake and pie auction and to Mean Gene Reece, the fastest talkin rootin tootin auctioneer in all of Bejaland. Thank you to Charlie, John V., Ben and Scott for their help and to all those who supplied us with treats to auction. What a great night with great people, thank you.

Dr. Sue gave a very nice presentation. What a great, intelligent, kind person to care for our kids. It's one thing to be intelligent and skilled, but to have a big heart and kind is a step above.

Congratulations to Gary Fehl for receiving the Beja Shriner of the Month award for June. Facebook on, man. Thank you to Roy and Brenda Vander Zanden for the awesome opportunity at the BBQ competition in Manawa in April. The donation to Beja is much appreciated.

Dave Oshefsky and Nick Brosig did a spectacular job at their 1st Annual Dungeon Masters Club fund raising event. Thank you to Dave and Nick for your commitment and donation to the transportation fund.

Please join us on July 16th for the Annual John Ottum Golf Outing. You don't necessarily have to golf. Take me for instance, I won't be golfing but driving around causing trouble. You're welcome.

As the parade season whines down please join us for the Beja Summer Picnic at the NEW Zoo on Saturday July 27th. Look for details on this and the golf outing in the Bugler.

Thank you to Gene, Charlie and Ann for all you do! Have a safe, happy summer. If I can give the same advice I give to my kids, "for God's sake don't do anything stupid".

Membership is our number one priority. Although we don't hold meetings in July and August, the summer months present several opportunities to spread the word about Shriners and Shriners Hospitals for Children®. As we are out and about at parades, picnics, ball games, etc., and wearing our Shriner apparel, we may be approached by someone wanting to know what we are all about. Are you prepared to give the correct answer?

It's always good to be prepared when speaking about our fraternity and hospitals. Here are a few "elevator speeches" that are easy to remember that you can use when you tell someone about our organizations

Who are the Shriners?

Shriners International is a fraternity based on fun, fellowship and the Masonic principles of brotherly love, truth, and relief.

We are committed to:

Being the premier fraternal organization for men of good character

Having great programs and activities for Shriners and their families and friends in a spirit of fun, fellowship and social camaraderie

Fostering self-improvement through leadership opportunities, education, the perpetuation of moral values and being involved in our communities

Serving mankind through our philanthropy: Shriners Hospitals for Children®

Tell me about Shriners Hospitals.

The primary mission of Shriners Hospitals for Children® is to help children who need specialized medical care — wherever they may live. Although our locations are primarily in North America, our compassionate health care system has treated children from many countries and conducts several medical outreach clinics outside of the U.S. every year. Our highly skilled medical team treats children with orthopaedic conditions, burn injuries, cleft lip and palate and spinal cord injuries.

Enjoy your summer, be prepared to speak about Shriners and Shriners Hospitals for Children®, and get those petitions in for the Fall Ceremonial!

NEWS FROM YOUR HOSPITALS

Patient Ambassadors Request Process

Dear Nobles,

Our Patient Ambassadors are some of our most effective communicators for sharing the story of our great philanthropy. Who can resist hearing their stories of hope and healing first-hand?

We know you are eager to meet and hear from our "super hero" patients. We ask for your cooperation as we help you choose the best local and national Patient Ambassadors to attend your ceremonies, celebrations and other public events. To that end, we have some new guidelines when it comes to scheduling patient ambassadors for your events. We are obligated to treat our Patient Ambassadors and their families as if they are our own. For this reason, we are asking our nobility to arrange all hospital Patient Ambassador appearances through their local hospital marketing department, or in the case of our current and former National Patient Ambassadors, through the Marketing and Communications Department at Shriners International Headquarters. Please use the "Patient Ambassador Request" form to request an appearance.

Click here to download the Patient Ambassador Request form.

Please do not contact our Patient Ambassadors and their families directly, even though they may have provided you with their contact information. Always contact the Marketing and Communications department at Shriners International Headquarters, or your local hospital, first so we can help you arrange their appearance.

Patient Ambassadors and their families could be going through a difficult time, they could be having some complications with their care at Shriners Hospitals for Children, or their status as a willing spokesperson has changed. Because patients receive such excellent care at Shriners Hospitals for Children, they feel obligated to attend your event when it might not be feasible for them. Patient Ambassadors and their families might have financial and other difficulties that make attending events difficult or impossible. Sometimes they are not comfortable saying "no" to an invitation to appear at your event. In other cases, some Patient Ambassadors are so popular, they are getting invitations so frequently, attending your event might be overwhelming for them.

We also ask that you no longer use the last names of our Patient Ambassadors when publicizing their appearances (in your temple newsletters, websites, social media pages, flyers, etc.) This new requirement is an extra layer of protection we are placing for our young patients in this digital age, when a few simple key strokes can reveal a

child's home address, school or even his or her home. We want to be able to help you and your temple arrange successful patient ambassador appearances at your events. When you have an idea for a patient to attend, all you have to do is submit the form or call and we will be happy to assist.

THE YOUTH CORNER

The Youth ADVENTURES

Hello, I hope everyone is finally enjoying the heat. I hope all got out to enjoy our national holiday on the fourth.

As with things staying as a tradition there are also things that change. With that said I'm sure most of you have heard that the Masonic building has been sold. That will afford us an opportunity to make some changes in how we take care of our business for those organizations. With the gracious offer to meet at Beja shrine from the Potentate. It perhaps will give you a better opportunity to attend a meeting. I would like to thank everyone for their help in this endeavor in supporting the youth.

Green Bay Chapter Order of DeMolay will still be meeting and busy over the summer. One of the big events that they will be attending is this Statewide Conference Conclave. There they will elect a new State Master Counselor and State Sweetheart along with the rest of the Officers.

Bethel 32 Job's Daughters will also be meeting this summer. They would like to first thank everyone who attended their installation of Officers in June. The Bethel has several activities planned for the new term.

As I always say please help support our youth. Thank you for all that you have done before.

Fraternally, Charles Clarage

June is busting out all over is a song related to the beginning of Shrine Parade season. Many Units are already booked for the 2019 season. If you are not in a parade Unit you are missing the meaning of being a Shriner. You are missing the good feeling you get when see those kids along the parade route smiling and waving. When the parade is over you have a good feeling as to what your day has done to help those Kids we are treating in our hospitals. GOOD JOB NOBLE!!
