True faith is a very simple thing. It is believing God's Word and acting upon it.

--Walter Lippmann

When you postpone an activity, you increase the chances of never accomplishing it, and you will be left in the future, with memories of past wishes rather than of past deeds.

Nowhere does one learn so well how to have faith as in the chambers of those who have known adversity – the sick, the poor, and the burdened.

Beja Shrine Ladies

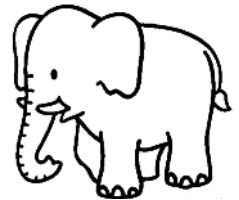

Hello Ladies,

As I write this, Greg and I are on our way to Shriners International Imperial Session at Daytona Beach. It should be a fun and exciting trip. I am always amazed at the enormous participation and support of Shriners worldwide. I look forward to meeting our fellow Shriners and their

Ladies. They will have a program to introduce some of the Shriner patients. It is such a moving experience to hear and see their accomplishments provided to them by the Shriners!

I hope to see you at the Kerr Memorial Cruise on Sunday, August 6th, departing from East Depere. We had a fun time last year and enjoyed the scenery as well as the narration by our Cruise host.

The next Beja meeting is Wednesday, September 6th. It is a closed meeting so the Ladies will meet at 1951 for dinner at 6:00pm and a 'White Elephant' exchange.

Sincerely,
Lady Mary

Jim VanDehey, Greg Habeck and Mike Belanger in Dayton, FL
Attending 2017 Imperial Session

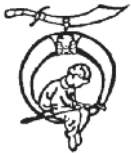

The drums were a drummin, the flags were awaving as nine Krazy Kops and one Convict stepped off at the Manawa parade. It was a great parade for the Kops to tiptoe through the tulips behind many cleansed horses practicing their footwork to keep clean.

We are now preparing for the July 22nd parade at Winneconne where past experience had us ducking water balloons thrown by spectators. What a way to earn money for the Kids of our Philanthropy, the Hospitals and Burn Centers.

The trip to Bloomington MN. for M.S.A. is still up in the air. We will be finalizing that before you read this. We are planning on taking the jail to Oshkosh for the August 19th and 20th Monster Motor Madness show. The Kops will wrap up the parade season at Weyauwega on September 16th. If you haven't been parading this summer, consider joining us or one of the other units. You will be happy you helped by Having Fun Helping Kids

Thanks to all who attended our meetings as well as all those who presented. We appreciate your efforts in helping to get this new Club up and running. Expect more details in the September Bugler. You can also get details on facebook (Beja Sheiks Social Club).

Beja Vets Of Valor and **PATRIOTS**

Nobles:

The Vets and Patriots parade season is over. I want to thank the unit for their fantastic support. The Vets and Patriots had nearly 100 Shriners participate in 12 parades travelling nearly 1,100 miles. (That is 13 breakfasts together, as we did two parades on July 1st.) Gold Stars to John Sage, Jim, and John Clark for participating in all the parades. We ARE a great unit of Nobles Having Fun, Helping Kids!

August finds the Vets and Patriots practicing their other skill, cooking for brat fries! The Shriners Car Show at the Brown County Fairgrounds on August 27th is a Vets and Patriots function. In addition to supplying the food for all who come to enjoy the great show, we handle parking, registration, cleanup, etc. It is an All Hands on Deck type of affair. Please clear your calendar and plan to help. If you cannot be there all day, come when you can and pitch in. Contact Mike Belanger or myself to sign up or see where we need the help. We need bodies, lots of them! Make it a family affair, Ladies and kids are welcome to join in on the fun.

Many of the Vets and Patriots are also members of the Beja Jokers Motor Club and will be attending the Beja Monster Motor Madness show August 19th and 20th in Oshkosh. This is a new fundraiser for Beja and needs your support. We would love to see many Fezzes in the audience. Let us make this show as successful as our circus!

The Vets and Patriots meet on the 4th Monday of the month at Beja. Meetings start at 6:00pm. If you wish to belong to an active unit, check us out.

SHAWANO SHRINE CLUB

The Club with "Style"
President - Dale Vannes

At the time of this writing the Shawano Shrine Club has not yet met for July which was a joint affair with Mason Woods and their annual "Steak Fry". If the weather was warm and sunny with no rain and limited mosquitoes, I was in charge of the weather!

Once we get to the 4th of July it seems like our summer is nearly half over. Enjoy what we do have left of it and make it a safe summer.

Looking down the road a bit, on August 3rd our Shrine Club will be joining Shawano Lodge with their "Unity Picnic" in recognizing recent high school graduates who were recipients of the Masonic scholarships offered by our local Lodges. I have been assured that we will have our second annual "Fish Fry" at Shawano Lodge on September 12th. Thank you Rodney Ketchum! Get your reservations for either event to Dale Vannes at (715) 851-1038.

September also means Beja will be coming back to light. Call in your reservations for dinner and show your support for our own "Ill. Sir Greg Habeck"! The "Sporting Clays" will be on Sunday, October 1st at J&H Game Farm. Contact Bob Spahn for all the specifics at (715) 758-6766, This is the week that the Packers have their "Bye".

News from Shriners Hospital *Twin Cities*

CORE VALUE AWARDS (Awards are given by staff members to other staff members in recognition of outstanding service) – Recently, Core Value Awards were given to the following people ---- Nate Hare – helping to make changes in the patio area that enable creation of a vegetable garden, Nilam Patel – organizing the Blood Drive, Candy Christopherson – budget saving ideas and team support in Nutrition Services, Abby Meyer – participation and support of nutrition improvement efforts, Autumn Enloe – promotion of the hospital's first edible garden and #shrinemovin initiative, and Melissa Wildy – organizing the cooking segment for social media with a great video. Each month, I am amazed at the absolutely wonderful things happening at our hospital done by our staff.

Expanded Services – couple of things coming to closure in the days ahead --- Dr. Albert Tu is adding another ½ clinic to see patients in a forming Spasticity Clinic (aka Rhizotomy Clinic) and Dr. Peter Karachunski, University of Minnesota Pediatric Neurologist, will be adding three half-day clinics each month, hopefully beginning in August, or no later than September. These additional clinic times will reduce the wait by our kids for these specialties. We continue to search for opportunities to increase services and patient numbers at our hospital. We need your help to accomplish this important undertaking. Help us spread the word. If you know of a child that can use our help, simply have them call 1-888-293-2832 this will get them directly to our Twin Cities hospital for evaluation and scheduling.

FOCUS – One aspect of our FOCUS model of care is family centeredness --- and one dimension of family centered care is the look and feel of the building when families arrive seeking medical care, in what can be stressful circumstances. so to advance a coordinated effort to improve our appearance, we created the FACE Committee (Functional, Appearance, Campus, Environment) to guide our priorities and allocate resources. The intent here is to have an ongoing, consistent effort that keeps advancing our mission to be safe, welcoming and effective in our service. Recent actions driven by this workgroup include – Updating signs and wayfinding within the building, Washing the wallpapered walls in the common spaces, Cleaning up trees and maintaining plantings around the building, Improved appearance of the Nebraska room, Eliminating handwritten, temporary signs by creating a way to post short-term information in displays, Repainting the Midwest room – with current work on the Cafeteria, Sharing quick, easy improvements with Department heads in major traffic areas on aesthetic upgrades. Future actions include; Purchase of waiting area chairs in the clinic waiting area, Design of a new registration/scheduling desk area, Display of more artwork that centers on TWI patients in action. I mention these projects because they are centered on several guiding principles 1) focus on high traffic, public

areas first, 2) Live within our financial means (so much of this work is done internally and/or supported by donors) and 3) maintain a consistency to the decorating. The baseline for design and planning is the newly renovated clinic. We hope to extend the wall colors, flooring and general style of that space to the entire building.

Finally, I think it is important for you to understand what the parents of our kids have to say. Our Twin Cities hospital continually receives high ratings for the service we provide. Here are just a few comments from our June report; I have never been in a hospital like the Twin Cities, Everyone who works there was super nice and genuine. We left feeling like part of a family that would miss us as much as we will miss them. I cannot wait to go back for the 3 months check up to see everyone! Can I give a 10?, Everyone smiled, helped the second you needed anything, and treated you like their favorite family member. The nurses came in all times throughout the day and night to check on my child. I could honestly say every one of them was amazing! and I will absolutely recommend Shriners to others. Everything was excellent from the second we walked in the door. It was by far our best medical experience, ever! Everything from registration, x-rays, to the wealth of knowledge by Dr. Vara. These kinds of comments must make you proud of your hospital and staff.

Fraternally,
Eugene "Gene" Reece, PP.

News from Shriners Hospital Chicago

In 1995 the Ronald McDonald House in Maywood, IL – next to the Loyola Hospital Campus – opened its doors. The Mission of Ronald McDonald House Charities (RMHC) is, “To care for families of children with complex medical needs by providing comfort, compassion and a sense of community. RMHC-CNI keeps families of hospitalized children together in a ‘home away from home’.” They do just that by offering families who are in town for medical care a comfortable, inviting place to stay. The Maywood House boasts 18 bedrooms and has a décor theme based on the children’s book *The Secret Garden*.

The Chicago Shriners Hospital transportation coordinators work closely with the Maywood RMHC, ensuring that SHC outpatients who need housing for one or more nights are set-up with a room. Shriners’ patient families usually fill more than 50% of beds at the Maywood campus. Housing is provided at a \$10 donation per night. Families have access to a large kitchen and refrigerators for meal prep and food storage, as well as an outside grill. Several indoor and outdoor play areas, TVs, a library, and lounges are available for recreation.

The Maywood campus is a 20-minute drive to the Chicago Shriners Hospital, and both SHC and RMHC work with Blue Cab to arrange rides for families.

“Families appreciate the sense of community they feel here, and that everything is done for them. It’s very helpful on their medical journey,” says House Director Kelly Evans. The Chicago Shriners Hospital is pleased to work with such a fantastic organization.

*Guess The
Number of
Birdies*

Nobles,

We are excited to announce the launch of a brand-new initiative, Birdies for Charity — a fun and friendly golf-themed fundraising competition.

Now through November 1, 2017, golf fans nationwide can guess the number of birdies that will be recorded during the 2017 Shriners Hospitals for Children Open while supporting life-changing care for kids.

HOW IT WORKS:

- Supporters visit lovetotherescue.org/birdies-for-charity to guess the number of birdies that will be made during the 2017 tournament and donate to their favorite hospital.

- The individuals with the correct, or closest, guess will automatically be entered to win a VIP experience at the 2018 tournament in Las Vegas. Other great prizes include autographed tournament pin flags and tournament apparel packages that will be awarded to the next closest guesses.

- The hospital that receives the most monetary donations via the Birdies for Charity program will be awarded the opportunity to host the 2018 Shriners Hospitals for Children Open Media Day. The event will include an appearance from the 2017 tournament champion, a patient visit, press conference and meet-and-greet opportunity for local hospital supporters.

- The tournament covers all administrative costs for the program and turns over 100% of all monies collected to Shriners Hospitals for Children.

HOW YOU CAN HELP:

Spread the word.

Tell your friends, family and anyone else who is interested in helping Shriners Hospitals for Children that Birdies for Charity is underway!

Raise funds.

Encourage friends and colleagues to join you and give to your favorite hospital at lovetotherescue.org/birdies-for-charity, or, print and distribute the offline donation form for mail-in donations.

Nobles like you make it possible for us to send Love to the rescue®.

The Youth ADVENTURES

Youth,

Hope everyone is enjoying this wonderful summer weather. Remember, in a short time we will be back in snow.

With that chilling thought I want you to remember about attending youth events or supporting our youth in anyway you can.

Green Bay Chapter Order of DeMolay has just attended their annual state wide Conclave for all of the boys. They've elected a new State Master Counselor and a new state core of officers along with a new State Sweetheart.

Bethel 32 Job's Daughters will be also holding a statewide conference later this summer at Green Lake. They will install a new Grand Bethel Honor Queen and Court of officers.

Once again I encourage you to attend a youth event or to support them in anyway you can. Thank you for your continued support!

Dear Ladies of the Household, Nobles and Friends,

I hope everyone had a fun 4th of July. No matter the weather conditions, its wonderful to get together with family and friends to celebrate our freedom and our wonderful country.

The six of us were happy to get home safely and without any major travel problems going and coming back from Niagara Falls. The Supreme session was very well planned and all the performances were amazing. We had little spare time, but we managed to get a lot in, even some shopping at our Market Place of course!! We are proud to tell you our Temple won 3rd place for the 2016 Convalescent Relief Holiday Contributions award among the small Temples . Congratulations to our new Supreme Appointees; Goodwill Ambassador, P.Q. Helen Robinette; American Flag Escort, P.Q. Carole Biddick; Canadian Flag Escort, P.Q. Bonnie Kohn.

At this time I am looking forward to our Ceremonial and bringing in Sonja Bailey as a new member. Thank you Sonja for joining us, we look forward to getting to know you better and working together!

On August 13th we will have our Supreme Queen, Karen Keuther's visit and ceremonial. We will meet at 12:00pm with a bag lunch to practice for the Ceremonial that will take place at 2:00pm. I have planned a banquet for us at 1951 afterward. Please be sure to come!

Dear Beja Ladies and Nobles,
Happy August! The Brewers are in first place at the All Star Break, Now, can they hold it together in the second half of the season? I am hoping they can.

I am writing this on the 10th day of July, not knowing exactly how many we have signed-up for the Kerr Memorial Cruise. The one thing of which I am sure. Those that attended had a wonderful time. How can I be sure? Because Shriners are kind fun loving people and they tend to take enjoyment where they go. Also, Candice and the crew at Fox River Cruises are the absolute best.

The next big event for all Shriners is to display the flag before the game at Lambeau Field. When? Thursday August 31st. We need your name so we can get a pregame pass. Kindly call Ann at the Beja office to reserve a spot or to request more information. (920) 498-1985. Do not forget, you will need your Fez to participate. Only a very few people get to be on the field on game day. Don't miss this opportunity.

Details of the time, gathering place, and the cookout can be found in this issue of Bugler.

The Club invites everyone to come and join us for good food and great comaraderie.

Thank You Shriners

Karianne and her son, Easton. As you'll recall, Easton was born a couple days prior to your Potentate ceremony and I was able to connect his family with you for assistance with his hand birth defect. He's received many years of surgery and care through Shriners Hospital, and as you can see it's been life changing in the best way. I thought you'd like to see what a great athlete he's become (and baseball to boot!).
