# CHAPLAIN'S CORNER

We enter a new year, 2018. We have elected and installed our leadership for the year. They are experienced Masons and Shriners who have accepted our call to lead us.

Masonic teaching says we should begin a project program, endeavor with prayer. Therefore, I offer this prayer for our use as we begin 2018:

Supreme Architect of the Universe, you are the First and the Last, the Beginning and the End, the Alpha and the Omega---the Eternal One. We are awed by your majesty, yet we are comforted by your love. We take refuge in the tenderness of your strength.

We bring to you in this beginning of 2018 gratitude for the accomplishments of the past year, and all the weight of plans and hopes for what might be accomplished as we strive together to strengthen Beja, and to be Love to the Rescue for children with special medical needs.

We bring into your presence our carryover needs from the past and our hopes for the new year with the confidence that you will enter into our needs to provide a guidance that will help us to carry forward the tasks to be accomplished. Give us wisdom to reevaluate all that we have proposed, and grant us the courage to accept realities that cannot be altered. Help us to maintain our determination to not give up on our duties, plans and hopes, assured as we are that you will supply the guidance and strength to do whatever is right and needed.

We pray for patience as we experience the slow unfolding of you will for us. We pray for tolerance and charity in all our relationships. We pray for a spirit of sharing so that both those who give and those who receive may know the fullness of your divine blessing.

We pray in your Holy Name. Amen.

*Yours in the faith,*  
 Rev. Myron E. Christensen

THE POTENTATE'S MESSAGE

Es Selamu  
Aleikum

Greetings Everyone!

First of all I want to congratulate all the newly elected Divan members and thank those who have accepted appointed positions. Beja appreciates your commitment to help keep our Shrine Center up and running through 2018.

As this is my last article, I could to thank all of those that helped Mary and I make 2017 a year to remember. Yes, there were some difficult situations, but the good times definitely overshadowed the tough ones. The support I received was what kept me going and I couldn't have done it without the help and encouragement of all my fellow Shriners.

I am writing this article on the Sunday afternoon following Beja's Breakfast with Santa. We had a great turnout for the event! Over a hundred more people than last year. We also had a lot of helper elves, which really made everything run smoothly. Thank you all so much for making it such a great success.

On January 3rd, I will be passing the gavel to the next Potentate and then quietly fading into obscurity. Actually, somehow I have been elected to be Secretary of the Peninsula and Green Bay Shrine Clubs and Sec/Treasurer of the Shawano Shrine Club. I don't remember being at those meetings. Oh yeah, now I get it. Anyway, I am sure you'll be seeing a lot of me at future meetings and events.

*Fraternally,  
Greg Habeck, Beja Potentate*

# Beja Shrine Ladies

Greetings!

Well, this is my last article for the Bugler. It has been my pleasure to have gotten to know so many of the Ladies at Beja. You are the best!!

Many thanks to Lady Dawn for her mentoring and help throughout the year, Lady Paulette for her decorating skills and availability when I needed a helping hand, Lady Bonnie Vanderleest for helping with the table set up for the meetings, Lady Barb Diederich for her magic in sprucing up the Christmas wreaths for this year...and so many others who graciously offered your help and support throughout the year. Greg and I are truly thankful for that!

We certainly had a great turnout for Breakfast with Santa! Kudos to everyone that was there. For the Ladies who were at 1951 Christmas Auction, we raised over \$300!! (thanks to our own Lady Vicki who stepped up and did an awesome job as auctioneer).

On Wednesday, January 3rd, the Ladies will again go to 1951 while our Nobles are in their closed meeting. I don't have anything out of the ordinary planned, just a quiet evening to reminisce about the past year and to welcome in our new Potentate's Lady Hannah. Please let Ann know if you will be attending (920) 498-1985.

I hope we continue on our quest to keep Beja strong and to offer our time, money and prayers for 'our kids' as well as for the doctors and all those that help at Shriners Hospitals.

I look forward to passing the 'baton' to Lady Hannah and wishing her and Potentate Clint a successful year at Beja. May 2018 be a year of good health, happiness and prosperity for each and every one of you!!

*Sincerely and with warm fond memories,  
Lady Mary*

*Happy  
New Year!!*

## Beja Vets Of Valor and **PATRIOTS**

Nobles, January is upon us, this means a fresh new year, and with it a fresh start. We had a wonderful and interesting 2017 year and I am looking forward to an exciting 2018 year. I hope you had time to enjoy family and friends during the busy and festive holiday season. I hope there was time to reflect internally and appreciate life, as well as time to relax and refresh a little. I am excited to lead our Veterans and Patriots Unit for the 2018 year, and appreciate the group for pointing me in the right direction along the way (that's polite talk for keeping me in line).

This 2018 year the Vets and Patriots will be looking into our current parade schedule and make appropriate adjustments to what we feel is both conducive to what we as Shriners do, but also makes fiscal sense for the Unit. There has been great positive energy in our monthly meetings towards the future of our group, what we should or shouldn't do, what we can do better, or what we can change. We are a very busy Unit and I look forward to the great opportunities ahead of us. I ask all of the Veterans and Patriots Unit members to be mindful of any events we could be a part of, to keep an open mind, respect the ideas brought forth by others, and weigh decisions made by the members of our Unit with a sound mind.

I have never been more proud to state that I am part of a group of individuals that enjoy what we do, while doing great things for children. I have a passion for helping kids, from the moment I got involved in Masonry and heard what the Shriners do, I knew I wanted to be a part of it. Even if I have been involved in only a small part of it, I feel it has made a big difference. As an outsider looking in at my first parade, I noticed that Shriners make the world of difference for kids. Even if you can make one child smile for one day, and bring happiness to another within the hospital you have changed the world for the better and left a mark on society that will not be easily be forgotten.

So fellow Nobles, I ask that no matter how life gets you down, please look at your pin, your Fez or your fellow Noble and realize that you, yes you, have made a difference to a child and given support, cheer and especially hope. I wish to get to one of our two hospitals in the 2018 year to see all the wonderful things we do and will make it a point to take a day off work to get this done. I ask if you are interested in joining our Unit to please let a member or myself know. We meet the 4th Monday of the month at Beja. You do not have to be a Veteran to join, (I am not a Veteran, but I am a very devoted Patriot for our armed forces members, coming from a military family. THANK YOU FOR YOUR SERVICE).

Dear Ladies of the Household, Nobles and friends,

Happy New Year everyone, I am sure you've had a wonderful Holiday season with family and friends. We are so fortunate to be living here without the natural disasters so many have been dealing with, I hope we can all make the New Year better for many in any way we can through out the year.

A big thank you to those that donated baskets for our Holiday Brunch raffle, we had another very nice selection this year and we all enjoyed the buffet at 1951 West. When you read this we will have had our cookie walk before the December session, that always helps with our Holiday entertaining. At this session, we have to decide on a date for the Luncheon and Fashion show. We had talked about Ladies not being able to come with so many other things going on that month. We will keep you posted on that decision and hopefully everyone can plan on coming.

Ajeb is dark in January and February, in March we will have our elections and installation. I want to express my sincere appreciation to Potentate Greg and his lovely Lady Mary. We have had a fun year working together!!! They made stressful situations much easier!! We wish Clint and Hannah a wonderful year as Potentate and First Lady this year, we look forward to working with them for the children in the Shriner's hospitals.

# SHAWANO SHRINE CLUB

The Club with "Style"

President - Dale Vannes

As I noted last month, the Shawano Shrine Club did not meet in November, but did combine the November and December meetings consisting of the Installation of Officers and the annual Christmas Party. Since I resigned as Club Reporter, I was asked to "pinch hit" one more time.

Officers installed for 2018 are Bob Spahn, President; , 1st Vice President, Karl Simonson; 2nd Vice President, Joe Urban and Greg Habeck, Secretary - Treasurer.

Myron "Myke" Christensen will again serve as the Club's Chaplain. Divan members present this year included Ben Rodgers, John Van Lanen , Mike Bellanger and our own III. Sir Greg Habeck and Beja's Chaplain Myron "Myke" Christensen.

Since we are getting into more unpredictable weather, the Club will be "dark" in January. On the bright side, there will be a "public installation" of the Beja Divan on Saturday, January 6 at the NEWMC in Green Bay. Also, the stated meeting on January 3rd will be a "closed meeting". As usual, the meeting will be preceded by a "social hour" and then dinner. Reservations are required for dinner and can be made by calling them in to Ann at Beja.

I could "editorialize" some more, but will pass. It seems to have been with questionable results so far.

"Happy New Year!"

*Fraternally, Peter Scheinert, PP,  
Club Reporter*

As we start a New Year the Krazy Kops hope that all your dreams and wishes come true. We are still looking for some Kops.

You will find yourself wrapped in joy when you see the kids loading in the Jail. Hoping you all had a Merry Christmas.

*Fraternally, Your Chief, Dick Andres*

As a network of Brothers, we can band together to meet any goal we envision. Not only is our international membership goal of 12,000 new members this Imperial year believable, it is achievable.

Our new 'I AM – RU' referral program is making it easier than ever to refer a good man. The simple beauty of this program is that any Noble has the ability to recommend a good man, known to him, which he will then mentor. In under a minute, your temple can have a new prospect listed in the temple's database on the path to becoming your newest member.

The process is simple:

1. Go to [beashrinernow.com/referral](http://beashrinernow.com/referral)
2. Click on the button to refer a good man
3. Complete and confirm your Noble membership information
4. Fill out the form with your referral prospect's information
5. Click the submit button To complete the form, the referring Noble will need their member number as well as the prospect's first name, email address, whether or not he is a Freemason, and his country, state, city, and/or postal code.

Your enthusiasm, hard work, and, dedication to our fraternity is highly valued and appreciated. Join the 'I AM - RU' program today.

# The Youth ADVENTURES

As the New Year changes, so do the changes in our youth groups. There will be some new leadership as the new Officers are elected. There will also be new ideas! I would of course always invite anyone to help support and attend a youth function. Be that at a local meeting, or even a state event.

Green Bay Chapter Order of DeMolay would like to thank Beja Shrine for allowing them to serve dinner's at the meetings. I think it is a win-win situation. The boys get to learn and work on a service project, and the members of Beja get to interact and meet some of the young men in DeMolay. If any of the members would like to help out in a state event. They could inquire from a member about attending winter retreat. It will be a chance to see both the DeMolay and Job's Daughters compete in their ritual competitions. Perhaps even serve as a judge.

Bethel 32 Job's Daughters would like to thank everyone that helped support them and bought chocolate for their Christmas fundraiser. Thank you. As stated above a state event that's coming up in February, will be the winter retreat for both Job's Daughters and DeMolay.

I invite everyone to stop by and attend a meeting. Green Bay Chapter Order of DeMolay meets on the first and third Mondays at the Northeastern Wisconsin Masonic Center. Bethel 32 Job's Daughters typically meet on a Sunday, please consult the Trestle board posted on the website for the exact date.

Thank you again for all you do in helping and support our youth.
