Now you do not have to be a Krazy Kop to do this. We have several Masonic Brothers, many are aged or healing and have trouble getting out to meetings. Call them or stop and visit them. You will have a great feeling when you hang up after they say thank you for calling. Many Brothers are forgotten because we are too busy to be a friend to them. After you have read this, pick out three Brothers you haven't seen or heard from and visit them.

The Krazy Kops are raring to go into the parade season by opening at NEW DUBLIN on March 23rd. I hope the snow has decided to become water by then. The Krazy Kops are proud to welcome the New Nobles who will cross the hot sands on that day. You are always urged to inquire about the Krazy Kops or if the Krazy Kops is not for you join another Club or Unit and join your Shrine Club. You will find the real reason you became a Shriner.

Beja is Calling All **Board Game Fans**

I am writing today to gauge your interest in a new idea for more fun at Beja. As you may or may not know, my lady Stephanie and I enjoy board games. These range from classics like The Game of Life and Monopoly to games that are, well, a bit more complicated.

However, we would love to get together with some of our Beja friends and hold a monthly game night. We all could also invite other friends we have outside of Beja and show them how much fun we like to have.

We could have four or five games at different tables and people could play what they want. This could be some of the above mentioned family-friendly games, some more intense games focused on strategy, some cooperative games, even some classics like cribbage, dominoes or Uno.

For those who don't know, board games have gotten more and more popular and have evolved from The Game of Sorry to role playing adventures through different eras of time complete with complicated choices that affect game mechanics down the road.

There is limitless possibility of adventure when you add a board, some dice and human choices. But if you prefer Candyland, that's perfectly OK to. We personally own quite a few games both simple and complicated, and they are all fun in their own right. However, playing with friends is better than playing alone, besides constantly losing to Stephanie is starting to take a toll on me.

Ideally we would like to start sometime in April. We are wondering, is this something you would attend? We can have a cash bar set up, maybe hold a potluck, or have everybody chip in to order pizza, because pizza and board games are a time-tested classic combination.

We have lots of options as far as what to play, what to eat/drink and when to play. Without wanting to take too much of anybody's weekend, we would hold a board game party maybe from 3 to 6 p.m. on a Thursday, Friday or Saturday.

I am open to any ideas or feedback. Before we start this event. Is there a game you like to play? Would you want to have a potluck? Is there a date and time that works the best for you? I think this is a fun idea and we could use it show other people how much fun we have at Beja. I am open to any suggestions on anything mentioned above.

Feel free to email me at ben.rodgers22@gmail.com and include "Beja Board Games" in the subject header. Hopefully we have enough interest to make this an event that continues for a while.

Thanks for reading and I hope to hear from you soon.
Fraternally yours, Ben Rodgers

INTER-CITY SHRINE CLUB

President - Eugene "Gene" Reece

The Intercity Shrine Club meets on the 4th Thursday of each month with the exception of July and August. Our April meeting will be at the Bear Lake Campground, N4721 Highway 22-110 in Manawa on April 25th. We meet for camel's milk at 5:15pm and order off of the menu at 6:00pm. We have a short business meeting and our Ladies are always welcome. We encourage all of Beja to join us in the fun we have as the "Little Club that Could." Please email me at greecejr@aol.com if you are planning on joining us so we can have enough places set.

The second weekend is Thursday, May 23rd and Friday, May 24th. We work shifts of about two - three hours and there is plenty of time to have fun and fellowship while raising money for our Club. If you are interested in helping out, please email Lori Schmidt at lorischmidt57@hotmail.com

Our May meeting is scheduled for May 23rd at the River Rail in Shiocton with camel's milk at 5:15pm and dinner ordered off of the menu at 6:00pm. Please consider joining us for any of our events. Membership in the Club is \$10 per year and with that you get a lot of fun and fellowship

We have come to the end of a long standing tradition and that being the Beja Shrine Circus at the Brown County Veterans Memorial Arena. It has served us well for many years. We now look to a new venue the Resch Center and a new date is set for the first weekend in May. Hopefully we will not need to worry about snow that time of year. Our performance days will become two days not three. Some of the acts will not be possible such as the cannon shot. Everyone saw this year's acts are every changing, however, George Carden International Circus will always put on a circus that is loved by our fans.

As of this writing we are still pulling all the figures together so we can settle with the Circus and determine our profits. The very long cold spell certainly did not help attendance figures as we were down 28 percent from last year's all time high record for paid attendance. We will have the exact figures for the closed April meeting.

There are so many of you that deserve my heartfelt thanks for spending many hours working the Circus and doing the many tasks that must be completed to have a successful Circus. For example, John Clark has done hospitality for 24 years. Jim Clark has provided the ice cream we have all enjoyed for many years. Jim Slezak, P. P. has done a wonderful job leading the ushers including the many late comers needing seats in the dark. Theda Andres, Dawn Reece and their helpers organizing the program sales from their executive office suite by the elephants and program sellers deserve our thanks. Probably the coldest jobs belong to the Nobles who stand outside helping get people into the building. Gene Reece, P. P. a special thank you for the many tasks you carried out to help make all successful. Least we forget Ann Mumm who completes the many short order requests I make of her time. There are many people not named but are great assets in providing our fans with the greatest Circus in town.

My many thanks to you all!

*Dennis Korth P. P.
Circus Chairman*

Thank you to all of the volunteers at the 2019 Beja Shrine Circus

Congratulations, and 'Welcome', to the new Nobles created at the Beja Spring Ceremonial last month. Allow me to reiterate that which you have undoubtedly heard several times already; get active, the more you put into the organization, the more you will get from the organization.

You received presentations from the Clubs and Units. Visit them all and find your niche. If there is something you feel passionate about and isn't available, a new Club or Unit can be formed to meet those needs. Join a unit is the several parades that are coming up this summer. Have Fun, Help Kids! That is what we are about.

We are on our way to reach our goal of twenty creations in 2019. Don't stop now! Keep those petitions coming in. We can't stop the Black Camel, but we can stem the membership decline we have been experiencing. Our Fall Ceremonial is scheduled for October 26th and the Class Honoree will be our Recorder, Gene Reece, PP. Let's have a large class in his honor as we did for John Clark last month. Short form, or cold sands, ceremonials can be performed so a potential Shriner can join right in on the fun with the formal initiation at the Ceremonial later in the year.

If your dues card does not have a 2019 sticker, we do not have record of receiving your dues payment. If this is in error, please contact the Beja Office to get it corrected. If you forgot to send you dues payment in, do it now, or head to webfez.shrinernet.org on pay online. You can also call the Beja Office and pay over the phone.

In accordance with Imperial By-laws, a current Shrine membership is required to be able to participate in temple, club and unit meetings and activities such as parades or outings. Don't miss out, remit your dues payment today.

*Gary Fehl,
Beja Membership Committee Chairman*

Happy

BEJA CONNECTION

Identity Standards — Cost of Care

Shriners are known to be caring, compassionate men who are always there for their fellow nobles, friends and family members. They are passionate about Shriners Hospitals for Children and are proud of their role in helping our patients.

A Brother's Love is an original song and music video told from the perspective of a parent with two sons. There is a dual meaning of the word brother: one is about the care and love of young siblings, and the other is about the Shriners' brotherly love.

The video can be viewed at: shrinersvillage.com/video/fraternity/BrothersLove720.mp4 (login required). Download the video or share it on your social media accounts.

Recently, there was a graphic that was posted, reposted and shared by many people on social media that included the text: "Shriners can't put a price tag on what they do, so they do it for free." If you have posted this or anything similar, we ask that you please remove it. This phrase is incorrect, misleading and even potentially damaging.

Do not use free, at no cost, at no charge or without financial obligation when describing the care provided at Shriners Hospitals for Children. The correct phrase is all care and services are provided regardless of the families' ability to pay.

Do not use free when referring to or promoting screening clinics. Use complimentary.

Examples of correct usage:

- At Shriners Hospitals for Children, all care and services are provided regardless of the families' ability to pay.
- A complimentary orthopaedic screening clinic will be held on Tuesday.

We appreciate your efforts to help maintain brand consistency and to speak with one voice on behalf of Shriners Hospitals for Children.

Beja Public Relations Chairman*

Northwoods Shrine Club

President – Ross Borchardt

Sec. – Scott Kellogg

The Northwoods Shrine Club represents Nobles and Ladies of ten different Shrine temples with members residing in four different counties of northern Wisconsin. When our members gather, our fez's display the names of different temples; but, they are all red and we all proudly wear them for the same reasons.

The Northwoods Shrine Club meets the 3rd Thursday of each month at a different restaurant location. We proudly welcome all Shriners and Ladies, Masons, and friends of our philanthropies to join us for our meetings. Camels milk at 5:30 pm and dinner at 6:30 pm. Please call Bill Jacobs for reservations, 715-891-5574. Come join us for many laughs in the great Wisconsin Northwoods.

Our March meeting will be held March 14th, at The Wild Boar in Arbor Vitae. Come join us!

We will soon begin planning for our Vidalia Onion sale. Our club has been historically, very successful with the Vidalia onion sale due to a huge planning effort and participation of the entire club. We have also been very successful with selling salad dressings year around. Another wonderful way to support our precious hospitals for children.

Super Tryke

All Supertryke members please take notice. April 29th our spring dinner and installation will take place at the Woods Golf Course at 530 Erie Rd Green Bay WI. (East of I 43 and just north Mason St). Camel's milk begins at 5:30 and dinner at 6:30. This is a great time for you to take your Lady out for dinner and a fun time.

Last month I had indicated I would be going to MSA in Aberdeen, SD. It turns out my broker/dealer has planned a meeting on the same dates August 16-18 so I will not be going to MSA. We need at least three riders to consider driving out to Aberdeen and participating in the event. (Two tryke riders and one van driver) Remember you must be registered for MSA to be in the parade. The recorder has all necessary details.

Other news, the executive board has invested in a trailer so the unit can be pulled behind our van allowing six people to ride in the van. It will be a great way to travel to Deadwood. Please consider making the journey.
