CHAPLAIN'S CORNER

Commercial flying is a big business. Just note the number of flight cancellations when immense storms strike a huge area of our country.

When the weather is good there are other hazards to safe flights that occasionally challenge the pilots and flight crews and the machines (aircraft) they fly.

I recently read about a rare hazard that does occur. Pilots can suddenly, for no apparent reason, have an attack of vertigo, and suffer from dizziness and disorientation while flying.

To counter that attack of vertigo they are taught to get on the gauges. The strategy is to quit looking outside the cockpit, to quit trusting eyesight and the sense of balance that vertigo renders untrustworthy. Instead they are taught to focus on the instruments, the gauges, inside the cockpit which provide all the information they need to continue flying safely.

In our journey of life, we can experience a spiritual vertigo from time to time. We can have those times and experiences that deprive us of hope, challenge our faith, and make us susceptible to false teaching, and worldly temptations that turn destructive. Sometimes we lose our spiritual bearing for no apparent reason.

At those times we need to get on the gauges of faith, we dedicate ourselves to prayer, the reading of our scriptures, and work to focus on God's direction. In Masonic language we need to look to the Trestle Board provided by the Supreme Architect of the Universe for the guidance we need.

As those who live under the Masonic umbrella we know we have it's teachings as a source of wisdom and understanding, along with people, who will help us meet our challenging hours.

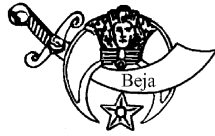

As the Nobles and Ladies of the Shrine we also have the gauge of our compassion. We offer to children life changing medical care that opens the way to a more rewarding future. This makes us Love to the Rescue. And being Love to the Rescue will help us make our way through life safely, and then some.

*Yours in the faith,
Rev. Myron E. Christensen*

THE POTENTATE'S MESSAGE

Es Selamu
Aleikum

Greetings Nobles and Ladies,

I hope everyone is having a great summer! July has brought us some wonderful weather! With that the parade units have been very busy parading around and getting us out to the public! The 16th annual John Ottum Golf Outing was a great success. We had around 80 golfers, 30 of which were not

affiliated in any way with the Shrine or Masonry. I'd like to thank Don Borowitz and the golf committee and volunteers for all their hard work in making it a success. As we move into August we are still dark, however that doesn't mean we're resting on our laurels! We have Summer Session of MSA in Deadwood, South Dakota the week of August 13th. Safe travels to all whom are attending!

We also that week we have the annual Midwest Shrine Game and tailgate party, cohosted by Beja and Tripoli. As of this writing we have limited passes available for being on the field during the National Anthem. So call the temple if you'd like to be a part of holding the flag on the field. Also the same day and into the night starting at 4 p.m. we will have our tailgate party. Tripoli will provide the "camels milk" and Beja the food at the low low price of \$20 per person which includes all you can eat and drink. Again call Beja to RSVP (920)498-1985 so we can have a somewhat accurate idea on food. The address of the tailgate party is 884 Stadium Drive Green Bay. There is very limited parking there, however we will be offering a shuttle from the temple to the tailgate party. I hope to see a lot of people attend. Last year we had over 120 Shriners and their Ladies, with seven different temples in attendance.

Looking ahead, September is our return from the dark meeting which will be a closed meeting. One thing you may notice as we return from summer break is our new permanent bar in the Southwest corner. Bob Vanderleest and the Trustee's designed the bar and color matched the top to our own "fez red" it looks pretty sharp!!! Thanks again Bob and to all those who helped. The Ladies are going to dinner at Galley 57 an excellent restaurant overlooking the river.

In closing, I always say this, and I mean it! I am humbled and proud to serve as your Potentate! However it's not anything I'm doing. Beja is an incredible place and does amazing things because of our members and Ladies.

*Fraternally,
Ill. Sir Clint Compton, Beja Potentate*

Beja Shrine Ladies

Greetings Ladies!

I hope everyone has been enjoying their summer thus far! Thank you to all who donated new or gently used bags/purses for "Handbags for Hope." Thank you to Kathy Rondeau for taking care of submitting the donations. The 16th Annual John Ottum Golf Outing took place on July 17th and was a great success!

There were over 80 golfers that participated in the 4 person scramble held at Royal St. Patrick's. The weather also cooperated and it was a beautiful warm and sunny day to enjoy 18 holes of golf! We enjoyed a wonderful dinner afterward provided by the Green Bay Packers with a bucket raffle and silent auction that followed. Our very own Potentate competed in a shoot out at the end for getting closest to the hole on Hole eight. It came down to four finalists in the "shoot out" and

Clint was the 1st place winner and was awarded a \$300 gift card to the Packers Pro Shop! Fun was had by all, and all the proceeds were donated to BEJA's transportation fund. Thank you to all who golfed and volunteered! Up next is the Midwest Shrine Game on August 16th starting at

4:00pm. Come join the tailgating fun at 884 Stadium Drive! We are currently working on finalizing the Potentate's trip Saturday, September 22nd. Just a reminder September 5th is a closed meeting. The Ladies will meet at BEJA and head out to Galley 57 on the water for dinner at 2222 Riverside Dr. Also, please join us Saturday, September 8th for the Fashion Fantasy Luncheon and Style Show sponsored by BEJA Shrine Ladies and Daughters of the Nile. Proceeds from the show will be donated to the BEJA Transportation Fund and the general fund of Ajeb Temple No. 156. Please RSVP to Bonnie Kohn 6866 Cabots Point Rd-Sturgeon Bay WI 54235 if interested in attending or being a model for the Style Show. See you all soon!

Sincerely, Lady Hannah

Emily Jacobson

2018 Rainbow of Hope Winner

Emily Jacobson, of Antigo, Wisconsin, was born missing her left arm below the elbow and began coming to Shriners Hospitals for Children — Twin Cities at 6 months of age. She received her first prosthetic arm, her “helping hand,” shortly after her first visit to the Twin Cities Shriners Hospital. By the age of 1, she

decided that she wanted to do everything with her “little arm” and stopped using her “helping hand.” Now 19, Emily has spent her whole life feeling proud of her ability to do many things with her “little arm.” From tying her own shoes, riding her bike, and crossing the monkey bars to becoming a strong swimmer and lifeguard, Emily has proven she has strength and a will to succeed.

Emily attended the Twin Cities Shriners Hospital’s Camp Achieve from ages 5-13. Camp Achieve is a day camp for patients with limb differences. Participants spend a week trying new activities that they think they may not be able to accomplish due to missing a limb. One of the huge benefits of camp is giving kids exposure to other children who are “just like them,” as they may not know anyone else with a limb difference from their community. Because Emily holds Camp Achieve so close to her heart, she volunteered as a helper at camp when she was older. She has been an excellent teacher and role model to children who are facing similar challenges due to missing a limb, just like she did as a child. Her passion for advocating for herself and others who are living with limb differences is inspiring.

Emily was the swim captain on her high school swim team and inspired her teammates with her ability to compete in all of the drills and strokes. She always served as a good example and mentor on her swim teams and as a lifeguard. Emily continues to use her swimming and lifeguarding skills at an annual biathlon in her hometown, where she proudly stands at the waterfront, ready to help her community members and friends as they swim.

Emily is currently enrolled at St. Cloud State University where she is studying occupational therapy. Her dream is to be an occupational therapist at Shriners Hospitals for Children.

A great group of Brothers/Nobles came out to show our communities who we are. Rhinelander Lodge 242, Northwoods Shrine Club and the Northwoods Jacks; fun time had by all! A special thanks to our Jacks Committee Chair and Walking Boss, Al Rousseau for his tireless effort on the wheels and coordinating their refurbishing.

Our Northwoods Shrine Club Picnic is Saturday, July 21st at River View Park in Eagle River from 1:00 PM until? Please bring a friend or prospect or two; membership is the foundation of everything we do for our hospitals. Please call or text Bill Jacobs or respond to this email, so that we have an accurate count of those coming. Please also bring a dish to pass and plan to have fun. The Club will provide the meat (brats, burgers, chicken breasts), beverages, and dishware. We would love to see Divan members from Tripoli and Beja join us at our picnic, see ya there.

Enjoy time with family!

Fraternally,
Noble Lawrence R. Mueller, Past President.

The Tulip Parade in Manawa is now history. It is called the Tulip Parade because of the horses that leave little obstacles in the parade route. The droppings add a challenge to the Beja units in their maneuvers. The jail went down the parade route with a driver and a shotgun rider, a convict riding with his feet extending out from between bars, crying the woes of a person gone wrong and where they would end up. The rear guard was Dave Gerlach who made sure our convict did not escape. We didn't arrest anyone due to the heat of the day and a lack of Kop power.

We are at Winneconne on July 21st. It will be a challenge because of the road construction. They are rebuilding the highway and building a new bridge. Our parade season will end with our appearance at the Weyauwega parade on September 15th. We hope to see you there.

Fraternally, Dick Andres, Chief Kop

Nobles, make sure the address we have on file is correct by logging into:
WebFez (<https://webfez.shrinenet.org/>)
and make any changes needed.

First-time users will have to register, just follow the simple instructions.

The 2019 Dues Assessment will occur on August 1st, 2018. Within a few days of the assessment a copy of the Dues Notice will be e-mailed to all Nobles with an email address. The hardcopy mailing will follow in mid to late August, however, the hardcopy will have a statement to disregard the notice if dues have already been paid.

There are still a few Nobles who have not remitted their dues for 2017 and/or 2018. This will appear on the dues notice. If you believe this to be in error, or you are experiencing financial difficulties, health problems or other issues, please contact the Beja Recorder, Gene Reece, at (920) 498-1985.

Dear Ladies of the Household, Nobles and Friends,
It's Hard to believe we are into August already, I hope everyone has enjoyed our unusually warm weather, especially over the 4th!! The four of us that went to our 102nd Annual Supreme Session in Cincinnati got back just in time to get in on it!! It was hot in Cincinnati the last couple days, but we were inside at sessions during the day and at performances inside at night and didn't have to cope with it much at all. I'm happy to report our Temple won 1st place this year among the smaller Temples for contributions to the Convalescent Relief Fund. Our Supreme Queen, Karen Keuther presented a check for \$1,757,485.00 and a check from the Canadian Temples for \$196,357.26 to the Imperial Sir Gary Bergenske, Imperial Potentate, at our opening ceremony. He was quite amazed, we have a lot to be proud of!!

Our next session is August 15th, we will again meet for a Fashion Show meeting at 10:00am with lunch at 11:00am at 1951 West with our session at 1:00pm. We hope to have someone who wants to help with moving our tables each month by then. We pay \$50.00 each time and it's only once a month. However, In September on the 27th, our newly elected Supreme Queen will come for her Official Visit and Ceremonial, so that month we will need someone to move tables on the 19th and 27th. Please call me, 920-743-6022.

Don't forget to come to our Ladies Luncheon and Fashion show on September 8! Plan to come at 10:30am to check out the raffle and craft tables. Lunch will be served at 12:00pm with the Fashions from Lady Savannah and Dress Barn to follow. We still need sponsors and donations! If you can help in any way please call Bonnie Kohn 920-746-9362. This will be our 16th anniversary of "Fashion Fantasy", lets all help to keep it happening!

The Youth ADVENTURES

I hope everyone has had a chance to do some traveling this summer and enjoy some of the events in our great state.

Green Bay Chapter Order of DeMolay has already been to Oatmeal Lake at the Butler Retreat Center. They are also planning to attend again later in the summer. They have also attended their State Conference Conclave held at Edgewood College in Madison. They elected a new State Master Counselor and a new State Sweetheart.

Bethel 32 Jobs Daughter's has some new events this summer also. They will be attending Joby Jamboree at Green Lake Conference Center, where they will also be electing a new Grand Bethel Honor Queen and Line of Officers.

As always thank you for helping support the youth, in all that you do. Be it attending a meeting or supporting one of their fundraisers. Thank you.

News from Shriners Hospital *Twin Cities*

A Letter from the Chairman of the Board –SHC–Twin Cities

July 8, 2018

A few days ago, Imperial Sir Jerry Gantt, Chairman of the Board of Trustees, sent an email message to all the nobility in which he outlined discussions that had been occurring regarding four hospitals in our system, SHC-Twin Cities being one of them.

In his message he denoted plans for changes which had been developed over the last few months by workgroups from each hospital. These workgroups consisted of local hospital leadership, local board representation, home office personnel and lead by a consulting group hired for this purpose. This workgroups charge was to review the options available to us for delivering the best possible care to our kids and their families while transitioning to a new model of doing business that embraces the changes in healthcare delivery and technologies. We have all heard that traditional inpatient stays across all of healthcare continues to diminish while more and more healthcare services have shifted to outpatient care. Understanding the industry as a whole has seen this shift in care and seeing it first hand in the volumes and activities at our hospital the consultants and workgroup discussed what the best option would be for SCH-Twin Cities.

A few days prior to Imperial Sir Gantts message, the consultants, along with local Board of Governors and hospital leadership met with the Joint Boards to review the consultant recommendations. A broad variety of options had been discussed and vetted during this process. For SHC-Twin Cities it was determined that we shift to a new Shrine Clinic operating model, shift inpatient and outpatient surgical procedures to a partner healthcare group and expand our presence in our catchment area. As a bit more detail, following are plans as we know them today, based on the consultant recommendations approved by the Joint Boards.

Transition of Inpatient/Outpatient Surgical Procedures

It was recommended that due to the low volume of surgical procedures occurring at SHC-Twin Cities (currently about 400 total) it would best serve our patients to move that part of care to a partner location. Our doctors would still be doing the procedure but would be doing so at the partner facility. We continue to have discussions with multiple groups regarding a partner relationship and we hope to have a final decision in the coming weeks. This type of transition has a broad list of activities that need to happen including license changes, contract changes, new contracts... so this is not something that can just happen in a few weeks. The approved

recommendations of the consultants showed this transition happening over the course of 5 or 6 months.

Sighting and transition to a Clinic facility

With the move of surgical procedures, SHC-Twin Cities would begin operating as a clinic and rehab facility, continuing our outpatient clinic activities just as we do today. There is not a current plan for this transition, decisions regarding the leasing of space, buying space... will likely start in a few weeks but there are many elements to this transition similar to those noted in the previous paragraph. Until the time a location is chosen and developed we will continue to operate in our current facility. Your local Board of Governors has made it clear that the expectation of a clinic will be a facility that continues the "Shrine Experience" for our patients and their families, delivering the services and treatment our kids have come to know as Shriners.

Outreach Expansion

We have all heard, "More Kids, In More Places, More Cost Effectively". SHC-Twin Cities has a long history of supporting Outreach Clinics throughout our catchment area. The workgroup and consultant recommendations call for the expansion of these effort with development of broader relationships throughout our service area. Two areas targeted for an initial expanded effort are Des Moines and Omaha, both of which we have existing relationships we hope to leverage to broader relationships. We will continue outreach clinic activities as we have previously done and as we move forward we will look to expand services in the existing areas as well as looking to new outreach opportunities.

We all know that change is a difficult thing and with this transition there will be hard decisions to be made and major change to prepare for. Your local Board of Governors is unanimous in our desire and intent to make this transition as smooth as possible for our patients, their families, our wonderful employees and the nobility that supports us.

As before, we will need your help and support as these changes unfold. We commit to communicating information to you as we garner it so that you can share with your Temples. We truly appreciate your support and will do all we can to grow the efforts of helping our kids through the greatest philanthropy in the world.

On behalf of the SHC-TWI Board of Governors, we thank you and your nobility for your support!

Please do not hesitate to contact your Board member Gene Reece with any questions or concerns.

Fraternally,

Roger J Robinson

Dear Members and Friends,

Are next meeting will be August 3, 2018 at the Bay Family Restaurant, 1301 S. Military Avenue, Green Bay. For easy access to the private dining room, use the Motel entrance and the south parking lot. Guests are always welcome.

We encourage anyone to bring new toys: right now, there is a need for Barbie Dolls, baby dolls, and hand-held games, but any new toy is welcome. If you are not a member, drop your toys off at the office and Ann will make sure they get to the children at the Twin Cities Hospital.

We also can use fabric for pillow cases. One yard of fabric is needed per pillow case. Colorful fabric for all ages is need.

All of these items go right into the hands of the children at there appointments.

We are always looking for new members. Our annual dues are only \$20.

Sincerely, Ann Mumm, Secretary

News from Shriners Hospital Chicago

Looking at this month's article, you will notice that. "Da Bears" have a heart for our kids. What a great gesture. Remember, that your Hospital's, Twin Cities and Chicago Need and Wish to help more kids.

Please pass this number on 1-800-237-5055 on to any parent that we may help their child. The care Shriners Hospital for Children provides is always based on our ability to provide world class care, regardless of the ability to pay. Pass the number on, you'll feel better than when the PACK beats Da Bears".

Proud to represent you at your Chicago Hospital.

SHRINERS HOSPITALS - CHICAGO HEADLINES
Chicago Bears rookies visit, donate \$20,000 to Shriners Hospitals for Children — Chicago
The Chicago Bears brought their rookie class to play

with patients in our Hospital Activity Mall, including the Bears top draft pick, #58 Roquan Smith. The team donated \$20,000.

Read the stories in the Chicago Tribune and Sun Times. The Chicago Bears also shared the day with a story and video.
