A man was driving his mule to Memphis. He was not at all sure of the distance, so he asked a passerby. "About seven miles" was the reply. So, he drove on. After a considerable drive he had not reached Memphis, so he asked again. "About seven miles" was the answer. Finally, the driver slapped the mule with the reins and exclaimed, "Thank goodness, we're at least holding our own."

As this is being written, we are experiencing a serious and dangerous medical condition that is afflicting the whole world. We are being forced to face new and great challenges about the quality and quantity of the resources we will have for the living of our lives. We ask each day, are we holding our own, or are we seeing signs of finding a way forward, to the old normal or will it be to a new normal.

As we are challenged to maintain our desired standard of living in the future, so will the organizations we belong to be challenged to maintain their integrity and purpose. There are organizations we consider to be meaningful and fulfilling parts of our lives. This will certainly include our Beja Shrine.

And the challenges for our organization of choice to move forward into the future will be to make those necessary adjustment as to how we fulfill our purpose, and for us to continue our support of time, talent, and treasure.

As Shriners we have two purposes. One purpose we have is, in the light of Free masonry, to have events and happenings that give us memorable relationships and activities.

The second purpose is the medical care program we offer at no cost to the family. In the area we have chose to make our medical concern, we offer the best care available. In 2019 we learned we have become fully engaged with the modern way the medical community works, sharing information and facilities, and we can continue to give our Shrine way of medical care to the children we call ours.

As we have high hopes for the future, the old normal or the new normal, so to, we have high hopes for the furthers of our children, and we hope we inspire to them to have high hopes for their futures.

Let us, in these challenging days ahead, determined to continue our strong support of our medical care programs, so we can with justifiable pride, make known we are the Nobles and Ladies of Beja Shrine and we are.....Love to the Rescue.

Yours in the faith, Rev. Myron E. Christensen

THE POTENTATE'S MESSAGE

Es Selamu
Aleikum

Greetings Everyone,

I hope that everyone is in better spirits with the recent lifting of restrictions. We had a wonderful May web meeting which included 38 online participants including incoming Imperial Potentate Jim Smith and his Lady Alice. With 38 participants that meant we had close to 76 Nobles and Ladies attending. A sincere thank

you to all who attended the online web meeting. We hope you enjoyed the information sharing and videos that were presented. I also want to thank Imperial Sir Jim Smith for sharing current Imperial impacts due to COVID-19 and what is being planned for conducting this year's Imperial Session online.

The Divan has made the decision to cancel the June meeting.

The Potentates Ball was moved to August 15th and we changed the price to \$40 per person which includes the meal, dessert and great entertainment from Daddy D Productions. Please use the full page form in the Bugler to send in your reservation and payment for the Potentates Ball.

The Potentates Trip to Niagara Falls is still proceeding as of now and we will return any down payments made if we have to cancel the Trip. Please see the full page information sheet in the Bugler to send in your down payment for the trip.

Unfortunately, with all the cancellations of Parades, Festivals and public events for this year please take the time to get with family and friends this summer. Please continue to be safe and for those with pre-existing conditions please continue social distancing and using personal protective equipment.

2020 Imperial Session Cancelled

Based on data and opinions of public health experts and community officials, Shriners International has cancelled its 2020 Imperial Session in Kansas City. In determining whether the 2020 Imperial Session could be responsibly held, the perspective of Shriners International was to take a global vision with local focus. The Imperial Session is truly an annual international gathering at one physical location. The Imperial Divan, the 2020 Convention Corporation, and the staff of Shriners International closely monitored developments and worked closely with the Kansas City Health Department in planning the 2020 Imperial Session. This planning was always undertaken with the hope and expectation that the convention would proceed, as long as it was reasonably safe to do so, based upon the trajectory of the Corona Virus and governmental quarantine and/or stay at home orders, actions based upon data and opinions provided by public health professionals.

Based on the information provided by public health professionals and recent governmental extension of existing public health orders, Shriners International determined that the safety of attendees and the safety of the community could not reasonably be provided on or before the start of the 2020 Imperial Session in Kansas City and therefore cancelled the 2020 convention, due to the impossibility of safely hosting it.

News from Shriners Hospital Chicago

Shriners Hospitals for Children

As is to be expected, our overall numbers are down because of Illinois' stay-at-home order, but our doctors are still seeing patients and are still performing surgeries. The number of surgeries are down, but surgical minutes are up indicating more complex surgeries are being performed.

Telehealth has expanded during this pandemic with the initial screening of new patients now being done via Fast Track Video Visits. This will soon be expanded to include rehab patients. This speeds up the time to initial visits and also cuts down on travel.

The Physician's Liaisons (PL) have been working from home contacting local doctors and clinics by telephone, email, and Skype/Zoom. They are letting the doctors in the Chicagoland area know that SHC-Chicago is available to free up their emergency rooms and urgent care centers by treating stable fractures and urgent orthopaedic needs for children 18 and under. Since the PLs have been in the field full time the number of referrals from local doctors has increased significantly.

SHC-Chicago is in the third year of its 5-year Strategic Plan. The plan has been approved by the Home Office and funding is in place to continue as planned. The Executive Committee is already looking beyond the five years to plan for the future of SHC-Chicago.

Shriners Hospitals for Children is serving more kids in more places and providing the most amazing care anywhere. Do you know of a child who could benefit from our services? Have the family call SHC-Chicago at (773) 385-KIDS (5437), or call the national number, (800) 237-5055.

Annual Sportsman's Raffle

Nobles and Ladies, our annual Sportsman's Raffle tickets will be available for sale in April. Last year's raffle provided \$5000 to the Beja 2020 operations fund. Tickets for the raffle are \$20 with a chance to win one of the 20 available prizes. The top prize is worth \$1000 with all prizes being a gift card to Cabela's, which the winner can use on any item they choose. We need to sell 500 tickets to break even and be able to conduct the raffle. **Your help in selling tickets will make this goal easy to achieve.**

Over the last couple of years, the Beja Sportsman's Club has become involved with the raffle hosting the raffle night. The night includes the drawing of our 20 winners for the Sportsman's Raffle along with several bucket and special raffles for those in attendance. Our 2019 event was a huge success. Although attendance numbers were down, we raised more money to cover the cost of the night as well as adding an addition \$750.00 to our raffle total. Through the dedication of several Nobles and Ladies, we had 20 bucket raffle prizes and two guns donated for our event. I would like to thank all those who came out to help, donated items for our bucket raffles or showed up to have fun and fellowship.

This year's Sportsman's night will be held on Saturday, November 7th, 2020. The festivities will begin at 5:30pm with a cash bar and appetizers. Your ticket to enter is a purchased Sportsman's Raffle ticket. Bucket raffle drawing and a special gun raffle for those in attendance will begin at 6:00pm. Along with the bucket raffles we will begin drawing the 20 winners for our annual Sportsman's Raffle.

If you have an item you would like to donate to the bucket raffle, please contact me at beje-recorder@new.rr.com

The Sportsman's Club*

2020 SHRINE CIRCUS (that never was!)

We are all disappointed our Beja Shrine Circus could not be performed. It means a big loss to Beja because as our number one fund raiser for Beja's operations, we will need to look elsewhere for operating dollars. It will be necessary for our Potentate to make big changes to his planned programs. The Coronavirus has caused all of us to rethink our normal lifestyles.

Since much work has gone into planning of the circus I would like to bring everyone up to date as to what money has been raised. First I want to thank all participates in the Noble (Daddy Book) tickets sales. Your \$60. investment will go a long way in helping the Beja 2020 budget. Only one person asked for a refund and I commend all of you for your support. Over \$10,000. resulted from the Daddy Book sales. Second, out of the 25 companies or individuals who had already sent money in for their program ads, only two requested a return of their advertising dollars. (\$215.) The remaining 23 told us they would prefer donating the money back to Beja. An additional \$4,765. was raised simply by phoning advertisers and explaining our predicament. Too bad we didn't have another 23 who had already sent money. Telemarketing also raised approximately \$9,000. Of that total Beja receives 25% or \$2,250.

It is a long way from the \$70,000 we had hoped would come from the circus but it certainly is a nice help. A heartfelt thanks goes out to everyone who had a hand in the 2020 effort. Let's hope the 2021 Beja circus proves successful.

*Fraternally, Dennis Korth P. P.
Circus Chairman*

Staying Connected Using Technology

Social distancing does not have to mean being socially disconnected. There are many ways our Nobles, families and friends can keep in touch and support one another in these difficult and uncertain times. We have put together six ways to stay connected:

Check in with fellow Nobles by email, text and phone. This small gesture can make a huge difference.

Arrange a regular FaceTime call with a fellow Noble or close friend for a virtual coffee date.

Set up a Zoom or Skype meeting. An online conference call is a great way to continue your Club or Unit meetings, or for several friends to catch up.

Check in on friends on social media. In addition to the Shriners International social pages and your Temple social channels, Shriners Around the World is an active group of nobles, families and supporters. Find the group on Facebook <https://www.facebook.com/groups/shriner/> and connect with nobles across the globe.

Gather friends for a watch party. Netflix is offering watch party options that allow friends to view movies together. See <https://www.netflixparty.com> (the option is only available on Chrome browsers on desktop or laptop computers).

Send a card or postcard to a friend or fellow Noble. Go old school and surprise someone with a handwritten note.

Help Make A Difference In Style!!

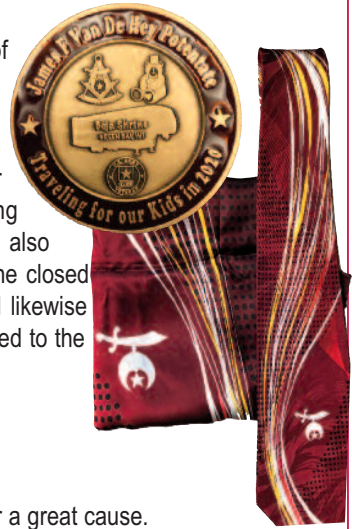

My project for this year is for the Wheelchair Fund for Shriners Healthcare for Children, Twin Cities.

Each of us wants to make a real difference in the lives of the children who depend on Shriners Hospitals. Having a proper wheelchair can open up so many new experiences for a child.

As you may know wheelchairs are not covered by most insurance companies and the fund provides assistance to families in need of them for our Kids.

All the money from the sales of ILL Sir Jim's Challenge Coins and Ties and matching scarves will be donated to the Wheelchair Fund at our Parade to Glory during November's meeting. I will also have items to auction off at the closed meetings with the Ladies and likewise all monies made will be donated to the wheelchair fund.

Ties \$30 & Scarves \$25
 Challenge Coin \$20

Thank you for your support for a great cause.
Sincerely, Lady Paulette

Hello Ajeb Members, Beja Members, and Shrine Friends:

Yes, this message is for EVERYONE! We want all of you to not only have the latest information, but also to share that information with others interested in supporting Shrine Hospitals for Children. So, here is the latest scoop.

First, we have a brand new place to SHOP!!!! Daughters of the Nile has opened a brand new website, The Nile Shop. Go to: <https://thenileshop.square.site/>. It is fun to "screen shop" and just think of all the money you have saved by not eating out. What a great place to treat yourself.

Our Supreme Session has been rescheduled for September 4-7. Location is the same. The schedule has been shortened by one day. Keep checking back on the registration website for more specific changes. If you were registered for the Hyatt, that hotel has been dropped from the list and you may need to re-book someplace else.

So far our next meeting is scheduled for June 10. However, we still could adjust that date, based on Wisconsin restrictions and the wishes of members. Watch your Tickler emails for updates. At that meeting we will finish installing our last group of 4 officers to be installed and we will then proceed onward with planning for the visit of Supreme Queen Heather on July 21. So far that is a firm date, but – watch for updates.

Our Style Show is still on our schedule for September 12, with a possible change in format. More on that mid-summer.

Last, but not least – if YOU don't tell us something, we won't know it. Sounds easy, right? Ho, ho – if you change your email address, your phone number, your address, your health status, or your birthdate (well, almost everything), please tell us. Email me, or our Pr. Recorder.

While I know everyone, including myself, is itching to "get out and about", and wearing a mask and probably gloves it getting very "old", very fast, PLEASE keep up the precautions. We want to be able to resume our regular activities and we cannot do that if the COVID continues to spread. We also want the Packers to be able to play in a full house!!!! Invest in the future for everyone and be safe!

Nile Love, Susan Grosse

As I send you this article, I pray that everyone is running safely ahead of that deadly Virus. It has created a longing for our fellow Nobles to get together in fellowship. It has raised HELL with our efforts to raise money for our kids. The Krazy Kops usually earn about \$2500 each year. This years cancellation of parades and Brat fry's is going to make that impossible.

I hope that our Krazy Kop group and their families and friends all survive in good shape. We will be back when the virus roll is over, doing whatever we can to keep Beja on board.

We are sorry to hear the sad news of the passing of Carla Badgley, wife of Past Potentate Donald. She has gone to be with God's Angels. She was a staunch supporter of the Krazy Kops and even had a uniform that fit her on occasion.

STAY WELL

THE OLDEST LIVING SHRINERS HOSPITALS FOR CHILDREN PATIENT TURNS 103!

Irene Hand Roberts just turned 103 and as far as we know, she is the oldest living Shriners Hospitals for Children patient! Irene was born on April 28, 1917, at her grandmother's restaurant and boarding hotel in McLaughlin, South Dakota.

In July 1923, at the age of 6, Irene developed what was called infantile paralysis, but is now known as polio. The Hand family and local doctors tried many remedies to help Irene, but they were all unsuccessful. Irene's luck changed when

a small-town horse-and-buggy doctor named Dr. Twining, who by chance was a Shriner, referred Irene to the newly opened Shriners Hospital for Crippled Children in Minnesota, thus beginning Irene's long and very hard road to recovery.

Irene spent many months at the Shriners Hospital in Minnesota. Her right leg recovered, but her right arm never did. Irene never let having a paralyzed right arm slow her down, though.

Back home Irene had to work very hard to catch up, as she had missed her entire second-grade year. With only one good arm, she experienced many challenges. Yet as time went on, Irene adjusted to her new life and learned how to do things differently.

In 1930, Irene's father moved the family to Miles City, Montana, after finding work as a railroad policeman for the Milwaukee Railroad. Irene was a determined young woman. After graduating from high school, she was in the first graduating class at the new Eastern Montana College in Billings, Montana, where she earned her teaching degree. After graduating, Irene taught school for one year in a one-room school in Ismay, Montana.

Irene met and married Byron Roberts when she was 21, and they have eight children spread out over 22 years. Irene has quite a few grandchildren, and two of her grandsons and one great-grandson played in the Montana East-West Shrine Football game! The family feels this is one way they have given back for the care Irene received from Shriners Hospital.

The Youth ADVENTURES

Hello to everyone, I hope with the month of June we are finally going to start moving into some warmer weather and with that change maybe a change back to somewhat normality. It almost seems that with Spring we have truly started to come out of hiding like bears in hibernation. It has also affected how the youth groups go about their business.

Green Bay Chapter Order of DeMolay would like to first thank Beja for the opportunity to work with them in their meetings and fundraisers. The chapter has been meeting via zoom. A format of digital meeting with the use of the computers and cell phones. A very virtual opportunity. They will be utilizing this format until it is deemed appropriate to meet at the building. As of right now their yearly conference Con Clave which is set to convene at the end of July is still scheduled.

Bethel 32 Jobs Daughters has also been meeting virtually. They have been using a different format. It is allowed the girls to still communicate. The girls have been choosing a theme for their meetings to help make it a unique experience. As of now their state conference grand Bethel will also still be taking place. It will be held in July in Manitowoc.

As usual thank you again for supporting the youth. In all that you do. Be that at their fundraisers or in the future attending one of their meetings. Thank you again.

*Fraternallly,
Charles Clarage*
