CHAPLAIN'S CORNER

A Japanese Paraphrase

The Lord is my pacesetter. I shall not rush.

He makes me stop for quiet intervals.

He provides me with images of stillness which restore my serenity.

He leads me in the ways of efficiency through a calmness of mind and his guidance in peace.

Even though I have a great many things to accomplish each day, I will not fret, for his presence is here.

His timelessness, his all-importance will keep me in balance.

He prepares refreshment and renewal in the midst of my activity by anointing my mind with his oil of tranquility. My cup of joyous energy over flows.

Surely harmony and effectiveness shall be the fruit of my hours, and I shall walk in the peace of the Lord and dwell in his house forever.

This crossed my desk recently. It is a paraphrase of Psalm 23 from the Old Testament of the Bible, or, as some like to say, from the Masonic Trestle Board provided by the Supreme architect of the Universe.

With its thoughtfulness and power incorporated into our lives we, as the Nobles and Ladies of the Shrine, are enabled to be Love to the Rescue.

Yours in the faith,
Rev. Myron E. Christensen

THE POTENTATE'S MESSAGE

Es Selamu
Aleikum

Greetings Nobles and Ladies!

Welcome to summer! It's been a long time coming!

those of you who are not familiar with who's on the Membership Committee, it's a simple answer. YOU ALL ARE!!! So you all deserve the accolades!!!

The May meeting was an incredible time!! I was so pleased to see each and every one of you! The attendance was near 90 Nobles, Ladies and friends. A big thank you goes out to the Ladies that contributed to the dinner. The desserts and salads were absolutely outstanding!!! Thanks again Ladies!!! As I always say, you are the true backbone of our lives and our temple!!!

The June meeting theme will be our Hospital meeting and pie auction. I'm looking forward to seeing all of the wonderful pies and cakes. Hopefully there will be a Hospital Representative to speak to us on all the wonderful things Shriners Hospital for Children has been doing. There will be more live music during Camels Milk and dinner. Dinner will be \$15. Remember to call Beja and RSVP or let Ann know if you cannot attend.

In closing, I would like to wish all of our parade units have a safe and fun parade season.

Ill. Sir Clint Compton, Beja Potentate*

A Message from Your Imperial Potentate

Dear Fellow Nobles,

I hope everyone has been having a wonderful and productive year thus far. It is hard to believe it is already May, and we are only a couple months away from Imperial Session. This is a great time to take a step back and re-evaluate our individual commitments to our organizations, and determine how we can strengthen our efforts. Winter is now (hopefully) behind many of us, and spring is finally here in the northern hemisphere. Spring represents many things, including rebirth, rejuvenation and renewal. I think we can take this time to do the same in our own personal lives – to make a point to be the best version of ourselves, and recommit to our cause – our fraternity, philanthropy and the children we provide care for.

I am truly grateful for all of our Shriners, and each of your efforts on behalf of Shriners Hospitals for Children. The work you all do every day makes such a positive difference in the world around us. In order to be able to do what we do best – provide hope and healing to those who need us – we need to continue to work toward strengthening our fraternity, so that we can continue to support our philanthropy. Our future, and the future of so many children and families, directly depends on your commitment and support. We must keep supporting our membership efforts by referring the good men around us through the I AM (Committed Now) R U program, and always be on the lookout for ways to build up the fraternity. We need to keep working together to make the world a better place, and commit to doing absolutely everything we can to ensure the success of our amazing fraternity. The strength of our organizations depends on all of us, and it is up to us to make certain our treasured tradition of brotherhood, fellowship and service to others continues for many years to come.

Thank you for all for your hard work on behalf of our Shriners International and Shriners Hospitals for Children. Your dedicated efforts help make a meaningful difference in the lives of countless children and families around the world – we could not do it without you.

With best wishes and warm regards,
Gary J. Bergenske

Thanks for everyone who came out to our May meeting, it was well attended, and we had some great fun. The Intercity Shrine Club is always open for visitors. We order off the menu, so you can choose your meal. We always meet the fourth Thursday of the month and Ladies and friends are always welcome. May was a very busy month. Our June 28th meeting is our summer picnic at the home of Gene and Dawn Reece, N4706 Kettner Rd in Shiocton. As always Ladies and non- members are welcome to join us and enjoy the fun that the "Little Club that Can" has. The festivities will begin at 4:30pm with dinner being served at 6:00pm. Hope to see you there.

SuperTryke

The Beja SuperTryke enjoyed their spring dinner with our Ladies at the Woods Country Club on April 30. The food was great and the comradery was even better. Our 2018 parade schedule is complete with four parades set' kicking off in De Pere on Memorial Day

- DePere Memorial Day May 28th
- Chilton Father's Day Parade, June 17th
- Manawa Mid Western Rodeo Parade June 30th
- Marinette Logging & Heritage Festival parade July 9th

Ross Borchardt and Bob Dionne will be taking the SuperTryke to Rhinelander for several parades in that area around the 4th of July. Our plans are to travel to the MSA summer event in Deadwood SD on August 15 to 18. Nobles please remember you must register for participation in the MSA parades. Also, please note we only need two riders but a maximum of six people can ride in the van during each parade. Please notify the Secretary the dates that you are available to participate.

Thank you to all SuperTryke Nobles and welcome to our newest member Ton Pflugardt who went through the Spring Ceremonial. Thank you also goes out to Roger Lindow for planning the spring dinner. Barbara, we did miss the spring flowers that usually go with the tables for decorations, but we understand 24 inches of snow has a way of slowing the growing process.

Dear Ladies of the Household and Shrine Friends,

Thank you to all our members that came to the Ceremonial and session yesterday, we happily initiated Terry Schneider into our membership. Everyone really pitched in and took parts they were not used to doing to make it all happen. Fran Bagley was installed as well, so all of Ajeb is now duly installed in their new positions.

If anyone would like to visit the Shriners Hospital in Chicago on June 3rd, there will be bus transportation leaving from Tripoli Temple in Milwaukee at 9:30 AM. Call 414-933-4700 for a reservation, there will be tours, food, a program, entertainment and "the world's shortest parade!"

It was decided that we will once again sponsor the Fashion Show Luncheon on the first Saturday in September, which is the 8th. We are having a special meeting to plan this on June 4th. Hopefully many of us, both Ajeb and Beja ladies can come and help, as we would greatly appreciate it!! After the meeting we will go to lunch of course! Call Bonnie Kohn and let her know. Tel. 920-746-9362, or her co-chair Mary Habeck at 920-619-4431. Please keep in mind we will need a couple Nobles to help us set up on that Friday before the fashion show and we need you men to be our servers as well!! You always make it so much more fun!! Thank you.

On June 23rd Princess Fran Bagley, P.Q. Bonnie Kohn, P.Q. Ruthann Christensen and myself will be driving to Cincinnati for the Supreme Session. Since we will not have a session in June, our next session will be July 18th. We will have committee meetings at 10:00am and lunch at 1951 West before our session at 1:00pm.

Everyone enjoy these warm summer days and stay well.

A Challenge For You!

This year we will be challenging everyone involved with the Ajeb and Beja Temples!! One day a quarter (4 times a year) we pick our handicap, and go through the day as a shadow experience of our Shriner's kids. Put on a pair of mittens and go through the whole day with mittens just like "Our kids" have protective burn bandages and mittens. Or.. put one hand in your pocket for the whole day, just using one hand, such as many of "our kids" do daily. Or... don't speak for one day, such as our cleft pallet kids .

After your " experience" purchase a Now Certificate or a Stepping Stone To Happiness Certificate for yourself to give as a gift for someone in their name on a birthday, holiday or a thinking of you gift for some one special, this \$25.00 will go to help a child and you can tell your recipients what it represents.

Send the check payable to:

Ajeb Temple
Mail to our recorder:

Thank you, have fun and share your experience with us!

We are finally enjoying the weather that are lovely Wisconsin climate offers. The change is always a refreshing thing. It reminds us of the changes that go on in our youth group.

Green Bay Chapter Order of DeMolay has several events planned for this summer. They will be helping out at Grand Commandery this month. They will also be planning a fun weekend at Oatmeal Lake at The Butler Retreat Center.

Bethel 32 Job's Daughters also has several events planned for the summer. They are also initiating new members at their meetings. They also have gained new leadership in the state. The Grand Sessions for Grand Guardian Council was held in Appleton in May.

As always I encourage you to attend a meeting. Or help the youth in anyway you can. Be that supporting them in a fundraiser. Thank you for all your help and support.

At the 2017 Imperial session, Imperial Sir Gary Bergenske challenged all temples to meet or exceed the highest number of creations made in the past five years before the 2018 Imperial session. Beja's magic number was 14 and as of April 30th, we have met that goal. Beja is one of only thirty temples who achieved the goal so far. Congratulations, Beja Nobles!

President: Noble Bob Dionne, Beja
Executive VP: Noble Ross Borchardt, Beja

KUDOS, KUDOS, KUDOS, to all the Northwoods Shrine Club members who participated in selling the sixteen hundred bags of Vadalía Onions that were delivered to us from Vadalía, GA. via Semi. This is one hundred bags over what we sold last year. All your hard work is truly appreciated, especially by The Shriner's Hospitals. As you know every penny we make as a Club gets donated to the hospitals, so they can buy state of the art wheel chairs, the latest technology in x-ray equipment, etc. Special thanks goes to our President Bob Dionne and Noble Ross Borchardt for appearing on TV, Station WJFW's (Rhineland) "Up North at 4 program" expounding on what we do as a Shrine Club in the north woods, and also giving a plug for the up-coming onion sale. This was excellent P.R. for our Shrine. Also a special thanks goes to all those who ordered, received, and loaded the onions into our member's vehicles at the Miller Beer Distribution Center in Eagle River.

SUMMER PARADES: The Northwoods Jacks and Shrine Club will again need our Nobles to participate in the various north woods parades. We may not have our logging wheels repaired in time, however we will still have a float and decorated vehicles in the parades. More will be discussed at our next meeting.

PICNIC TIME: It's time to start planning to attend the Annual Northwoods S.C. picnic, on Saturday, July 21st, to be held at Riverside Park in Eagle River. We will need dishes to pass. This will be discussed at our June meeting and E-Mails will go out before hand as a reminder.

Our next regular dinner meeting will be held on Thursday, June 21st, at the Rhineland Cafe & Pub, 33 North Brown St., Rhineland. Camels milk at 5:30 P.M. and dinner at 6:30 P.M.. REMEMBER, it is mandatory that you call Bill Jacobs, 715-891-5574, or E-mail him at promusky@live.com with your reservations, allowing at least three days of advanced notice. As always we extend a warm welcome to all visiting Nobles and their guests to our meetings. Just notify Bill Jacobs of your desire to attend.

Fraternally,
Noble Lawrence R. Mueller, Past President.

Shriners International has renamed the corporate public relations department to more accurately reflect the work being done. The corporate PR department is now the Marketing and Communications department, and our new Chief Communications and Marketing Officer is Mel Bower.

Mel comes to the Shriners family with a great deal of expertise. Most recently, he worked as Corporate Director of Marketing and Communications at Southern Illinois Healthcare, where he and his team helped increase the market share and implemented a digital overhaul. Most notably, SIH partnered with about seven providers when Mel started working there. Upon his departure, SIH partnered with upwards of 200 providers. Mel has a master's degree in public relations and a bachelor's in organic communications from Southern Illinois University. He also possesses a master of divinity degree from Gardner Webb University.

Mel is married to his wife, Ellen, of nearly ten years. They have a four year-old-son named Brennan and are enthusiastic about joining the SHC Family. As a former SHC - St. Louis patient, the Shriners system holds a distinctive place in Mel's heart.

"I have a special appreciation and a great deal of gratitude for the organization," Mel said. "In this new role, I hope to work together to synchronize our resources and more effectively tell our story while expanding our mission."

We are extremely excited to have Mel as part of our excellent and hardworking team. Welcome back to the Shrine Family, Mel!

Fraternally,
Gary Fehl, Public Relations

Nursing and laboratory professionals use the latest technology with patients

Patients who require lab work or IVs at our hospital may notice new high tech machines to help locate their veins. The Chicago Shriners Hospital recently added AccuVein vein visualization technology.

The two devices, nicknamed "Vinnie" and "Vito", can aid health care professionals in finding a good vein for venipuncture. To use them, staff hold the device above the skin, turn on the AccuVein machine and the veins are illuminated in a red light for IV placements and blood draws.

This device can be helpful for patients like Yadira who have a brittle bone disorder called osteogenesis imperfecta. When these patients come to the hospital for infusion therapy, they require a tourniquet that is looser than for patients with typical bones.
