Here are some thoughts that surface on my desk recently. They offer some profound insights and deep meaning for living our lives, and for being a viable Fraternal organization where friendships are enabled and sees itself as being Love to the Rescue, "Helping Kids defy the odds."

* Deceased

1. Prayer is not a "spare wheel" that you pull out when in trouble. It is a "steering wheel" that directs the right path for living life while alive.
2. Why is a car's windshield so large and the rearview mirror so small? It is because our past is not as important as our future. So look ahead and move on.
3. Friendship is like a book. It takes a few seconds to burn, but years to write.
4. All things in life are temporary. If they are going well, enjoy it, they will not last forever. If they are going wrong, don't worry, they can't last long either.
5. Old friends are gold! New friends are diamonds! If you get a diamond, don't forget the gold! Because to hold a diamond, you need a base of gold.
6. Often when we lose hope and think this is the end, God smiles from above and says, "Relax, beloved, it is just a bend, not the end."
7. When God solves your problems, you have faith in his abilities; when God doesn't solve your problems, He has faith in your abilities.
8. A blind person asked St. Anthony: "Can there be anything worse than losing eyesight?" He replied, "Yes, losing your vision."
9. When you pray for others, God listens to you and blesses them, and sometimes, when you are safe and happy, remember that someone has prayed for you.
10. Worrying does not take away tomorrow's troubles; it takes away today's peace.

One further insight: Life is like a coin, you can spend it anyway you wish, but you can spend it only once. As the Nobles lives being Love to the Rescue. There can be no better investment.

Yours in the faith, Rev. Myron E. Christensen

Greetings Nobles,
 What a great attendance for our February, Love to the Rescue meeting. A big thank you to Mark Niederpruem, Administrator for our Chicago Hospital for his presentation about our patients and the care we give. He also gave us some updates about our Chicago Hospital. Julie's Café did a wonderful job

with our February meal and the many compliments on the meal were appreciated.

February is Retention Month for Shriners International and Beja is doing its part by reaching out to Nobles who have been suspended. Gary Fehl emailed the following message through our eBugler on February 5, "The Beja Divan has agreed to waive the reinstatement fee (\$70) for any suspended Noble if he were to petition for restoration during the month of February 2020. He would only have to pay the 2020 dues, \$89.00. If you know a Noble that has been suspended from membership, please reach out to him and see if he would like to rejoin Beja and join you in the FUN of being a Shriner." Please make every effort to reach out to your former fellow Nobles and let's get them back into Beja and have Fun Helping Kids.

Winter MSA was held in Regina, Saskatchewan Feb 6-8. Beja had 6 representatives attend the session and I would like to thank ILL Sir Rick Kingstad of Tripoli Shrine and the Nobles who drove up with us, which made the long drive more enjoyable.

Our Spring Ceremonial is just over a month away. March 14th is the date and our very own Myron "Myke" Christensen will be our Class Honoree. We only have a couple candidates but as always, we are looking for more. Let's go out and get the Novice.

As Beja is looking for more ways to raise money, consider signing up for the Resch Center opportunities. Beja Shriners, family, and friends can assist Beja in raising funds to fund our programs by working a refreshment stand at the Resch Center for selected events. We have worked a couple events already with great success and we have many more opportunities coming up. The dress is black pants and they will provide a PMI shirt for you to wear. Make sure to read your eBugler for updates. Gary Fehl had informed us that only 28% of the recipients

Continued in next column

actually open the email. Take the time to read your emails as many things will be coming up in the near future.

Please plan on attending the March meeting celebrating St. Patty's Day. We will have corned beef and cabbage with carrots, potatoes, lettuce, rolls and dessert. Please wear your favorite St. Patty's Day colors.

The Spring Ceremonial is on March 14th. Ladies will leave Beja around 9:00am. The Ladies will be going to Green Bay Distillery for 9:30am. Beja Connections

Social Media

The Beja Divan has recently adopted Beja Policy #17, Social Media. The policy will be found on our website and linked in the eBugler in the near future. It will also be published in the next printed Bugler.

A few points to remember...

When we don the red Fez of a Shriner, we are symbolically tying around our waist the white lambskin apron of a Master Mason. We heard these words when we became Shriners and we must remember this when posting on social media. As a rule of thumb, never resort to name calling or posting something you wouldn't say in front of your mother, wife or daughter.

Our words and actions in public generate the public's impression of Shriners and Masons. We want to ensure that the image portrayed is the right image and does not bring discredit upon either body.

Shrine Masons must conduct their social media activities in a way that reflects membership in the fraternity, acting in a way that presents a positive image; avoiding private piques and quarrels; being cautious in behavior; courteous to our Brethren and to promote the general good and to preserve the reputation of the fraternity.

Shrine Masons must be aware that postings are a permanent record; and therefore, an individual's conduct may influence the world with a positive or negative image about the individual and also about Shriners and Freemasonry. Postings and actions on the various social media outlets should reflect the highest standards of morality and integrity.

Postings should not bring discredit to Shriners International, Shriners Hospitals for Children®, or Freemasonry nor should they fit within the definition of conduct unbecoming. Conduct contrary to the accepted and customary rule of right and duty between Shriners and Freemasons or to society in general, is improper.

*Fraternally,
Gary Fehl, Public Relations*

CONSIDER ADVERTISING!

Shriners! If you own a business your company should consider advertising in the Beja Bugler.

It reaches all Beja Nobles in the state and we offer very attractive rates.

If interested, contact Ann in the Beja office, (920) 498-1985, or email bejashrine@new.rr.com.

CIRCUS TIME

There is roughly two and half months before the Beja Shrine Circus. We are making history as we begin a new venue for the 2020 Circus. As the Brown County Memorial Arena is no longer we have been forced to move to the larger Resch Center. The Resch provides us with many opportunities including more seating allowing us to reduce the number of performance days, we will have two days rather than three days. We move from the first weekend in March to May eliminating the possibility of snow and the kids are still in school. Our challenge: things will be different so we will need all Shriners and Ladies to be available to assist with the May 2nd and 3rd dates.

Two very important things are currently required:

1. please purchase your Noble tickets
2. sell an ad for the Circus program

The money earned from each project stays with Beja to assist with our 2020 budget. All previous ad sellers should now have your sales packets and new sellers can receive a packet by asking Ann for one. We should be looking at April 1st as a completion date for selling and that will give us the month of April in preparation and printing of the book. Selling ads is really not that difficult and remember it all goes to your Shrine.

Please note all Noble tickets are General admission (value adult \$20. and child \$16.) and can be upgraded to reserve for a small additional charge ahead of time. Let's all talk up the Circus and be prepared to assist in the effort. Thank you

A biographical sketch of Myron E. Christensen BEJA SPRING CEREMONIAL 2020

* I was born May 21st, 1931 at Marshfield, WI. I am the first of three children born to Oscar and Gertrude Christensen. In these first months I acquired the nickname which is still use, "Myke" (the spelling is my choice). I grew up on a farm in the Cary Bluff area, south of Marshfield until I was jusy over 9 years old. Then my family moved to Beloit, WI.

I graduated from the Beloit Senior High School in 1949, where I met the love of my life Ruthann. In August of 1949 I enlisted in the United States Navy, serving for three years. The Korean War added nine months to that tour of duty. I worked as an electronic technician in the Navy.

Honorably discharged from the Navy in May of 1953 I returned home to marry Ruthann Kelley (from Edgerton, WI,) on May 31st, 1953. Ruthann and I have three sons and one daughter; seven grandsons and one granddaughter; six great granddaughters and four great grandsons.

I attended college at Milton College, Milton, WI. In September of 1953. I graduated from Milton College in May of 1957 with a Bachelor of Science, Cum Laude, degree. During the first three years of college I worked the second shift at the Fischer Body Plant in Janesville (making Chevrolet bodies) while carrying a full course of load at school. In my senior year I began (July 1956) serving two churches, the La Grange and Adams Methodist Churches in the East Wisconsin Conference.

I continued to serve churches as a student pastor as I finished college and went through my seminary training at Garrett-Evangelical Theological Seminary in Evanston, IL. I entered Garrett (today referred to a GETS) in the fall of 1957 and graduated in 1963 with a Master of Divinity degree.

In the years of serving churches as an ordained pastor, I served 10 different appointments, five of them had two churches (total churches served was 15). I retired July 1, 1996. In my 24th year of retirement I am in my 12th year of working with the Methodist Church in Mattoon, a small congregation that wants to stay open.

Masonic history:

- Initiated in Clintonville Lodge 3/8/71 (Masons in the Marion church "encouraged" me to join.)
- Passed 4/14/72, Raised 9/25/72
- Joined York Rite 1999, Initiated in Beja 1999
- In 2004 PP Dennis Korth appointed me Chaplain to finish out the term of John Lyford (October - December), Bill Wenzzell appointed me Chaplain for 2005. I have been Chaplain ever since
- Joined Scottish Rite 2002 I became a member of Inter City Shrine Club, Member of the Krazy Kops, Member of Shawano Shrine Club
- Grand Chaplain of Royal and Select Master 2001-2002 and have been the Grand Chaplain of Royal and Select Master at least 6 times
- Ruthann and I joined Eastern Star 9/18/73

I have been active in lodges in those communities where Masons were active in the church and in the lodge. There never were scheduled meetings causing conflict between the church and the lodge in those communities.

Fraternally, Myke

Help Make A Difference In Style!!

My project for this year is for the Wheelchair Fund for Shriners Healthcare for Children, Twin Cities.

Each of us wants to make a real difference in the lives of the children who depend on Shriners Hospitals. Having a proper wheelchair can open up so many new experiences for a child.

As you may know wheelchairs are not covered by most insurance companies and the fund provides assistance to families in need of them for our Kids.

All the money from the sales of ILL Sir Jim's Challenge Coins and Ties and matching scarves will be donated to the Wheelchair Fund at our Parade to Glory during November's meeting. I will also have items to auction off at the closed meetings with the Ladies and likewise all monies made will be donated to the wheelchair fund.

Thank you for your support for a great cause.

Ties \$30
Scarves \$25
Challenge Coin \$20

News from Shriners Hospital Chicago

Shriners Hospitals for Children

To all Nobles, Ladies of the Shrine and all Beja friends.
I am writing this while sitting in my living room watching the Super Bowl and thinking they are missing the Packers.

Here are some interesting stats and information from your Chicago Hospital:

We have hired a new Orthopedic Surgeon to build up the team.

Terri Aiello has been hired as the new Director of Patient Care Services/Nurse Executive. Ms. Aiello has been with SHC-Chicago for many years and has been very instrumental in our continued growth and progress.

Last year our physician liaisons had 1,329 face-to-face visits with pediatric medical staffs in the local area to let them know what we do at SHC-Chicago. This is a great way to get our name out in the medical community and tell them what we can do to augment their pediatric program. And it is working, we are getting new patient referrals as a result of this program.

Currently there are 142 pending requests for international care from 50 countries. We are working with Headquarters to provide care to these requests.

We had 555 new admissions last year.

Everyone should have an elevator speech ready to talk about our healthcare system. SHC now prefers to place the emphasis on "we have treated over 1.4 million kids", rather on how many 'hospitals' we have.

Hospital Day at SHC-Chicago is Sunday, June 7, 2020. The program will begin at noon, tours will be offered prior to the program. Let's make this a big day with many Beja Shriners and Ladies in attendance.

Helping kids have a better life,

Dear Ladies of the Household, Nobles & Friends,

I'm writing this on 2/9 – and the snow keeps coming down! Hopefully by the time you are reading this we are beginning to think Spring!

Please take your 2020 calendar and mark the dates of all our Ajeb sessions; make them a priority beginning with March 18th. We will, of course, be having elections. What an exciting and important time for us!

Nine of us have registered to attend at least part of Supreme Session in Minneapolis this June. PQ Ruthann is chairman of the Ladies Luncheon on Thursday, so we definitely want to show our support for Ruthann and Supreme Queen Elect Heather – two great Ladies!

Hope you are all doing well. Need our prayers? Give me a call or send an e-mail. We want to support each other!
