THE POTENTATE'S MESSAGE

Welcome to February, I have been re-elected to be the Potentate of Beja Shrine for 2026. My hope is to increase our membership and with your help we will succeed. If each Noble or Lady talks to someone and let them know the benefits of Shrine and what we do. How we help kids with malformations, burns cleft palettes, Spina Bifida. Let them know what our doctors are capable of doing to help these kids lead a more normal life.

Like our PP Scott Maxon, I'm inviting all the Clubs and Units the opportunity to earn money for their members. Last year the Clubs and Units earned close to \$3000 doing the monthly meals. This was a great fundraiser because each club brought something different for the members to eat. From a simple meal to a full plated meal. Each club will earn the money from moneys collected that evening, minus \$2.00 per plate which will go to DeMolay, our future Nobles. If you are interested please contact me and let me know which month you'd like to serve dinner. I need clubs for March, May, October & December. Our meal for the February meeting will be Chicken & Tips, Mashed Potatoes, Vegetable, rolls & a dessert. \$20/person.

Also, I would like to note, due to a lack of reservations, the Lady & the Tramp Valentine Dinner has been cancelled.

Lastly I wish to say that I am not here to divide the members, I am here to bring us together and have fun. I am available to any Noble or Lady that would like to talk about what is happening at Beja Shrine.

BUILDING FOR THE FUTURE!

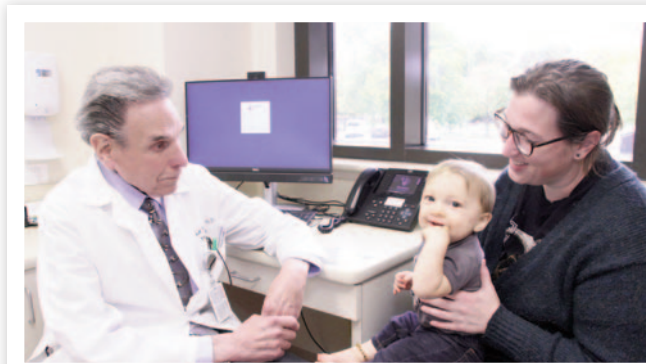

\$1M endowment to support SCC's craniofacial care

A generous donor created a new \$1 million endowment for Shriners Children's Chicago's nationally recognized care program for children with cleft lip and palate, and other craniofacial syndromes and conditions of the head, face and neck. The endowment's donor wishes to remain anonymous, but their impact will make a lasting difference for many families.

Shriners Chicago has earned

distinctions for cleft lip and palate and craniofacial care as an approved team in both from the American Cleft Palate Craniofacial Association. Up to 12 specialists see a child with cleft lip/palate during team visits.

The Chicago location's team of nine pediatric plastic surgeons

performed nearly 400 surgical procedures in 2024. They also manage an annual outreach program in Puerto Rico, performing surgical treatment on the island.

MEMBERSHIP

is the Best Value

Membership – You Belong Here

January reminded us of an important truth about our fraternity: membership is always moving—sometimes forward with new beginnings, sometimes paused as we honor those who have laid down their working tools. This past month, we proudly welcomed a new Noble into Beja, while also saying farewell to two Brothers who have been called from our labors. We honor their lives, their service, and the legacy they leave behind.

At the same time, we are reminded why our approach to membership matters.

At Beja, we believe membership isn't about recruiting—it's about **belonging**. Men don't join because they're handed a petition. They join because they experience fellowship, purpose, and connection. They join because, at some point, they realize: **I belong here.**

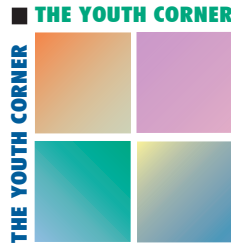

That's why February and March present such an important opportunity. Both months feature open meetings, offering a relaxed, welcoming environment for friends, family members, and prospective Nobles to see what the Shrine is truly about. Open meetings aren't formal presentations or sales pitches—they're moments of real fellowship. Laughter around a table. Conversations that matter. A chance for good men to see good men doing good things.

If you have a friend who's ever been curious about the Shrine, this is the perfect time to invite him along. No pressure. No expectations. Just an open door and an open seat.

Membership grows when men feel welcomed, valued, and included. And every Noble plays a role in that—by showing up, by engaging, and by extending a simple invitation.

As we move through the early months of 2026, let's continue to honor our past, celebrate new beginnings, and most importantly, remind others—through our actions—that **you belong here.**

The Youth ADVENTURES

I hope everyone is finally enjoying the start of a new year. As I've said before, sometimes writing these articles and where they're timed out is sometimes confusing. As we start the second month of this year. We start getting back into the normal groove of everything after all of the holidays.

Green Bay Chapter Order of DeMolay would like to start by saying thank you again to Beja Shrine for the opportunity to serve for the dinners. They will be looking to add new members this year and be changing up the officers list. Please look for their announcements for new events and activities.

Bethel 32 Jobs Daughters is also looking to make some changes and add a new advisor and new members. Please reach out to them and help them in anyway you can.

Thank you again for supporting the youth. If that is just by participating in a fundraiser or offering suggestions and your time. Thank you.

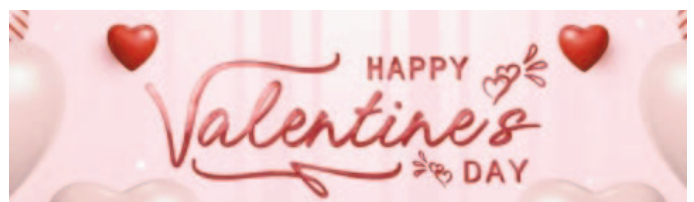

Fraternally, Charles Clarage
Youth Committee Chairman

Clarifying Roles. Strengthening Care. Moving Forward Together.

Shriners Children's continues to evolve to ensure we provide the very best care to more children, in the right places, with greater value—always guided by **Vision 2035**. Recent updates to Shriners Children's rules and regulations help clarify how that work happens by more clearly defining the roles of governance and management across our healthcare system.

In successful healthcare organizations, boards focus on governance—setting direction, establishing policy, and ensuring accountability—while management teams lead day-to-day operations. Shriners Children's is unique because of the deep personal commitment our fraternity brings to the mission, and these clarifications are designed to strengthen that partnership, not diminish it.

Under the updated structure, local Boards of Governors continue to provide governance for their hospitals, while operational leadership is handled by Shriners Children's professional staff. This clarity allows each group to focus on what it does best, working together in support of our shared mission.

As part of this alignment, Shriners Children's is transitioning to a regional structure across three regions—East, Central, and West—to enhance coordination and consistency across the system.

Leadership Updates

Shriners Children's recently announced that Craig McGhee, who has been serving as Administrator for Shriners Children's Chicago, has accepted a promotion to Regional Administrator – West Region, effective immediately. Craig's leadership in Chicago—combined with his clinical background and experience across multiple Shriners Children's locations—made him well suited for this expanded role.

Nobles can take pride in knowing that leadership developed here is now helping shape the future of Shriners Children's across the West.

To ensure continuity, Matt Lucas has been appointed Interim Administrator for Shriners Children's Chicago. Matt will work closely with the Chicago leadership team to keep the hospital focused on its 2026 goals in support of Vision

2035, with Craig continuing to provide support during the transition.

What This Means for Chicago

For patients, families, staff, and our fraternity, the mission remains unchanged: providing the most amazing care anywhere. These changes are about clarity, collaboration, and long-term strength—ensuring Shriners Children's Chicago remains well positioned to serve children and families now and into the future.

We are grateful to our Board of Governors, fraternity members, hospital leaders, and staff for their continued dedication. Together, we are changing lives—and helping children reach for their dreams.

Ben Rodgers, PP – Board Member, SC-Chicago

Jay Andres – Associate Member, SC-Chicago

A Note From Trustees

Nobles and Ladies,

The Trustees are updating the Donor Board in the entrance of the Shrine Center. We are asking for assistance from everyone. If you know of someone or a group that has made a significant money donation to the improvement of our Shrine Center such as NEW Masonic Center contributing to the cost of the carpeting, or Washington Lodge covering the cost of the new sign, Please notify Jeff Andersen, our Building Manager so he can include them in the Donor Board. We want to acknowledge our donors so that they can be properly recognized.

The Trustees have also purchased additional security cameras that are being installed in locations that will allow camera monitoring throughout the building and around the unit building. Your safety is important to us.

BEJA SPORTSMAN'S NIGHT

Nobles, Ladies and Friends,

Last year with your help, we hosted over 120 guests and 30 volunteers for our wonderful event, our annual Beja Sportsman's Night. Providing \$25,000 to the Beja operation fund. We also sponsored 20 fishing poles to a youth fishing event and an award-winning tree at the Beja Festival of Trees.

This year's event planning is underway. In fact, we are sold out of sponsored tables and have some individual seats left for sale. **This year's event is on Friday, March 6th at the Beja Shrine Center. Doors open at 5:00 for VIP entry. The event runs until 9:00pm.**

Even if you can't volunteer, you can still make our event a success. Donate an item for our silent auction new or slightly used we can make money off of it. If you don't have an item for the silent auction, consider donating a bottle of booze or a bottle of wine, we used these to make baskets to auction off. Please bring your items to Beja by the February open meeting.

I have had a number of people already volunteering but I'm sending this out **as our official request for volunteers.** **Volunteers** need to arrive at the Shrine Center by 4:00pm. I also have some later shifts for those not available at 4:00pm. These start at 7:00pm or later helping clean up after the event is over.

As a volunteer you can enjoy our VIP appetizers, drinks at the bar, purchase tickets for all raffles, our silent auction and enjoy the evening with our guests. All we ask of you is to man your assignments as our guest enjoy the fun. We have jobs for all levels of ability and physical ability. Each area has two volunteers so you can cover for each other. Many volunteer spots are finished by 7:30pm should you want to head home.

Volunteers can also purchase an event Beja cash card for \$150 which is worth \$200 of raffle money for the evening. We also have super saver packets which include tickets for 5 specific raffles worth \$100 for \$80.

Also, for all Volunteers and their guest, we will be holding a Sportsmen's Night **Volunteer recognition dinner on Friday, March 13th at 5:00pm.** This will include dinner, games and prizes a cash bar will be available.

If you are interested in volunteering or know of someone who is interested. Please feel free to call me if you have any questions.

Call or text Gene to become a volunteer (920) 585-0994.

Thanks in advance for considering helping out.

150 Years of Fun and Fellowship

The history of Shriners International is the story of individuals who came together in the spirit of fun and fellowship, who would lay the foundation for a worldwide fraternity and establish a globally recognized pediatric specialty health care system.

In 1870, a group of 13 Masons would regularly meet at the Knickerbocker Cottage in New York City. Often, discussion turned to forming a new fraternity for Masons, based on the tenets of Freemasonry but with the added elements of fun and fellowship.

Walter Fleming, M.D., and Billy Florence, an actor, were among the members of the group. Florence had been on tour in Europe and attended a party given by an Arabian diplomat. The exotic style, flavors and music of the Arabian-themed party led Florence to suggest this as the theme of the new fraternity, while Dr. Fleming and other members of the group then drafted the ritual, designed the emblem and costumes, formulated a salutation and declared that members would wear the red fez. The name of this new fraternity was the Ancient Arabic Order of the Nobles of the Mystic Shrine.

While the fraternity's first official meeting was in 1871 at the Knickerbocker Cottage, a meeting in 1872 established the first chapter, Mecca Shriners, on September 26. Today, there are more than 195 chapters in countries around the world.

Founded as the Ancient Arabic Order of the Nobles of the Mystic Shrine, the organization has grown and evolved over the decades. In the late 1900s to early 2000s, the fraternity was referred to as Shriners of North America, given that chapters were in the U.S. and Canada. In 2010, a resolution was passed to replace the name with Shriners International, reflecting the fraternity's worldwide presence.
