Greetings! As we go through the month of February with warm temperatures, we are grateful for our friendships made through the Shriners. First, I would like to give a large thank you to Dawn and Gene Reece for stepping in to make the February dinner. It was well done, and their experience in the kitchen was most welcome. Scott Maxon did a great job of filling in for my husband (who was home not feeling well).

We are all working together for a common goal, helping kids through fun and fellowship. We will look forward to many more gatherings at Beja.

*Sincerely, Elizabeth Melchert*

## THE POTENTATE'S MESSAGE

Nobles, Ladies, Family and Friends of Beja, starting the 2024 year Lady Elizabeth and I have been busy and we could not have done it without you. The Beja Shrine Family. Thank you for Rocking the Fez with us!

Our 2024-year meeting play-book is full of fun activities such as a guessing game, throwing darts, card playing and shaking

dice, We invite all of you to play along, show that Shriner smile and have fun supporting the kids all year long. So, what is your number one reason for being a Shriner Noble or Lady Shriner?

Here is our recap of our January Beja Shrine happenings.

1. Thank you, 2013 P.P. John Sage. John stepped up and reserved the shelter at Bay Beach for our **Beja Shrine - Bay Beach Party** held on August 17th, 2024.

2. January 8th The **Beja Circus Committee** met with PMI / Resch Center on preparing for the 2024 year. Thank you, 2004 P.P. Dennis Korth and 2009 P.P. Brad Ottum. You guys really Rock the Fez! Last year's Circus brought in **\$39,000 to the Beja Shrine**.

3. January 11th, we met with **Bobby Allen Entertainment** at Beja as we prepare for our February 7th open meeting. Thank you, A.R. Tim & Lady Joy Thiers.

4. January 17th The **P.P. Dr. John Ottum Memorial Golf Committee met at the Beja Shrine**. Get into your golf swing, prepare a foursome and join us for the fun and fellowship. Thank you, Chairman Noble Don Borowicz, for your guidance and dedication. Committee Members include 2009 P.P. Brad Ottum, 2013 P.P. John Sage, 2022 P.P. John Van Lanen, Ann Mumm, Noble Dean Oscarson, Illustrious Sir Tom.

5. The January 21st **Green Bay Gamblers Game** was a huge success. We received many positive comments from the fans on what we do as Shriners. We also handed out 200 foam stress Hockey Pucks to the fans that had our information on it. I rode the Zamboni and that was extra special as the Beja Shriner name came across the scoreboard. Thank you to the 40 people who attended for the fun and fellowship. Rocking the Fez! First and ten let's do it again?

6. The good folks at Imperial offered (for a price) and shipped a box full of football swag for our February 1st **East / West Shrine Game Watch Party**. Thank you - A.R.

Tim & Joy Thiers, Noble Nic Schuh & 2022 P.P. John Van Lanen for Rocking the Fez! Also, thank you Imperial for making such an offer to all the Shrine Temples!

7. **Kelly Miller Director of Philanthropy** at the Chicago Hospital stopped in at Beja to say Hello. Kelly is vibrant, dedicated and an awesome spokesperson for the Chicago Hospital. Thank you, Kelly, for all that you do! It is greatly appreciated.

8. January 28th - February 1st, It was fun attending the East/West Football Shrine Bowl game along with 2004 P.P. Dennis Korth, Noble Lyle Buettner & Lady Beth. We had a nice time speaking with past Imperial Potentates Sir James Smith 2021, & Sir Kenny Craven 2023. Thank you, Imperial, for all that you do! Keep Rocking the Fez!

**April - Start thinking Timber Rattler and G.B. Rocker baseball!**

**May 4th & 5th** Prepare to volunteer for the Beja Shrine Circus being held at the Resch Center. Last year the Circus donated \$39,000 to Beja! Thank you - now that's Rocking the Fez! Nobles and Ladies did you know by purchasing your Noble Circus tickets, you have the option of reselling them individually to family, friends and neighbors to support the Beja Shrine and did you know: If 300 Nobles purchased their book of 8 tickets that would equal to a \$24,000 profit to the Beja Shrine. So, I challenge you to this: If we get 300 Nobles or 300 books of 8 sold, we will have a special celebration for achieving the \$24,000 profit. Now that's Rocking the Fez!

Relax, Smile, Having Fun Helping Kids.  
Thank you, Beja, for supporting these events!

# The Chaplain's CORNER

Happy March Nobles:

BEJA Shriners, Ladies, families, and friends, I pray this message finds you all doing well. Being involved in the Shriners, means we are blessed with our noble cause of changing and improving lives. This work is best accomplished with purity of heart and love for our fellow man.

Please consider what these words mean in your heart and mind. Reach out to those who you feel you may not have enough lately and just say hi. You'll be amazed how much better you'll feel afterwards.

March is an eventful month in which we are reminded of Easter (March 31st). "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." (John 3:16)

Other notable events in March include and are not limited to: Palm Sunday (24th), Ramadan (11th), Holi (25th), St. Patrick's Day (17th), The Ides of March (15th), Good Friday (29th), and March Madness!

The Ides of March is the 74th day in the Roman calendar, corresponding to March 15th. It was marked by several religious observances and was a deadline for settling debts in Rome. In 44 BC, it became notorious as the date of the assassination of Julius Caesar, which made the Ides of March a turning point in Roman history.

On a lighter note, March Madness (a 68-team single elimination NCAA Division I basketball tournament) offers yet another opportunity for fellowship. (Ask our Illustrious Sir, Thomas Pflugardt, for information on picking your brackets)

Here is the schedule for March Madness, 2024, which begins with Selection Sunday on March 17, 2024:

Selection Sunday: .....Sunday, March 17  
 First Four .....March 19-20  
 First round .....March 21-22  
 Second round .....March 23-24  
 Sweet 16 .....March 28-29  
 Elite Eight .....March 30-31  
 Final Four .....Saturday, April 6  
 at State Farm Stadium in Glendale, Arizona.  
 NCAA championship game .....Monday, April 8  
 at State Farm Stadium in Glendale, Arizona.

Let's "ROCK THE FEZ" this month!

We Pray:

Supreme Architect of the Universe, we thank You for the beautiful gift of Your one and only son. We pray for Your help in sustaining and growing our relationships so that we may always be surrounded by mercy, love and peace. Send us Your spirit of joy and understanding so we may always work together to create a robust and lasting bond.

"Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead." (1 Peter 1: 1-3, NIV).

AMEN

On Sunday, we decided to check on the jail to prepare for parade season. As we neared Dave's barn, we heard music playing. The jail was keeping time as Dave was leading the group with the oil dipstick waving.

Sitting on the hood was a mouse doing it's own thing. Well at the sight, or should I say the sound, all I could understand was that the parade season is near Hooray, Hooray!! See you on the parade route.

Hey! Many people actively participate in numerous necessary plans to bring the circus to Northeast Wisconsin. To those hard-working people "THANK YOU." Much has been done, but much more is required before May 4 & 5, 2024.

In keeping with Potentate Pflugardt's saying "Doing more in 2024" Beja makes changes. Beja with the Resch Center PMI's assistance are doing circus promotions. All profits benefit Beja.

Come, have fun! Everyone please sign up for some hours to work two circus days.

#### Two money makers everyone can participate:

1. Purchase your Noble tickets as soon as you get them.
2. Sell 3 or more quarter page ads or larger ads for our circus program. Ann can supply you with a packet that contains all the details and easy instructions. Remember, your Club or Unit receives 15% of your sales results.

Please, we do need everyone's help in these areas. All Adult Noble tickets allow a child to a free circus entrance with a Bogo ticket. We are ready. We have 40,000 Bogo tickets to deliver to schools and businesses through out Northeast Wisconsin. **More ticket delivery drivers volunteers are needed.** Call the Beja office to volunteer (920) 498-1985.

A new 2024 change. Beja is mailing donation request letters to businesses asking for assistance in providing happy kids our high-quality family experience. In short, as our Potentate might say "we are looking for lots of Nobles and Ladies to step up to the "plate" for a successful circus. Step up you are needed. Let's make a great circus!

### Why Your Membership Program Probably Won't Work

Yesterday I was asked by a friend to provide some material so they could do a short presentation on the value of building relationships with business customers. The lesson they were to provide was that positive relationships built by a business's employees with customers will create a satisfied, long-term customer.

As I was searching my library, (there is tons of stuff on this subject), I begin to think about the three words the Masonic fraternity uses and refers to as "Membership," Recruitment, Retention, and Restoration.

We have all witnessed a membership program initiated to bring in new members, so it focuses on recruitment. The cry is, "we have to work on membership" or a newly installed officer will say, "my focus this year will be on membership." Some of these recruitment rallying cries have been successful, some have not.

So, much of the time when someone says, "we have to work on membership," you assume they are talking about recruitment. Some recruitment efforts may be successful in the short term, but they don't fare well in the long term.

So why don't they?

It's because they ignore, avoid, or otherwise never deal with the one thing that will make and keep a long-term, engaged member of the fraternity: focusing on building and maintaining a POSITIVE RELATIONSHIP.

By establishing a relationship with the new Mason as quickly as possible, and then nurturing and building on it over time, an almost unbreakable connection is created. Why would someone leave an organization that cares for them, provides for their needs and is

truly designed to do what we say we do – make them a better man?

Maybe we all just don't know how to establish relationships. Here is what I gave my friend.

### The Seven Bs of Relationship Building – The Fred Factor – Mark Sanborn

1. Be Real – don't try to impress someone by trying to be someone you are not.
2. Be Interested – when you are interested in people you attract appreciation.
3. Be a Better Listener – when you take an interest & listen, people, will share information you can use to create value for them.
4. Be Empathic – by carefully listening, you will better understand how a person feels. This is empathy. The need to be understood is one of the highest human needs.
5. Be Honest – say what you'll do and do what you say. Don't make promises you can't keep.
6. Be Helpful – lots of small things cumulatively make a huge difference.
7. Be Prompt – helping people save time by being prompt & efficient is a gift of great value.

If you want a successful membership program, focus on the most important R-word, Relationships.

If you do, you won't need to recruit – the good word will spread; you won't have to worry about retention – as long as you concentrate on relationship building, who would want to leave; and finally, the need to restore goes away.

Start your new membership program today – start building relationships.

Have a Great Masonic Day!

# Shriners Children's™ Chicago

In a significant leap towards enhancing patient care and overall healthcare efficiency, Shriners Children's is gearing up for the Epic Inpatient Roll-Out, scheduled for April 2025. John McFarland, CIO of Shriners Children's, along with a team from HQ and Epic, visited on Feb 1 to strengthen our collaboration and ensure a smooth integration of the Epic Inpatient system. The journey towards this milestone began in 2024, with meticulous data collection and discipline-specific workgroups collaborating to ensure a seamless transition into the Epic system.

Discipline-specific workgroups, including registered nurses (RNs), physicians, and radiology experts, have been actively involved in the preparation process. For instance, the RN group has been diligently evaluating Care Plans, setting the stage for a comprehensive and tailored implementation of the Epic Inpatient system.

Imperial Sir Mark Hartz, Chairman of the Joint Boards Building & Equipment Committee, undertook a security camera assessment in Chicago in January. This initiative aligns with our commitment to ensuring the safety of patients and staff. Contingency capital has been approved for additional lighting, fencing, and gates, underlining our commitment to providing a secure environment for all.

Planning is underway for the installation of the approved 2024 Capital Items, including crucial equipment such as Mini C-Arm, OR Corridor Doors, and MRI/CT machines.

Planning and Business Development is actively recruiting two new market physician liaisons in NW Indiana and Davenport, Iowa. These professionals will play a crucial role in developing and maintaining relationships within the physician community.

Shriners Chicago is maintaining its focus on several key areas:

- Joint Commission follow-up items
- Sterile Processing Equipment
- Operating Room Instrument Documentation
- Strategic Planning, including an Affiliation Matrix with Chicago's Strategic Planning group
- Intake Project for new and established patients,

*Continued in next column*

Shriners Children's Chicago is excited to announce the availability of the 2024 Capital Items for funding. The Donor Development team will be reaching out to individuals, temples, clubs and units for support, emphasizing the crucial role these items play in advancing healthcare services. If you are interested in donating toward a specific item, contact one of the board members. As we march towards an innovative future, the commitment to excellence, safety, and patient-centered care remains at the forefront of Shriners Children's mission.

Shriners Children's Chicago places the highest priority on welcoming new patients. If you are aware of a child who could benefit from the services provided by Shriners Children's, please encourage the child's family to reach out to Shriners Chicago directly at (773) 385-KIDS (5437) or they can call the national referral number at (800) 237-5055. ## SPEEDING TOWARD SUCCESS

### Shriners Children's Chicago helps Brady drive toward his racing dreams

The work of the Pediatric Orthotic and Prosthetic Services (POPS) team allows patients like Brady to pursue their passions regardless of obstacles along the way.

Brady, 20, can be seen racing three nights a week in stock car #64. In most ways, Brady is just like any other young adult. But when he was 3, Brady was involved in a lawnmower injury and lost part of his foot. He came to Shriners Children's Chicago as a young teen with a very bowed leg and a foot prosthesis.

Brady had surgery in 2017 when he was 13. They were able to fit Brady with a slightly larger, below-knee prosthetic, which gave him more functional options for a prosthetic foot, allowing him to do the things he enjoys, like racing.

Sweet and Ready to Eat.....

# SWEET VIDALIA ONIONS

A new year has come upon us again and it is time to start thinking about onion sales. The onions are planted and if they keep on growing like they are, they should be ready this spring. Remember, this is an agricultural product, so the availability of the onions is all dependent on Mother Nature. Onions sell in various size bags. They are delicious and if taken care of properly will last for months.

Pre-selling onions is easy to do, you can put up a flyer at a local business, your church, they sell themselves. By pre-selling you help us as well in making sure we cover your orders. Simply print this page or order form flyers are available at the Beja Office. Please contact Ann at 920-498-1985 to get yours today.

We ask that all pre-sold flyer/orders be turned in by April 1st so we can make sure we cover all our pre-sold orders. Onions not purchased through pre-sold orders will be sold on a first come first serve basis so pre-orders confirm your onion availability. Remember, when you buy a bag for yourself take 4 more to sell to your friends and neighbors. A great way to help. Remember, \$2 of every bag sold goes directly to the club or unit of your choice. If you have any questions, feel free to contact Beja (920) 498-1985.

### Shriners Children's Receives Record 15 Press Ganey Awards

Once again, Shriners Children's has been recognized as one of healthcare's standout organizations for our achievements in patient experience, employee experience, safety and quality.

Press Ganey honored Shriners Children's with a record 15 awards for 2023 – one more than in 2022 and more than the system has ever received. The awards recognize and honor data-driven advancements in healthcare.

“Our quality comes from the culture we have,” said Fran Farley, M.D., chief medical officer of Shriners Children's. “Our mission of caring for children – patients who often present the most complex and challenging conditions – attracts the kind of doctors, nurses and therapists who want to pay attention to all the details and provide the very best care.”

Nine Shriners Children's locations won a Guardian of Excellence Award®, meaning that those providers' scores on patient experience, physician and employee engagement, and clinical quality place them in the top 5% of providers across the country.

In addition, five Shriners Children's locations received a Pinnacle of Excellence Award®, which recognizes top-performing healthcare organizations for achieving and maintaining consistently high levels of excellence for three or more consecutive years in patient experience and employee/physician engagement; or, two or more consecutive years in clinical quality performance.

“Year after year, we are recognized by Press Ganey, and I believe that consistency comes from a genuine culture of caring,” said Bill Munley, administrator for the Shriners Children's Southeast market. Munley is based in Greenville, which received three Press Ganey awards.

Healthcare consultant Press Ganey works with more than 41,000 healthcare facilities. It conducts nationwide surveys of patients, physicians and other provider employees to assess their experience, satisfaction and engagement. The organization also compares the clinical quality performance of the hospitals and clinics it works with. It is these surveys and measures that the awards are based on.

### Hands-On Training

Shriners Children's Chicago nurses received hands-on training this month. Our Education and Talent Development Team reviewed the annual nursing skills competencies with our employees. These nursing competencies are important because they verify that the nurse's clinical skills use the most current guidelines for care. Clinical competence influences the well-being of patients, improves the safety and delivery of medical care, and increases the nurse's satisfaction with their work.

## MESSAGE FROM THE BEJA TREASURER

At the September stated meeting, Potentate Sylvester led a town hall style discussion on the potential need for a dues increase. At the January stated meeting, detailed financial information was distributed to the nobility followed by a general discussion led by CR Scott Maxon. The discussion revolved around several areas:

1. The last dues increase took place in 2016.
2. The Divan, Recorder and Office administrator have done well keeping costs in line except in two areas out of their control:
  - a) Since 2016, annual insurance premiums have increased by \$8,200.00.
  - b) Since 2016, annual cost of living adjustments for the office administrator has increased by \$6,500.00.
  - c) These increases cannot be offset by decreases in other areas.

At the completion of the discussion, a motion was made to increase dues by \$16.00 per year. The proposed increase would raise the Beja portion of the dues from \$49.00 to \$65.00 which is in line or lower than other Shrines in our geographic area.

To remain in compliance with our by-laws, the proposed increase could not be voted on at the January meeting causing the motion to be carried over to the April 3rd stated meeting. This will allow all the nobility to have a chance to participate in this important vote.

*Fraternally,  
Brad Ottum, P.P.*

# A Message From THE BEJA RECORDER

At the January stated meeting, a motion was made and seconded to raise the Beja portion of our annual dues by \$16. In accordance with the Beja bylaws, this motion was held over by our Potentate Jake Sylvester until the next stated meeting. In our case this item will be taken up under old business at our April closed meeting.

The vote will be taken after a period of discussion called for by our Potentate Thomas Pflugardt. The vote is a majority vote by those members present who are current on their 2024 dues and qualified to cast a vote. The vote will be conducted by a ballot as requested for by the divan when this item was discussed during their divan meeting discussing the item of dues increase.

All members of Beja will be receiving a letter by mail identifying the motion, voting process, and the information as requested by members regarding the numbers supporting the dues increase numbers. This mailed notice is required by our bylaws when proposing a dues increase to provide proper notice to all Beja members.

Please read the article from our Treasurer in this edition of our Bugler, which outlines the numbers and information which was used to base the proposal for dues increase of the Beja portion of your annual dues.

I encourage you to attend our April stated meeting and ask questions for clarification before this critical important vote.

Should you have any questions, please feel free to contact me.
