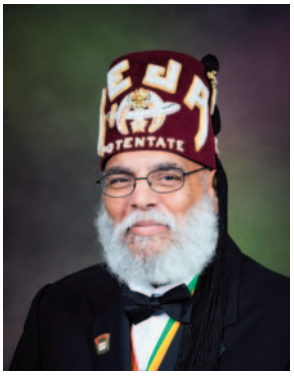
THE POTENTATE'S MESSAGE

Es Selamu Aleikum



Nobles and Ladies,
It's time to bring out the late fall and winter clothing. The leaves have changed color, the temperatures are dropping, and winter will soon be upon us. Be ready!

November brings several events that I encourage you to attend, beginning with our annual **Parade to Glory.** This is when our clubs and units present their donations to Beja Shriners and Shriners Children's hospitals and clinics. Each year, they seem to raise the bar, and I am proud of what they accomplish. Congratulations, and thank you to everyone involved!

I also want to report on our first **Burgers, Brats & Booyah (BBB)** event. I consider it a great success! Although relatively few Shriners attended, that was actually part of our goal. Blaine Goldner, Jeff Eilers, and I wanted to bring people from the community into our Shrine Center to enjoy some good food, meet us, and have a positive experience. One local business, Bergstrom, purchased food for its employees who were working that day. They appreciated what we were doing and told us they would certainly return if we held another event. We also had visitors who stayed to eat, purchased additional booyah to take home, or returned later for more.

The response was so encouraging that we decided to hold another **Drive-Thru Booyah on Saturday, November 7th!** Booyah will be available beginning at 11:00 a.m. for $10 per quart or $30 per gallon when you bring your own gallon container. We'll continue until we're sold out or darkness arrives, whichever comes first! LOL.

Preorders are appreciated. Call Ann at the Shrine office, (920) 498-1985, and please help spread the word to your friends and neighbors.

Speaking of community, Past Potentate Scott Maxon has hosted a Christmas Eve pasta luncheon for the past several years. Despite his recent knee surgery, Scott has agreed to host the event again this year.

We would also like to expand the luncheon by offering a BBQ chicken dinner to the community for a nominal fee. Our goal is to welcome individuals and families who may feel alone during the holiday season. We want them to enjoy a good meal, meet new people, and feel that they are part of our Beja family.

Continued in next column

This is another opportunity to open our doors and show the community what Beja Shriners is all about. We would appreciate your help spreading the word. More information will follow next month.

If you are unable to make it to our November meeting because you need a ride, please call a fellow Noble or give me a call. We'll make sure you get here and get home safely.

Dawn and Gene Reece are preparing a Thanksgiving dinner for everyone to enjoy. We would love to fill the room, recognize the good work our clubs and units have accomplished throughout the year, and celebrate Thanksgiving together as a family.

If you can't join us, know that you'll be with us in spirit, and I'll offer a prayer for you.

Until next month, please stay safe and take care of yourselves.

Remember, I love you all!

Fraternally yours, Ill Sir John Van Lanen

Calling Beja's Amateur Photographers!

We could use a fresh look at Beja!

We're looking for a great new photo of the Beja Shrine Center — and we'd especially like one that incorporates our Silent Messenger statue.

So, the next time you're at Beja and the light is just right, pull out your camera or phone and see what you can capture. **Have a drone? We'd love to see what Beja looks like from above, too!**

Landscape or portrait, close-up, wide angle or aerial — be creative. We'll select a favorite for use on Beja's website, in publications, on social media and in other promotional materials.

And just to make it interesting…
The photographer of the winning photo will receive a FREE dinner at a Beja meeting!

Start looking at the Shrine Center through a photographer's eye. You may see something the rest of us have been missing.

Greetings and Happy Fall!
Ajeb Temple No. 156 is back in full swing following the start of our regular sessions for the remainder of my term as Queen.

Our October stated meeting was held on Sunday, October 25, 2026, at 1:30 PM at the temple. The focus of the meeting was celebrating Founders' Day and honoring the establishment of our fraternal organization on February 20, 1913, in Seattle, Washington. Past Queens wore their uniforms as part of this day of remembrance. Today, Daughters of the Nile is an international organization with 20,000 dedicated members across the U.S., Canada, Brazil, and Bolivia supporting Shriners Children's. We welcome women of good character who are looking to make a difference in the lives of children—please contact an Ajeb member if you are interested in joining.

Members are currently organizing our **Annual Holiday Get-Together** at the 1951 Restaurant on Sunday, November 15, 2026, at 4:00 PM, immediately following our monthly stated meeting. We are creating holiday baskets for a silent auction, and all are encouraged to attend and bid to raise money for Holiday Sharing. Additionally, our Cookie Decorating event and fundraiser is scheduled for December 19, 2026. More details will be shared closer to the date.

I wish you all a festive fall season!

There's more to the fez than meets the eye.

When you see Beja Shriners at a parade, a community event, or enjoying time together, you're seeing just one part of who we are.

Behind the fellowship and fun is a commitment to helping children receive life-changing medical care through Shriners Children's.

Here in Northeast Wisconsin, Beja Shriners also help families overcome the challenges of traveling to that care through our Transportation Fund.

We have fun. We build friendships. And we make a difference.

That's what being a Shriner is all about.

Shriners Children's Care Helps Caleb Run

HIS ORTHOPEDIC AND REHABILITATION JOURNEY INCLUDED RE-LEARNING TO WALK MULTIPLE TIMES

Caleb, 13, has spastic diplegia cerebral palsy. "It happens in my legs where some of my muscles are very tight and they need to be loosened," said Caleb. "My mind is telling me that my body should be able to do something but the body's just not responding." Relatives recommended Shriners Children's team approach to CP. "From day one we left with equipment, and we left with a plan of action, and sort of like a promise that we're going to figure this out. And it's been a promise kept ever since," said Alex, Caleb's dad.

Treatment has included braces, and Botox injections and physical therapy to reduce overly tight muscles caused by CP. Caleb also had rehabilitation after advanced nerve surgery and a surgery that realigned his hips and feet. "Being able to walk again after the surgeries. It's a major milestone that all my physical therapists help me with here." Thanks to Shriners Children's care, Caleb is now able to run a mile and he recently learned to ride a bike, giving him new independence with his friends.

The Ceremonial Was Just the Beginning

The Fall Ceremonial brought new Nobles into Beja. That's something worth celebrating.

But creating a Noble is only the beginning.

Think back to when you first became a Shriner. Did you immediately know which club or unit interested you? Did you know where you could help, which activities you might enjoy, or even who everyone was?

Probably not.

Our newest Nobles bring new ideas, new interests, and new energy to Beja. They also bring something we may not have thought of yet—a different perspective on what being a Shriner can be.

Now it's up to all of us to welcome them and help them discover the opportunities available to them.

Introduce yourself. Invite a new Noble to sit with you. Tell him about your club or unit—not simply what it is, but why you enjoy being part of it. Invite him to an activity. Ask what interests him. If he wants to help, help make the connection.

A new Noble shouldn't have to spend his first year figuring out where he belongs. We can help him discover it.

And involvement doesn't have to mean another meeting on the calendar. Maybe he wants to drive a child and family to Shriners Children's. Maybe he enjoys parades, cars, golf, cooking, community events, or working behind the scenes. Maybe he has an idea for something Beja isn't doing yet.

We won't know unless we ask.

A petition brought each of these men to our door. The Ceremonial welcomed them into the fraternity. What happens next is where the fun begins.

New friendships. New experiences. New opportunities to serve our kids and our community. And perhaps some new ideas that make Beja even better.
You Belong Here isn't simply something we say to a prospective member.

It's something we show a new Noble after he becomes one.

We have new Nobles.

Continued in next column

Let's welcome them to Beja—and invite them to be part of what comes next.

Having Fun Helping Kids

Shriners Children's Chicago — Looking Toward 2035

Shriners Children's has a vision for the future built around four goals: **Best Care, More Kids, More Value and Right Places.** At Shriners Children's Chicago, we can already see those goals taking shape as the hospital expands services, reaches more children and looks for new ways to bring specialized care closer to the families who need it.

Patient activity continues to be strong. Through the latest reporting period, Chicago had performed 955 surgeries, nearly 11% ahead of the same period last year. The hospital's average daily census remained among the highest of all Shriners Children's hospitals in the United States, while outpatient visits totaled more than 10,800. At the same time, operating expenses remained more than 10% under budget.

Looking ahead, Chicago is planning for continued growth. Among the initiatives are expanded orthopedic/spine and cerebral palsy/neuromuscular services, additional operating room capacity, and off-site orthopedic and rehabilitation clinics. These outreach locations would help bring Shriners Children's specialized care closer to children and families in the communities we serve.

The hospital's new MRI/CT suite represents another important step forward, adding advanced imaging capabilities on site and supporting the physicians and clinical teams providing specialized care.

Chicago's reach also extends beyond its own walls. Members of the clinical staff are sharing their expertise throughout the Shriners Children's system, including telehealth genetics support, orthopedic assistance and pediatric sports medicine. Research continues to be another important part of Chicago's work and its contribution to improving pediatric specialty care.

All of these efforts are pieces of a much larger picture. From treating more children and expanding access to investing in new capabilities and using resources wisely, Chicago is helping move the Shriners Children's vision forward — **Best Care. More Kids. More Value. Right Places.**

The Appleton Shrine Club Says

Thank You Noble Mike Moen

It is with sincere appreciation that we give former Beja **Assistant Rabban Mike Moen** a huge thank you for his 2 plus years on the Beja Divan.

As an elected member of the Beja Divan you would find Mike regularly volunteering his time and service at many of the Beja events.

But due to certain circumstances Mike's decision to step down was a very hard and difficult one at that.

It is with great respect that we openly say thank you to Mike Moen for his unlimited time, dedication, selflessness and commitment to the Shrine.

Mike will be greatly missed by all.

THE YOUTH CORNER

The Youth ADVENTURES

I would like to start off this article by saying thank you to the Shrine for all of the hard work everyone put into the Fall Ceremonial at Beja in initiating new members.

I'm sure by now people are starting to settle in and get adjusted to the weather as it changes seasons. As I've stated before, it is the same with the youth groups. There is always some change going on.

Green Bay Chapter Order Of DeMolay is looking forward to new officers and a new year that is starting to approach. They are always looking for new members if you know of a young man between the ages of nine or above please point them in our direction. Thank you. The Chapter would also like to thank Green Bay Fear for their help and their efforts in recruiting new members.

I once again would like to thank everyone who helped out the youth groups in anyway you can. Thank you.

Fraternally, Charles Clarage
Youth Committee Chairman

Did you know?
Being a Shriner is about more than wearing a fez.

It's about friendship and fellowship. It's about having fun together, serving our communities, and supporting the life-changing work of Shriners Children's.

For generations, Shriners have brought men together around a simple idea: enjoy the fellowship, help others, and make a difference.

At Beja Shriners, that means being part of something bigger than ourselves — while enjoying the friendships we make along the way.

That's what being a Shriner means.

Bri Goldner

2nd Annual Chili Cook-Off Fundraiser

Benefiting Renewal Transplant Services

December 19, 2026

Subject: Donation Request – 2nd Annual Chili Cook-Off Supporting Kidney Transplant Patients and Donors

Dear Community Supporter, My name is Bri Goldner, and I am reaching out to ask for your support for a cause that is very close to my heart. On December 19, 2026, I will be hosting my second annual Chili Cook-Off fundraiser to benefit Renewal Transplant Services, an organization dedicated to helping individuals in need of kidney transplants and supporting living kidney donors.

My passion for this cause comes from my family's personal experience with kidney disease and transplantation.

In 2019, my dad was diagnosed with focal segmental glomerulosclerosis (FSGS), a kidney disease that progressively damaged his kidneys. By 2023, his condition had advanced to stage 4 chronic kidney disease, and our family was faced with the reality that he would eventually need a kidney transplant.

On December 20, 2024, my dad received the gift of life through a living kidney donor. It is difficult to put into words what that day meant to our family. Watching someone you love go through kidney disease is an experience that changes your perspective on life. His transplant gave him a second chance, and I will forever be grateful to the person who made that possible.

Our first Chili Cook-Off was held on December 19, 2025, just one day before the first anniversary of my dad's transplant. What originally started as a surprise party to celebrate his one-year transplant anniversary turned into something much bigger. We were fortunate enough to have both my dad and his kidney donor there to celebrate together.

That first event brought our family and friends together for a night of good food, laughter, and gratitude. We raised approximately $900, which was an incredible starting point for something that began as a simple celebration. Seeing everyone come together inspired me to turn the event into an annual fundraiser so that we could continue giving back and helping other families going through similar experiences.

This year, I am excited to host our second annual Chili Cook-Off on December 19, 2026, at the Brookfield Masonic Center in Brookfield, Wisconsin.

The event will feature a chili competition, a trophy for the winning chili, and raffle baskets. We are putting together three themed raffle baskets: A Taste of Milwaukee, A Taste of Madison, and A Taste of Green Bay. All money raised through the event will be donated to Renewal Transplant Services.

Continued in next column

I am reaching out to local businesses, organizations, and community members to ask if they would consider supporting our fundraiser through a donation. We would greatly appreciate gift cards, merchandise, gift baskets, experiences, or other items that could be included in our raffle baskets or offered as individual raffle prizes. Monetary contributions would also be greatly appreciated. Any donation, big or small, would mean so much to our family and help make this year's event a success.

My hope is to continue growing this fundraiser each year, raise awareness about kidney disease and living kidney donation, and help other families experience the same hope that my family was given.

Thank you for taking the time to read my family's story and for considering supporting our fundraiser. Your generosity would help us turn a celebration of my dad's second chance at life into an opportunity to give back to others. If you have any questions or would like to contribute, please feel free to contact me. Thank you again for your time, consideration, and support.

Sincerely, Bri Goldner
