THE POTENTATE'S MESSAGE

Welcome to February. By the time you read this I have officially & publicly been installed as Beja's Potentate, for the 2022 year. I am truly humbled and honored to be elected to this honor.

My theme for the year is family. I would like to bring the Beja family together for every open meeting. That means not only the Nobles and their

Ladies, but bring the children and grandchildren. I feel it's important that we all get to know the families that support our philanthropy. By that, I mean when we are away raising money for our kids, our families at home waiting for us. I want to celebrate and get to know those who are important to us.

Secondly, I would like to see Beja out in the community more. It's strange that when I've spoke to different people, they DON'T know who we are or what we do. They believe the circus is the only thing that we do. When I explain to them what we do, they say they never knew. So being part of the community is important.

Lastly, once a month we normally the 2nd Wednesday, I'm going to have breakfast with the Potentate and Recorder. It won't be a heavy breakfast, but maybe rolls & coffee and we'll just talk and gather ideas from everyone. I would like to try and share ideas out that may never be otherwise be heard. Of course, there will be pros & cons to every idea, but if they're not discussed, then we will never learn about them.

Again thank you all for allowing me to represent Beja for the next year. I have set up an email so that if there is something that you need or want to know, you can email me directly at Bejapote2022@gmail.com.

BURN PREVENTION AWARENESS

The National Burn Awareness Week in 2022 is February 6th-12th. This is the week that many groups raise awareness about preventing burn injuries. As Shriners, one of our main focuses is preventing burn injuries to children. Shriners Hospitals are world leaders in burn care and research.

Thanks to all the hard work of the members of our group, we have developed a huge educational display that many of you have seen at various events such as our own Shrine Circus and area Fire Departments' Open Houses. We distribute many educational materials that are available from the Be Burn Aware website.

Many of the members of this group are past or present Firefighters. If you are interested in joining our group, please contact me.

Shriners Healthcare for Children *TWIN CITIES*

Greetings and Happy Holidays from Shriners Children's – Twin Cities. Wow, what a year... Here we are already in December and as the Clinic Administrator I am just completing 5 months on the job. So much is happening as we prepare for 2022 and see even greater opportunity to transform how we care for all children regardless of means to pay with the best care anywhere. And while this is very exciting we all still have a lot of work to do.

As Shrine members you can help beyond the incredible assistance you all provide today with the volunteering, event support and incredible fund raising. One of our biggest challenges we face today is that of legacy. This incredible legacy Shriners has had for the past 100 years is outstanding, but it also challenges us for the future. Over these past three weeks I have heard we are closed, we only see "free" kids and we do not accept insurance. Sadly, this has mainly come from providers in our markets and individuals in the community. Even more challenging, are the many who do not know us at all or only recognize the Shriners as a group of men who wear a fez, are in parades and some recognize the Shriners as a circus. We have work to do...

The opportunity we all have is to help spread the word. Shriners Children's is a premier pediatric orthopedic healthcare organization who sees all patients with pediatric orthopedic needs, regardless of means to pay, providing the best care anywhere. What does that mean? As each of you promote or refer patients to the clinic what you need them to know is that as an organization we can help. We accept all insurances, we treat all pediatric orthopedic needs regardless if it is a genetic condition or a traumatic event, and we have a network of clinics, hospitals and ambulatory surgery centers spread throughout the United States, Mexico and Canada.

Operationally we are enhancing a number of other opportunities. One of the biggest will be that of direct referrals for our ancillary support services. Initially, this will be with Therapy but should soon include Imaging and Prosthetics and Orthotics (POPs). We are also improving our Outreach model of care to ensure we are optimizing our resources by sending the appropriate skill level and enhancing the use of technologies to better care for children remotely. Additionally, in 2022 we look at expand our network with additional partnerships in our markets. While many of these discussions are preliminary, these relationships and models of care is what will help ensure Shriners Children's establishes a foundation for the next 100 years.

Happy Holidays from all of the very grateful staff at Shriners Children's – Twin Cities for everything YOU do!

David J. Voller, MBA, FACHE Clinic Administrator

There is good news today and some bad news. The good news is some of the Kops have had medical problems and they are on their way to recovery. Prayers are still needed. The bad news is there are too many of us that are partaking in GROUP meetings without taking the preliminary precautions. If you have not had your shots and the Booster I urge you to consider doing it NOW!!!! We have Kops exposed to the Virus. If you are not in good health this can be a dangerous situation. Please consider wearing your mask.

I have recieved our first parade application and will be filling it out today. Our plan is to do five or six parades this year. As I look at the Kops list, I will need each and every one of the Kops so I hope they will all play it safe.

All Shriners and families, Please support our New Potentate and his BRIDE TO BE and do it safely.

All persons entering Shriners Chicago must be fully vaccinated and must wear a face mask while in the facility. Additionally, hospital van drivers/assistants must be fully vaccinated to transport patients.

An additional bonus was being able to meet and network with our sister hospital counterparts

Dear Ladies of the Household, Nobles and Friends,
Again, our congratulations to Ill. Sir John Van Lanen and his Lady Lynn. We pledge them our support this year. I thank JPQ Linda Kohn for representing us at Beja's installation as I am in Florida during January and February spending time with my husband, Keith, before returning in March for my last meeting on Wednesday, March 16, 2022.

While we are dark in February, it is a great time to keep in touch by phone or e-mail. Have health problems or other concerns to share? Please call or e-mail me so that I can share with all our members. Also it is a great time to be working on the ritual for whatever station you will be moving into this year.

Are you planning on attending the 106th Supreme Session in Dallas from June 12-16, 2022? The more of us who attend – the more fun we will have!!

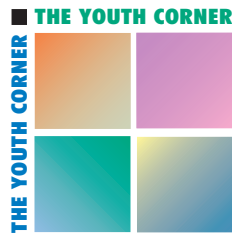

Keep warm – and watch your step on the ice!

SHRINERS HOSPITALS FOR CHILDREN®

There are 22 Shriners Hospitals for Children locations - All in North America! Beja specifically supports two of these hospitals - Chicago and Twin Cities.

Since the first Shriners Hospital opened in 1922, the healthcare system has improved the lives of more than 1.5 million children by providing world-class pediatric specialty care. Today, Shriners Hospitals for Children is a unique health care system with a reputation for finding answers and giving families hope. At our locations in the U.S., Canada, and Mexico children receive quality care for orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate, regardless of the families' ability to pay for services.

I hope everyone is finally enjoying this cool weather we are experiencing in at the moment. As I sit and write this article it is sometimes hard to make them relative because of the date that they are written before hand. Some of the timing may be slightly off.

Green Bay Chapter Order of DeMolay would like to first congratulate the new Potentate John VanLanen and wish him the best of luck in the coming year. If there's anything that the Chapter can do to help, please don't hesitate to ask them. They would also like to say thank you for the opportunity to help serve dinners at Beja. As with the changes in Officers at Beja Shrine. Green Bay Chapter Order of DeMolay has some changes going on also. In January they initiated new members and installed new Officers to serve the chapter. Congratulations to the new Master Counselor and his Officers. The chapter would also like to say a big "Thank You" to all the anonymous donations to the chapter.

Jobs Daughters would also like to welcome and congratulate the new Potentate of Beja Shrine John VanLanen. They also will be installing new Officers for the year. Congratulations are in order to the new Honor Queen and her Officers.

As always, thank you to all of you, for supporting the youth in all of their activities. I am sure you will all make an effort to either attend a meeting, support their fundraisers, or lend a helping hand when you can.

Fraternally, Charles Clarage

Did you know when you give money for a memorial or honorarium to the Auxiliary, the money is used directly for the wheelchair fund, it is not part of the hospitals budget. Patients outgrow their wheelchairs before insurance will provide a new or revised chair so it is great that the Auxiliary can provide upgrades and repairs as needed.

HI BEJA NOBLES, LADIES AND FRIENDS,

Gosh, it seems like a very long time since we have had a Beja Shrine Circus here in Green Bay. Guess what? It has been three years since we have been able to proceed due to Covid.

Based on conversations with George Carden people are anxious to get back to attending the Circus as attendance has been great at other circus events.

Mark your calendars for Saturday, April 30th and Sunday, May 1st with a total of five performances in the Resch Center. We of course need everyone's help during the circus but also lots must be done before the actual circus dates. We have begun to sell program ads which really is not hard, just ask the business where you spend your money or your employer.

Ann has put together envelopes with instructions and pricing. People are needed to prepare the Daddy Book tickets for mailing and everyone can assist by purchasing them when they arrive in your mailbox. Pricing will again be \$60.00 which includes four adult and four children tickets. Three options are available: 1. Use them for your family 2. Give them to a family you know 3. Send them back and we will give them to families who may not be able to otherwise attend the circus.

Let's all get excited and promote the Beja Shrine Circus. Congratulations to Beja's 2022 Potentate and his Lady Lynne. Illustrious Sir John Van Lanen will tell you the operational budget needs a very profitable circus in 2022. Thanking you in advance for all that you do for Beja Shrine.
