## BEJA'S FAMOUS CAKE & PIE AUCTION

Bring your favorite baked good  
to the meeting for auction!

Parrot-head Pie Auction set for after the meeting.  
Come dressed in your best Jimmy Buffett garb so we  
can kick summer off with some fun. We will be having  
brats and burgers at the meeting and the cost is \$10.  
For the auction, bring your favorite pie, cake or bars,  
and be prepared to bid on something delicious.

## THE POTENTATE'S MESSAGE

Greetings Nobles and Ladies,

Summer is finally here and with it plenty of opportunities for fun and fellowship.

First is we have our Parrot-head Pie Auction set for after the June 2nd meeting. Come dressed in your best Jimmy Buffett garb so we can kick summer off with some fun.

It's easy to dream of daiquiris, cheeseburgers and spending the day on the beach when listening to Buffett. So if you are worried you wouldn't know what to wear to a Jimmy Buffett concert, think like you are going to spend some time on the beach getting a whole bunch of nothing accomplished.

We will be having brats and burgers at the meeting and the cost is \$10. For the auction, bring your favorite pie, cake or bars, and be prepared to bid on something delicious. Lady Stephanie will have something special up for auction so come prepared to bid and help out our operations fund.

This year, I also ask you bring someone new to the meeting. As much as I like raising funds to help Beja, I like it even more when we have the opportunity to show people how much fun we can have. Let's showcase what sets the Shrine apart, the fun we have.

Secondly, a huge thank you to our High Priest and Prophet Tom Pflugardt for planning the first Cornhole Tournament Carnival at 2 p.m. on Sunday, June 13. This is a chance to bring the family and friends out for a day of fun at Beja. There will be a bag toss tournament with a \$25 buy in for each team. Winner takes all. I've had lots of fun this spring playing bag toss with some Nobles in preparation for the big tournament at Imperial in July.

What we are missing is a little friendly competition to crown a champion. There will also be some little games for all ages for chances to win a few prizes.

Because we like to grill in the summer, brats and burgers will be served, and the cash bar will be open.

Lastly, inside this issue you will find an invitation to the Potentate's Ball Oct. 9 in the Alley at Hotel Northland. This is a chance to wear a fun tux, play some table games, with the chance to win prizes, bowl a few frames, and eat some BBQ.

*Continued in next column*

The cost is \$55 per person, and we do have a block of rooms available at the hotel. But I encourage you to book now, as they are limited. More information is available on the invitation.

Thank you for everything you do to help support Beja, and let's make this summer one to remember.

*Fraternally, Ill. Sir Ben Rodgers

I remember when I was a child, I used to have contests with my friends to see who had the biggest muscles. What a sight that must have been. A bunch of kids sitting in a circle flexing their arms as best they could to show how strong they were. As a grown up (I use that term loosely), I still find myself having those same contests with children in my life. It's something so simple that brings so much joy.

As I have gotten older though, I have forgotten how many of the simple things made me happy. I started thinking about the weight that adult life adds to us and stopped focusing on just having a little fun. As Shriners, we tend to be able to have a little more fun than most but we still have those days that get us down. It could be an argument, forgetting to get gas, or even just waking up on the wrong side of the bed, but it happens regardless.

It's ok, nobody is going to think less of us for having a tough day. And in most cases it won't take long before we forget we even had a bad day, much less why it happened in the first place. If you think about it, I am sure that you can remember having a tough day at some point without remembering why. But we still made it through and here we are. In the grand scheme of things, I bet it didn't really even affect you much.

On those days it's important to do something childish and fun. Go back to something you did as a child, skip rocks, have a muscle size contest with a coworker, or get some ice cream. Because that little bit of childishness can bring out so much joy that those bad days will go away fast. Even if it doesn't and the day seems to last forever. Be proud of yourself for making it through. There is a new day tomorrow and another chance to do something fun.

*Yours in the faith,  
Rev. Will MacKay*

# News from Shriners Hospital Chicago

Shriners Hospitals for Children

The Board of Governors awarded Imperial Sir James 'Jim' Smith an Honorary Emeritus for his years as our hospital liaison. He is shown here with Matt Thomann, secretary of the Chicago board.

SHC-Chicago hosted the Joint Boards while they were in the Chicago area for their Spring meeting. The Joint Board was given a presentation and a tour of the facility.

The Midwest Market Initiative continues to move forward. This initiative is to bring the Shriners facilities in Chicago, St. Louis, and Twin Cities together to optimize services. Mark Venable of the St. Louis hospital has been appointed as the Midwest Human Resources Director. Business Development will be the next area realigned. There will be one Midwest business development director for all three sites. Once this position is in place a determination will be made on the number and specific candidates for liaisons for each of the areas.

The new telehealth program, ViTel Net, went live on April 15th and the first patient visit took place during the week of April 24th. SHC-Chicago is one of four test sites for the new system.

Outpatient clinic visits (including telehealth) are at pre-COVID levels and the time to the next available exam is within thirty days for most service lines. The community outreach is beginning to attend in-person functions.

Shriners Hospitals for Children is serving more kids in more places and providing the most amazing care anywhere. If you know of a child who could benefit from our services, ask the family to call SHC-Chicago at (773) 385-KIDS (5437), or call the national number, (800) 237-5055.

It is an honor and privilege to serve as your representatives to Shriners Hospitals for Children – Chicago.

Dear Members and Friends,

Hope this Bugler finds you all well and safe. Two of our dear friends have passed away, Jan Bilty and Leann Weist.

All meetings are CANCELLED until further notice due to current events. Please feel free to reach out to members to check on them.

Some greeting cards have been donated for sale. The proceeds will be donated to the wheelchair fund. The cards are handmade and will be selling for \$1 each.

At this time donations of small toys and games, as well as toys for teens are needed at the Twin Cities Clinic.

**Did you know when you give money for a memorial or honorarium to the Auxiliary, the money is used directly for the wheelchair fund, it is not part of hospitals budget. Patients outgrow their wheelchairs before insurance will provide a new or revised chair so it is great that the Auxiliary can provide upgrades and repairs as needed.**

## Beja Assistant Rabban

Well fellow Nobles it is June. Half of the year is almost over and progress has been made with the treatment of Covid-19. If you haven't been vaccinated yet, please get it done. I know there are views out there that they shouldn't get it done, but there have been a lot of positives too. I realize its by your own choice, but its for your

safety and the safety of others.

I'll get off my soapbox and get onto other things. Our Cinco De Mayo meeting was well attended. I don't know the exact number of people but I know this meeting was attended by the most people this year and that is encouraging. Our Illustrious Potentate Ben Rodgers has seen fit to put a bounty on my knees, because he has failed to beat my partner John Clark and me in Cornhole play. Well Illustrious sir, bring it on. I'll play from a wheelchair if I need to. There is no stopping the Johns.

The annual pie auction is upcoming for the June meeting and I'm looking forward to having the biggest crowd of Nobles and their ladies there to bid on the delicious bakery goods. I've been known to bid on a pie or two and have no problem bidding on my favorite pie, IF it is there. I don't think I need to tell you which pie it is, but you will definitely know when I start with a high bid.

Our HP&P has a couple of fun things going on and I hope that everyone will attend. The first is the 1st the Cornhole Tournament along with the 1st annual Beja Carnival. Bring your family, bring friends, June 13th at Beja 2pm start. There will be games to play for prizes and there will be food prepared by our own Vets & Pats. There will also be a cash bar. So bring your A game if you want to try and beat the A Team of Johns, knees or no knees. The 2nd fun tournament that our HP&P has lined up is a Pickle Ball tournament at Fort Howard Park in Ashwaubenon. The date has yet to be determined, but when it is, please come and support the players.

Fraternaly yours,

## What Success Means to Us

Success means a wide range of things for our patients: from gaining independence in day-to-day living to participating in sports and art. Shriners Hospitals for Children is dedicated to helping our patients achieve their goals and reach their highest potential.

For Mika, success means getting a new purple foot, taking her "second first steps" and being able to dance, play and hop.

For Jack, success is driving a power wheelchair on his own and learning to communicate using an eye-gaze device.

For Missy, success is making the junior varsity cheer team and being able to perform the moves from her wheelchair.

## Hope for Mateo

**Toddler from Dominican Republic receives  
care for rare hand condition**

The team of physicians at Shriners Hospitals for Children — St. Louis sees a variety of upper extremity differences. One of the rarest is a condition called “mirror hands,” which can present itself in a variety of ways but usually children are born with extra fingers and an extra ulna bone. This condition is so rare that there are only a few cases known worldwide. Two-year-old Mateo was born with mirror hands and had a duplication of the pinky side of his hand and forearm. His thumb side of his hand did not develop properly and he had seven fingers with no thumb.

Mateo's parents live in the Dominican Republic. They searched the internet for a doctor who could help their child. They found renowned upper extremity surgeon Charles Goldfarb, M.D., who has treated several other children with this same condition. With the help of the World Pediatric Project, an organization that helps international patients travel to the United States for treatment, Mateo and his parents came to St. Louis for evaluation and surgery.

Mateo's first surgery helped restore his elbow motion, as he does not have a normal elbow joint. Once he recovered from this surgery, he underwent surgery once again to remove his extra digits, create a thumb and bring his wrist into a straighter position. Having these surgeries “...will help him function better as he moves forward,” said Dr. Goldfarb. The ultimate goal was to create the most functional and normal appearing hand and arm possible.

Today, Mateo is fully recovered from his surgeries and is just like every other high-energy 2-year-old! He will have yearly check-up appointments with Dr. Goldfarb and his team each year, but is not expected to have any more major surgeries.

Nobles, we are nearly halfway through the year and have only achieved 10% of our goal to create eighteen new Nobles. To make matters worse, the Black Camel continues to visit Beja. Since the last Bugler Beja has lost three more Nobles bringing the total to nine. Keep the families of William Dishmaker, Thomas Rosenow, and PP Charles Awen in your thoughts and prayers. Our membership now stands at a minus seven for the year.

Membership does not fall on the shoulders of the few who have stepped up to be on the "membership committee". Membership is a full-time job for the entire Nobility. Have you proposed your 'Just One'?

You can refer a Master Mason for membership by visiting [WebFez.shrinenet.org/referral](http://WebFez.shrinenet.org/referral). You make the referral and your membership team will take it from there.

You can have your proposed member visit [beashrinernow.com](http://beashrinernow.com) where they can fill out an e-petition that will be directed to the recorder.

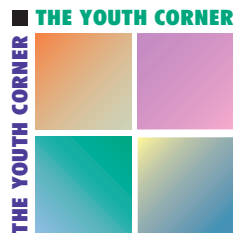

Direct any questions you may have on membership to Recorder Gene Reece or Membership Chairs Gary Fehl and Stuart Manny.

Candidates do not have to wait until the ceremonial to be made a Shriner. Beja can create a new Noble at any meeting. Do not delay, reach out to those possible new members today.

The Fall Ceremonial is October 9th. All candidates will be the Potentate's guest at the Potentate's Ball that evening. Our goal for creations is eighteen. We can achieve that if everyone pitches in!

I hope everyone is enjoying some of the warmer weather and the changes that it brings along. Hopefully we are finally starting to go back to normal. I look forward to that possibly letting us all enjoy summer.

Green Bay Chapter Order DeMolay has several events coming up. June will hopefully allow them to go to Oatmeal Lake for one of their weekends. They also have some other fun activities planned for the Chapter. They will also continue to meet normally over the summer. There may be a few changes, please feel free to reach out and contact them if you would like to attend a meeting.

Bethel 32 Job's Daughters will also have a few changes and new activities coming up. They are looking forward to Grand Sessions that is fast approaching where there will be new adult leadership changes. They will also continue to meet over the summer.

As always thank you again for all that you do by helping in supporting the youth.
