THE POTENTATE'S MESSAGE

As we enter the month of March, I am reminded of two things; Beware the Ides of March and St. Patrick's Day. Those are two quite contradicting ideas. One has to do with deceit, betrayal, and death, whereas one has to do with what has commonly been associated with luck, happiness, and good fortune.

I choose the latter. St. Patrick's Day is a holiday commemorating the arrival of Christianity to Ireland. It is a day when Christians can forego their Lenten restrictions on eating meat and consuming alcohol. According to some, this has propagated the holiday's tradition of alcohol misuse. But, regardless of personal beliefs, St. Patrick's Day has become that of leprechauns, four-leaf clovers, rainbows, magical pots of gold, and good luck. A true Hallmark holiday it is, but that is not necessarily bad. Who doesn't want good luck, pots of gold, and karma-changing weeds, with magical figures able to basically grant wishes? The world could be perfect if all that existed! Well, it does! This feeling...this belief resides in all of us as Santa Claus resides in a child's heart. We can have all of that, if not in the physical form than in the spiritual. Every day we have luck, we have good fortune and we have our own pot of gold. What is that you may ask...the pot of gold is our families, and our friends, our very existence is a true pot of gold. It is truly priceless! Each day we get up and forget how precious these things really are, but without them, we would not be the person we are today. The odds of being right here, right now, reading this article is astronomical; way higher than winning the lottery. You are lucky, you won, and you are right here right now. Try to treat each day as a win, as your pot of gold! When you truly believe, each day is a win. Then the next day becomes a bit better and the day after a bit better. If all of us can somehow comprehend how special this time here is; and we treat others knowing this, then our world will become that of a Hallmark holiday. Live hard, work hard, love hard and we can make the world that of leprechauns and four-leaf clovers, rainbows and magical pots of gold! Now go out there and give that feeling of luck to someone else.

With the arrival of February and Spring anticipated, we will celebrate our significant other on Valentine's Day which is February 14. We will see the gift or card that has the expressive words of love.

February has us thinking about the weather and love. For example, when it gets cold, we think a lot about keeping ourselves warm. There is nothing wrong about that, except when we hug only ourselves and not others. This isn't related just to weather. It also has to do with how selfish we get sometimes. That is when our love really cools. When we hear the saying, "It's a cold world out there," that is not so much talking about the weather as about how unloving some people are – like being uncaring, thoughtless, and or cruel. There is too much of that kind of coldness in our world. Have you ever felt like someone gave you the cold shoulder? That means someone did not want much to do with you. This hurt, especially when it is someone you care a lot about. Have you given someone else a cold shoulder? It is not a loving thing to do. The warmth of friendship is nice when we love one another with a love that really cares.

In Holy text, we often read of acts of compassion: on the part of God, acts of compassion on the part of people whose hearts have been warmed by God's love. Our world needs to be warmed that way.

As the Nobles and Ladies of the Mystic Shrine, we offer that kind of love to children who find the kind of medical care they need in our health care program. For them we truly are Love to the Rescue.

*Yours in the faith,
Elton J. Gofoe, Chaplain*

Announcing the 3rd Annual Fun & Fellowship Competition

Shriners International is extremely excited to announce a returning opportunity to help our nobility promote fun and fellowship through their ongoing commitment to making Shriners the #First2Fun!

Fun and fellowship events offered by temples, clubs and units serve as the cornerstone to a temple's member engagement strategy. In support of the mission to inspire nobles, the Fun & Fellowship Competition seeks to increase awareness and celebrate the efforts of nobles who succeeded in having fun and fellowship at their temples, clubs or units.

This year's competition celebrates events, activities or new interest groups (clubs/units) within two distinct categories:

1. Those enacted at your own temple, club or unit.
2. Those you have seen elsewhere, that you plan to bring to your temple, club or unit.

Beja Bugler Articles Please submit your articles to: **vickic93@centurytel.net** Articles are due on the **10th of each month**

The Bugler is produced monthly electronically and placed on Beja's website.

Currently, all persons entering Shriners Children's Chicago must be fully vaccinated and boosted and wear a face mask while in the facility. Additionally, hospital van drivers/assistants must be fully vaccinated and boosted to transport patients. Any changes in this policy will be communicated in our weekly newsletter, the *eBugler*.

Chicago's COVID risk level is currently listed as LOW; however, masking is still required in healthcare facilities.

It is important to know that our Shrine healthcare system is financially healthy due to the Business/Finance strategies and our strong Donor Development team. Regionalization continues to be a focus within the Shrine system to promote efficiency and contain costs. A Physicians Group has been established based on four pillars: 1) Finance, 2) Quality, 3) Research, and 4) Academic development. This group will help achieve our strategic goals.

Shriners Children's Chicago is busy preparing two business plans to support an infusion center and a mobile MRI/CT scanner. Plans are to open a fourth operating room in the spring.

The State of the Science Research Meeting to be held at Georgia Tech this month will emphasize on Artificial Intelligence and Big Data. The meeting is an opportunity to increase collaboration among physicians and scientists representing each orthopedic Shrine facility. It is anticipated that 13 Shrine facilities will be represented. Shriners Children's Chicago's own Kyle Deane, Ph.D. will be presenting on his grant entitled Validation of the Pediatric Appraisals of Disability Primary and Secondary for Spinal Cord Injury.

Shriners Children's Chicago was the only Shriners Hospital to win all four PressGaney awards. Only one other Shrine hospital won two awards. Congratulations in particular to the inpatient unit for achieving the Pinnacle of Excellence Award which is recognition for the highest level standards for 3 years in a row!

If you know of a child who could benefit from the services of Shriners Children's, ask the family to call Shriners Chicago at (773) 385-KIDS (5437) or call the national referral number (800) 237-5055.

I received a strange phone call the other day. I could hardly hear over the sound of a motor racing. Come to find out it was our jail calling me. I had it shut down so I could hear it. It seems that Dave lent the jail his cell phone to make an important phone call. The jail exclaimed who is that nice Lady who puts those jail articles in our Bugler. I said you must mean Vicki. I said she is the one who puts the Bugler together and does lots of other things for Beja. The jail replied I would like to meet her and give her a ride in the jail. I said I will try and make that happen. Dave took his phone back but you could hear the jail hollering THANK YOU VICKI! FOR ALL YOU DO FOR BEJA, THANK YOU, THANK YOU, THANK YOU !!!!!

The Youth ADVENTURES

Greetings,

I would like to start out by commenting about the weather as I've done traditionally, but with the changes going on lately, I'm not sure if that's good, bad or indifferent? I will say I hope everyone is enjoying it and is looking forward to summer.

Green Bay Chapter Order of DeMolay has had some changes lately. They have installed new officers and are planning out their new year. The Chapter has attended the State Event Sweethearts Weekend in Milwaukee. They have elected a new Sweetheart for the coming year.

Bethel 32 Jobs Daughters is also in a changing pattern. They are looking to initiate new members and to plan out new activities. If anyone has any suggestions for a young lady looking for a great organization, please let them know.

Thank you again to all of you who help support both youth groups in all you do. If that is just supporting them in a fundraiser or talking about them with your friends. Thank you.

Give a warm Beja welcome to Noble Urs Brechbuehler, who was made a Noble of the Mystic Shrine at the February meeting.

The Black Camel has visited Beja once again. Noble Bill Dreier, of Sequin, Texas, passed away on February 2, 2023. Our thoughts and prayers are with his family.

Cold Sands ceremonies can be done at every meeting. Those new Nobles created during Cold Sands will enjoy the full ceremonial at the Spring and Fall ceremonials.

Our membership total now stands at 328, or even. The membership goal for 2023 is to create at least seventeen (17) new Nobles while holding our suspensions to less than six. With your help, we can attain this goal!

Talk about Beja Shriners and the FUN Shriners have when you are together with your friends. They don't have to be Master Masons, after all, Blue Lodges need new members, too. Invite your friends to the temple events that Potentate Jake Sylvester has planned. Our open meetings are a perfect time to show non-Shriners that 'Shriners Having FUN Helping Kids' is not just a slogan, but a reality.

The Beja Spring Ceremonial is Saturday, April 15, 2023. The fee for a candidate joining during the Spring Ceremonial is \$149. That includes the initiation fee, 2023 dues, and the hospital and per capita assessments. A fez is not included but can be ordered, the cost is approximately \$230. A used fez may be available for purchase. Petitions can be downloaded from the link in the weekly eBugler or just call the office and Ann will send you one. Pick one up at Beja the next time you are there and keep it handy.

BeAFreemason.org and BeAShrinerNow.com are also good starting points for interested individuals.

If you have not yet paid your 2023 dues, or are in arrears for 2022, please remit the balance today. You are not a member in good standing if you are

delinquent and therefore cannot attend any Shrine function or meeting, including clubs and units.

Those who still owe for 2022 can expect to hear from the membership team and the Potentate. Retention is imperative to maintaining a growing temple.

If you are experiencing difficulties that prevent you from becoming current, contact any member of the Divan. There are procedures in place to help.

You may remit your dues in one of three ways, mail, phone, or online. If you call the office to pay over the phone a \$3 convenience fee will apply. You can pay online at WebFez - PayFez Payments. (shrinetempledues.org) Associate members can use this link as well. This service is authorized by Shriners International and immediately updates your Shrine record.

MOST AMAZING CARE!

Shriners Children's Chicago patient can now give Dr. Fishman two thumbs up

Four-year-old Emily was born with tiny flaps for thumbs, which didn't have the muscle they needed, making them smaller and sticking to her palms. After a misdiagnosis elsewhere, Emily's parents brought her to Shriners Children's Chicago where they met Dr. Felicity Fishman, M.D., an orthopedic surgeon who specializes in hands and upper extremities.

After trying splints and other therapy, Dr. Fishman performed surgery to shorten and spin Emily's index fingers into working thumbs. After three surgeries over nearly three years, Emily now has three fingers on each hand and a new thumb, with the digit functioning just like a typical thumb.

*We're here to provide the most **AMAZING CARE** anywhere for every child with orthopedic needs!*

A MESSAGE FROM BEJA'S CHIEF RABBAN

Greetings to our Nobles, Ladies, and friends of the Beja Shrine Temple.

Wow! What fun it was attending the 98th Annual East-West Shrine Bowl Game on February 2nd, 2023 in Las Vegas, Nevada held at Allegiant Stadium home of the NFL Las Vegas Raiders. The East-West Shrine Bowl Game is the longest running college all-star football game in the country. After last year's game 45 East-West Shrine Bowl players were drafted in the NFL. My volunteer duties included checking ID badges, opening locked doors, placing information signs outside the football facility and receiving money donations for the football game program. New friends and fond memories as I got talking with Dennis Weaver from Omar Shrine Mt. Pleasant SC and found out we were both High School football officials and got to reminisce about our officiating days. I tip my hat to Illustrious Sir Kenny Craven and Lady Jennifer "JJ" and the entire staff for the spectacular time hosting this event.

Reminder:

The Beja Shrine Circus is scheduled for a combined 5 performances with 3 shows on Saturday April 29th - 11am - 3pm - 7pm and 2 shows on Sunday April 30th _ 1pm and 5pm. Keep these dates marked in your calendar and plan to assist. Thank you! Any questions on the Circus please contact: Ann Mumm, Dennis Korth, Tom Pflugardt, Scott Maxon or Marshall Fay.

A big shout out to all Beja Nobles and Ladies who have volunteered to work or will be attending the 2nd Annual Sportsmen's Night at Beja on March 3, 2023.

Hospital Transportation Leader Roger Lindow and I drove down a patient to the Chicago Hospital on January 20th. All I can say is it's very rewarding knowing what we do as Shriners. If you would like any information on how to get involved helping out in the Transportation area please speak to Roger. A big Thank you to all past and current Beja Nobles and Ladies who volunteer their time to help out with our patients. With a Shriner smile Roger is a very humble and gracious person. Thank you Roger Lindow for all that you do with the Transportation area.

Fraternally yours,

Tom Pflugardt, Chief Rabban Beja Shrine

Sweet and Ready to Eat.....

SWEET VIDALIA ONIONS

A new year has come upon us again and it is time to start thinking about onion sales. The onions are planted and if they keep on growing like they are, they should be ready this spring. Remember, this is an agricultural product, so the availability of the onions is all dependent on Mother Nature. Onions sell for \$12 per bag for a 10# bag. They are delicious and if taken care of properly will last for months.

Pre-selling onions is easy to do, you can put up a flier at a local business, your church, or local watering hole, they sell themselves. By pre-selling you help us as well in making sure we cover your orders. Simply print this page or order form flyers are available at the Beja Office. Please contact Ann at 920-498-1985 to get yours today.

We ask that all pre-sold fliers/orders be turned in by April 8th so we can make sure we cover all our pre-sold orders. Onions not purchased through pre-sold orders will be sold on a first come first serve basis so pre-orders confirm your onion availability. If you have never sold any before and need help, let me know and I can help you out. Remember, when you buy a bag for yourself take 4 more to sell to your friends and neighbors. There are five 10# bags in every sleeve. You don't have to take a sleeve, but what a way to help. Remember, \$2 of every bag sold goes directly to the club or unit of your choice. If you have any questions, feel free to contact Beja (920) 498-1985.

*Thanks again,
Jim Slezak PP, Onion Chair*

Dear Members and Friends,
Hope this Bugler finds you all well and safe.

We meet the first Friday of the month, at Bay Family Restaurant 1301 S. Military Ave., Green Bay, at 11:30. We are dark January, February and March. Are first meeting of the 2023 will be April 7, 2023. Come join us.

New members are always welcome. The annual dues are only \$20 a year. Please come and join us in support of the Twin Cities Clinic.

Did you know when you give money for a memorial or honorarium to the Auxiliary, the money is used directly for the wheelchair fund, it is not part of hospitals budget. Patients outgrow their wheelchairs before insurance will provide a new or revised chair so it is great that the Auxiliary can provide upgrades and repairs as needed. Any questions about donations please feel free to contact Ann at 920-788-5604.

Sincerely, Ann Mumm, Secretary
