## THE POTENTATE'S MESSAGE

Welcome May flowers, young Nobles & Ladies. It was a packed end of March & early April, starting with two volunteer dates at the Resch Center for Eric Church concerts. I want to thank the people who volunteered to work those concerts. We worked under unusual circumstances. We had a full crew but unfortunately there

were a couple of stands that needed additional help, so we had to give up two of our people both nights. That was the bad news, the good news was we took in over \$4,000.

We had a community event, Breakfast with the Easter Bunny. We had perfect weather for the day. Easter Bunny arrived early along with a plethora of workers. We welcomed over 250 parents, grandparents and children to enjoy good food. The children enjoyed having their picture taken with Easter Bunny. I was interviewed by channel 11 and the big fuzzy rabbit photo bombed the interview. I want to thank ALL the volunteers who helped with the breakfast.

In May we have an open meeting with a Kentucky Derby theme. Ladies bring out the big hats and gentlemen bring out the bow ties and let's do some horsing around. I'm going to ask our Chief Aide to try and whip up some mint juleps. June is our annual pie & cake auction, to make it a little more fun, it will be a Luau theme. So bring out the grass skirts, Hawaiian shirts, OH!! and don't forget to bring a few bucks to bid on the best pies and cakes around. Hint hint, anyone know how to make a Banana Cream Pie. I don't want to give away any secrets, but I've heard from a good source that the Potentate is a sucker for Banana Cream Pie.

Potentates Ball is June 25th at Backstage at the Meyer Theater 117 S. Washington St., Green Bay, WI. The cost is \$40/person. Gangsters and Flappers is the theme of the ball. It's not mandatory, just a suggestion, but please no jeans. There will be a cocktail hour starting at 5:30pm and dinner at 6:30pm, DJ to follow. To make reservations, please contact Ann at Beja (920) 498-1985.

Imperial Session is July 2-7th in Minneapolis, MN and I would encourage people to attend. It is an experience you won't soon forget. With that being said, I have secured a block of 20 rooms at Hampton Inn & Suites in Oakdale, MN. Use the following link to secure a room for \$99/night. <https://group.hamptoninn.com/zjnnwr>

# Beja Shrine Ladies

Hello Beja Nobles & Ladies,  
We are a quarter of the way through the year, time seems to go so quickly! We've already had a lot of activities. Our first two open meetings were very well attended, which was great! We had Winter MSA Meetings here in Green Bay and plans are all set for Summer MSA here in Green Bay too! This will be wonderful exposure for

other Shrine Clubs and family members to see our hometown and for our home town to see Beja Shriners and Shriners from all over the Midwest active in the community for all the events, especially the parades! Hopefully it will draw some interest to become Shriners or at least be more aware of all that we do!

Sportsman's Night was a HUGE SUCCESS thanks to so many who worked on putting it together and volunteering for the event!!! Such a wonderful fundraiser! We've also raised a nice chunk of money by volunteering for four events at the Resch Center and there are more opportunities coming up throughout the year, if we can keep getting volunteers.

With not being able to have our largest fundraiser the last two years; it's very exciting to be able to have The Beja Shrine Circus this year.

Our May meeting is a Kentucky Derby Theme and our June meeting is going to have a Hawaiian Luau Theme. Both should be fun, especially if people get into the theme the way so many have been! The added bonus for the June meeting we are having our Annual Pie & Cake Auction! As always, we will need people to bring their yummy homemade pies, cakes, or other desserts to be auctioned off. This is such a fun way to raise money, especially when a couple of people are going back and forth trying to outbid each other! This is also a great opportunity to ask a couple of personal friends or family members to come and see what Shriners are all about. Please make sure you RSVP for the dinner for them, or invite them to come afterwards. This way there's some new money available and not just us doing the bidding.

Our Potentate's Roaring 20's Gangsters & Flappers Ball will be held on June 25th at Backstage at the Meyer Theater. We encourage you to dress for the theme, but of course it's not required! We have three plated meal options, so you will need to RSVP with each person's meal choice by noon on Monday, June 13th. Please be sure to

state each person's choice (don't say one chicken and one fish) because I need to make name cards for each person and put a sticker on to indicate your meal selection, so the servers know what to bring to each person. For this event you CANNOT reply late! We need to get the count to the venue so they can order the food and they have a set reply date that is NOT flexible. So PLEASE plan ahead so you don't miss the event!!!! Mark your calendars for the reply date and the event date! All the details are on the flyer included in this issue of The Beja Bugler.

As always, I am so grateful to be a part of the Beja Shrine Family and am so grateful for all the love and support that's been given to John and to me!

Sincerely yours,

*Lady Lynne Rasmussen*

Sending out a big thank you to Jim Herman (Jimbo) for using his time and talents to make pads, wedges and traction belts for Twin Cities Rehab Department, and to the Beja Shriners for financially supporting this project. This equipment is used for our exercise therapy based treatment for scoliosis, SSE, based on the Schroth method.

**Beja Bugler Articles**

Please submit your articles to:

[vickic93@centurytel.net](mailto:vickic93@centurytel.net)

Articles are due on the  
10th of each month

The Bugler is produced monthly electronically and placed on Beja's website.

Dear Members and Friends,

Hope this Bugler finds you all well and safe.

**We meet the first Friday of the month, at Bay Family Restaurant 1301 S. Military Ave., Green Bay, at 11:30am.**

New members are always welcome. The annual dues are only \$20 a year. Please come and join us in support of the Twin Cities Clinic.

Did you know when you give money for a memorial or honorarium to the Auxiliary, the money is used directly for the wheelchair fund, it is not part of hospitals budget. Patients outgrow their wheelchairs before insurance will provide a new or revised chair so it is great that the Auxiliary can provide upgrades and repairs as needed.

"Perspective is everything". What a great catch phrase isn't it? While I was on the phone with a brother the other night this was an extended topic of conversation. We talked at length about the idea of letting go of what we see as the truth and trying to understand someone else's perspective. I used the common phrase "Blood is thicker than water" as an example. It's something most of us have used at some point or another, but few realize that it's actually "The blood of the covenant is thicker than the water of the womb." So while we generally use it as a way to say family means everything, it really means the commitments we make to each other are far more important.

It was meant to show that the way we see things from the inside out and the way things actually are, can be very different things. Mostly because we hold our beliefs closely and they are important to us. They satisfy a need for us to be what we believe is "Just and Upright" as we move through life. They become part of who we are and define how we believe the world sees us. But perspective is everything right?

When we introduce ourselves in a new Lodge, are we proud of our accomplishments, or touting our station? When we help another person, are we working toward their happiness, or are we trying to feel better about ourselves?

We all think highly of ourselves, as we should. We are Shriners. The ones who put children's care above all. What more noble purpose could there be in this world. But we all make mistakes and at times don't pay attention to the effect we are truly having on others. Sometimes that means we can make the mistake of seeing ourselves as better than, or above others. Finding ourselves upset when things don't go our way, or when others don't live up to our expectations.

It's up to each of us to be the person we want the world to see. If we live it long enough no mistake is too grave, or too insignificant. We all eventually see that we are lucky enough to have something the world has spent millenia trying to find. "A true family!"

*Yours in the faith,*  
Rev. Will MacKay

## Celebrating Our Anniversaries

Here are some ideas for celebrating the 150th anniversary of Shriners International and the 100th anniversary of Shriners Children's at your temple or in your community:

- Post on social media throughout the year, but particularly on our founding dates:
  - ☐ September 26 – Shriners International
  - ☐ September 16 – Shriners Children's
- [Check out our toolkit for anniversary resources.](#)  
(Click on the anniversary toolkit on the menu bar.)
- Celebrate with us in Minneapolis at Imperial Session this summer.
- Spread the word! Let the members of your community know about the fraternal and healthcare system milestones.
- Read about the history of our organizations. Order a copy of [Shriners: A History of Fellowship and Philanthropy here.](#)
- [Download the Unstoppable Anniversaries presentation](#) from the recent Membership and Marketing Conference.

Nobles and Ladies, so many of you were a tremendous aide to making the upcoming Circus a great success by purchasing your Noble tickets and we thank you for giving Beja the first real income to what we all hope will be our most successful Circus. Assuming your check arrived before April 7th (cut off for printing) look for your name in the Circus program. Should you desire reserved seating you may exchange your Noble tickets at face value and pay the extra dollars, however, the exchange must be done at the Resch ticket office before Saturday. Please refer to the seating chart you received with the Noble tickets and bring it with you especially if you are ushering.

Are you planning your schedules around April 30th and May 1st? I sure hope so!! You can be available to assist at the Beja Shrine Circus? All of us will need to learn a new system because of the move to the Resch Center. If you plan to attend both days, great. If you can only make one day or certain performances, please call Beja and let us know your planned schedule. Much set up work must be completed on Friday to be ready on Saturday morning. Tell us also, if you are available for duty on Friday, April 29th.

A training session and walk thru has been scheduled for Wednesday April 20th at 9:00 am. Members from the Resch will lead this training opportunity and will be very beneficial for many of our volunteers who can attend. As I view the seating chart, we will need 46 ushers per performance to properly cover all aisles. Obviously, there are many other tasks which must be completed. All hands are needed to successfully complete them.

There are many other tasks needing completion before the arrival of the George Carden International Circus on Friday the 29th so if you have extra time, call us and we will find a job for you. Thank you for being a part of Beja's largest fundraising activity.

Nobles--please remember that dues were to be paid by January 1st of the new calendar year. If you have not yet renewed your membership, contact our office at 920.498.1985, or renew through the Shriners International website [www.shrinersinternational.org](http://www.shrinersinternational.org). A Cold Sands ceremony was held before the April Stated Meeting and five new Nobles were created. Welcome, Nobles Joe Austin, Jason Giese, Robert Kendall, William Mommaerts, and Ryker Schneider. Now, be sure to get involved with our clubs and units to gain the most from your membership.

These five new Nobles give Beja a plus one for the year, however, we know that that is not enough to have a plus at the end of the year. To date, we have lost three Nobles to the Black Camel and anticipate losing another twelve (the average loss to the Black Camel is sixteen). Do the math, we need to create more than twelve more new Nobles during the year. Will you find that Just One? Propose your brother Master Mason for a membership in the Shrine! The fee for a candidate joining in the second quarter is \$142. The fee includes the initiation fee, 2022 dues, and the hospital and per capita assessments. A fez is not included but you can order one (approximately \$200), or a used fez may be available for purchase.

A petition for membership can be downloaded from the link in the weekly eBugler or just call the office and Ann will send you one. Pick a petition up at Beja the next time you are there and keep it handy.

Remember, points toward the Samsar Award are earned for first- and second-line signors.

Interested individuals should be directed to [BeAFreemason.org](http://BeAFreemason.org) and [BeAShrinerNow.com](http://BeAShrinerNow.com) for information and online petitions to become a Mason and/or Shriner.

## MEET THE HIKING SHRINER

Brian Stanley, also known as the Hiking Shriner, of Jericho Shriners in Kingston, Tennessee is hiking the Appalachian Trail: 2,190 miles, from Georgia to Maine. (Our own Noble Lyle Buettner has also hiked the Appalachian Trail).

In addition to his goal of raising \$5,000 for Shriners Children's Greenville, he hopes to be an inspiration to kids, especially children with disabilities.

"I want kids to look at me and say, 'Wow, this guy has a disability and he's out climbing mountains and walking 2,190 miles for us.'"

## NOTICE TO ALL BEJA MEMBERS

The membership team wants to hold a meeting open to all members and Ladies to discuss membership.

The Topic: how can we better engage our membership and recruit new members?

## FROM THE TREASURER'S TABLE

As we gear up for the 2022 parade season, I just wanted to take a moment to thank all those Nobles and Ladies who take the time to call in their dinner reservations well in advance of the monthly meetings, it does vary by caterer; so check the invite/event flier to make sure you reply or cancel on time. When I review our monthly meal costs, it truly makes a difference in achieving our goal of providing a quality meal at the lowest possible cost. With the ongoing supply chain issues, our caterers are telling us it is imperative that they get an accurate count at least 10 days in advance so the right amount of food can be prepared for the most reasonable price. In the past, we could always add or subtract one day before the meal. Not now. Once we give them the number, we are 100% committed to those costs. Not enough meals and someone goes hungry. Too many meals and our treasury takes a hit. As you can see, its a real balancing act for Lady Lynne and Ann Mumm who so far have been walking the tight rope extremely well. It will sure make their lives easier if they can get an accurate count 10 days in advance.

Thank you for all you do for Beja and have a fantastic parading season!

Dear Ladies of the Household, Nobles and Friends,

Happy May!

April was a busy month! Thank you to all who helped to make Installation on April 20th a success! I hope that in the future we will be able to resume having Open Installation, but I am so touched and grateful for the assistance and support I have received putting together this unusual Installation! I thank you with my whole heart!

Our May session will be on the 11th, lunch first at 1951 and then back to Beja for our scheduled session at 1:00pm. This is our final scheduled session before our Official Visit on June 27th, 2022. The practice session on June 15th is cancelled as it falls the week of Supreme Temple Annual Session, therefore the Official Visit will be a main topic of discussion. Just a reminder, following our Official Visit, dinner will be at Stadium View with social hour beginning at 5:30 pm. Invitations will be sent out the first week of May, rsvp's to Princess Recorder Ruthann Christensen.

Thank you again to all who have given Ajeb their support. I appreciate you!

Hello everyone, I hope all of you are starting to enjoy the warmer weather. Beja had a wonderful breakfast with the Easter Bunny. They had an excellent turn out.

Green Bay Chapter Order of DeMolay would like to thank everyone who has participated in their pastie fund raiser. If you have not had a chance, please contact a member or look at their Facebook page for more information about their fund raiser. They wanted to announce the chapters birthday, celebrating 100 years. The chapter also enjoyed attending Breakfast with the Easter Bunny. There will be other events going forward.

Bethel 32 Job's Daughters has also started to meet at the new building. Please keep looking for some of their new events and some of their fundraisers.

As always, thank you to everyone for supporting the youth in every activity or fundraiser they try to accomplish.

# News from Shriners Hospital Chicago

Shriners Hospitals for Children

All persons entering Shriners Children's Chicago must be fully vaccinated and wear a face mask while in the facility. The Illinois mask mandate for healthcare facilities remains in effect. Additionally, hospital van drivers/assistants must be fully vaccinated to transport patients. Any changes in this policy will be communicated in our weekly newsletter, the eBugler.

Shriners Hospitals for Children, also known as Shriners Children's, is pleased and proud to celebrate its 100th anniversary of improving the lives of children through its unique pediatric health care system. Shriners Children's Chicago was opened on March 26th, 1926, and is celebrating its 96th anniversary this year.

Shriners Children's was founded in 1922 through the vision and generosity of members of the Shriners International fraternity, who saw a need for orthopedic care for children during the polio epidemic. The first Shriners Hospital was opened in Shreveport, Louisiana, and was devoted to providing high-quality orthopedic care.

Today, Shriners Children's has locations across the United States and in Canada and Mexico. In addition, because the health care system is committed to reaching as many children as possible, wherever they may live, our outreach clinics allow our medical team to help even more children worldwide. Since its founding, the health care system has cared for more than 1.5 million children, regardless of the families' ability to pay or insurance status.

Shriners Children's is a leader in providing care for orthopedic conditions, burn injuries, spinal cord injuries, and other spine disorders and craniofacial conditions. Some locations also have sports medicine programs and other specialized clinics. We strive to provide a full range of services and support to help our patients reach their goals and discover their full potential. In addition, our health care system conducts research to improve our patients' quality of life and offers outstanding educational programs for medical professionals. All care and services are provided regardless of the families' ability to pay or insurance status.

If you know of a child who could benefit from our services, ask the family to call Shriners Chicago at (773) 385-KIDS (5437), or call the national referral number, (800) 237-5055.

The Northwoods Shrine Club represents Nobles and Ladies of ten different Shrine temples with members residing in four of Wisconsin's northern counties. When our members gather, our fez's display the names of different temples. They are all red and we wear them proudly.

The Northwoods Shrine Club meets the 3rd Thursday of each month at various restaurant locations. We proudly welcome all Shriners and Ladies, Masons, and friends of our philanthropies to join us for our meetings. Camels milk at 5:30 pm and dinner at 6:30 pm.
