CHAPLAIN'S CORNER

Life is a gift from God. To be part of this world – even with all of its troubles – is something we strive for. Our medical bills testify to our desire.

With the wildfires in the west, the rains and floods in much of the central and eastern states, many will be offering thanksgiving for still being alive.

Families will gather together and rejoicing in the presence of each other. There probably will be many conversations on how to restore and rebuild so that in the future we can express thanks for what have received just like we did in the past.

We might want to give thanks for the resilience of our spirits that enables us to rise to meet the challenges before us and find a positive way forward.

As the Nobles and Ladies of the Shrine we are familiar with persons struggling to find a positive way forward to a life that has sense of purpose, accomplishment and fulfillment. These are the children who become patients in our hospital program.

We can be thankful that because of our outstanding medical care and the love received from our care givers many of the children know great accomplishments.

As the Nobles and Ladies of the Shrine I would suggest that among the things for which we are offering thanksgiving we include a remarkable sense of compassion and the feeling of satisfaction that comes when we turn it loose.

We are truly Love to the Rescue when compassion is our inspiration and guide.

*Yours in the faith,
Rev. Myron E. Christensen*

Four Chicago Shriners Hospital physicians named Top Docs in orthopaedics by Chicago Magazine. Congratulations Dr. Altiok, Dr.Smith, Dr. Gupta, and Dr. Bednar.

Chicago Magazine releases an annual list of physicians compiled by Castle Connolly Medical, a health care research and information company, who are endorsed by their peers as the best in the six-county metro area. For the first time, the magazine is highlighting the area's

most-recommended physicians in orthopaedic surgery, physical rehabilitation and sports medicine.

While all of the orthopaedic, spine, and physical medicine and rehabilitation physicians at Shriners Hospitals for Children — Chicago are excellent doctors, four were specifically recognized on this year's list of the Top Doctors in orthopaedics:

- Haluk Altiok, M.D., pediatric orthopaedic surgeon
- Peter Smith, M.D., pediatric orthopaedic surgeon
- Purnendu Gupta, M.D., spine surgeon
- Michael S. Bednar, M.D., orthopaedic hand surgeon

We start off this beautiful fall day with bright sunshine and 70 degree temperature. It is nice to have a rainless day. This sunshine brings to you some good news, we have two new Krazy Kops. We welcome Bill Hesser and Joshua Young who have taken the oath to uphold the Krazy Kop tradition. Our last parade was an experiment with loading the jail with our supporters. They looked stunning sitting in jai in their convict suits, begging to be released on good behavior. But being aware of the closeness of the wives and kids to our diligent Kop crew we could not release them.

The Krazy Kops annual meeting will be on October 25th at the River Rail in Shiocton starting about 7 P.M. All Nobles and significant others are welcome to join us. It will follow the Inter City dinner and meeting at 6 P.M.

Beja needs your help in making our 2018 Sportsman's Raffle an overwhelming success!!!

Over the last couple of years, Beja has seen a decrease in the success of our annual Beja Sportsman's Raffle. In discussing this raffle, many interested Nobles believed that a Club sponsorship would improve the outcome of this important fund raiser for Beja. With this idea in mind, the Sportsman's Club will be assisting our raffle chairman in promoting the annual sportsman's raffle.

Tickets are on sale now!

We need to sell 500 to hold the raffle with a maximum number sold of 1500. The cost of the ticket is \$20 which gives you a chance to win one of the 20 prizes.

Your ticket will also be your entry ticket into the 1st Annual Sportsman's Night Party Saturday November 10th

We will be hosting the annual raffle drawing night, to include a cash bar, appetizers, bucket raffles, Sportsman's night raffle (separate gun for those in attendance to purchase tickets for) all done to encourage more participation and develop a party atmosphere encouraging raffle ticket purchasers to attend the drawing night.

We are looking for donations for our raffle prizes.

If you have an item that you think a fellow sportsman or Lady would like, or know of a business willing to donate a raffle prize, please contact our Recorder Gene Reece. With your help, we can make our raffle and Sportsman's night a remarkable success.

*Fraternally yours,

INTER-CITY SHRINE CLUB

President - Eugene "Gene" Reece

I would like to thank everyone who helped parked cars for the Haunted House on Friday October 12th. This was a great time with little effort helping one of our Beja units. Our October meeting was held at the River Rail in Shiocton. Everyone had a wonderful time of fellowship and fun. Decisions were made on our 2018 Parade to Glory, which will be reported in our December article. However, I want to thank each member of the Intercity Shrine Club for all their work to make this another wonderful year. Another example of the "The Little Club that Could"

Our November meeting will be held on November 29th at Hotel Fremont in Fremont. We order off the menu, so you can choose what delicious meal you would like. Camels milk will begin at 5:00pm with dinner at 6:00pm. The business for this meeting will be to elect our officers for the 2019 year. Please come out and have a great time, good meal, fantastic fellowship and a lot of fun. Don't forget to follow us on Facebook at Intercity Shrine Club of Beja Shriners.

Fraternally yours,

Beja has not had a net gain in membership since 1987. We have a chance to change that in 2018. If we create seven or more new Nobles in the December ceremonial, we will have a positive gain in membership for the first time in over 30 years.

But where will we be five years from now? Of our current membership, 27 Nobles are 90 years old or older, and 122 are 75 years old or older. On the other end, only 83 Nobles are under 50 years of age and 123 are under 60. If we are to survive we must recruit, retain, and restore.

Projections show that if we continue the current trend, Beja will be close to being under 300 members by the year 2025 and in danger of losing our charter. Let's not let that happen.

Our membership goal is simple, recruit 5% of our membership, or 20 new Nobles each year. Limit our suspensions to 2% of our membership, or no more than 8 Nobles suspended for non-payment of dues. And, finally, restore 2% (8) of our Nobles who left the fraternity for one reason or another. If we can do that each year we will have a positive year every year despite the Black Camel. Our average loss to the Black Camel is about 4% of our membership each year.

Let's grow our membership. Every Beja Noble is a member of the Membership Committee. Together, We Can! Let's get busy!

Shriners Hospitals for Children Chicago Marathon Running Team Races for Kids

With one of the most famous marathons in the world held right here in the Midwest – the Chicago Marathon – it makes sense for Shriners Hospitals for Children to have a presence with the more than 45,000 runners and 1.7 million spectators at the event.

For the past several years the SHC marathon running team has raised more than \$150,000 for the Chicago Shriners Hospital. This year, 27 runners signed up for the SHC team from around the country, including a group of nurses from the Boston Shriners Hospital who wanted to support our health care system by participating. Nurses Amanda Barnes and Lauren Brady ran in honor of patients they have worked with.

Mark Foster, a member of the Zenobia Shriners in Perrysburg, Ohio, was also quick to join the team. This was Foster's second marathon and his first time running in support of Shriners Hospitals for Children. "Every day the kids at Shriners Hospitals face numerous challenges. I thought running the Chicago Marathon to honor their courage and determination would be a great way to honor them as well as all those that make the Shriners Hospital network work," Foster said.

Runners sported "fez red" shirts for Shriners Hospitals and enjoyed meeting each other on race day. The Chicago Shriners Hospital thanks our team members for their support and commitment to helping our patients and families.

The Youth ADVENTURES

As we fall into the Autumn season and back into routine from Summer we once again look forward to some of the wonderful traditions that follow.

The Green Bay Chapter Order of DeMolay would like to thank everyone who attended and helped out with their friends in fright night in October. It appears that they had great success in the Open House. Perhaps they will glean some new members. If you know of a young man between the ages of 12 and 21 looking to join a premier youth group, please point them in the direction of DeMolay.

Bethel 32 Job's Daughters has also been busy. They will be hosting the official visit from Grand Bethel in November. As always they ask if you would like to attend a meeting to please consult a member or check the website for the Masonic Center. The location may change due to the remodeling at the Masonic Center.

As always thank you for helping support the youth. By attending their meetings, helping with fundraisers, or any of the other things you can help with. Thank you.

'Foreigner' records special version 80s hit song

Across the country, Shriners Hospitals for Children focus on caring for kids like Alec Cabacungan, who has been a patient since he was two months old.

"I was born with osteogenesis imperfecta, also known as brittle bones disease," the 16-year-old explained. "I have broken over 60 bones in my lifetime. Shriners has helped me physically with surgeries, with rehab; they helped me so much in my life."

Alec traveled from Chicago to Tampa this week to join about 25 other Shriners patients for a unique opportunity, mixing medical care with music.

Since 2008, the non-profit hospital network has partnered with the legendary rock band Foreigner, selling the group's CDs as a fundraiser.

"Fast forward, 10 years later, and Foreigner has raised \$300,000 for Shriners Hospitals for Children through this program," said Tammy Robbins, senior regional director of marketing and communications for Shriners Hospitals for Children.

Now, the classic rock band is using its worldwide number-one hit to make a more meaningful impact at Shriners Hospitals. The group is donating a version of their chart-topping song, 'I Want to Know What Love Is.' They recorded a special version of the power ballad and are in town shooting the music video at the Tampa hospital.

Foreigner founding member Mick Jones wrote the song in the 80s. He says the lyrics definitely apply to the resilience and happiness the medical network brings to its patients.

"Over time, it kinda went into a more universal feeling, and a lot of people took it as that, and that's fine with me," Jones said. "It's a song of hope and a song of joy and happiness and inspiration."

Pediatric patients will be featured in the music video, some will even be singing along with a children's choir on the special version of the song. "Being involved in this is all really good, but getting to share it with the kids is really the best part for me," Foreigner lead vocalist Kelly Hansen said.

The shoot wraps up, and the special version of 'I Want to Know What Love Is' will be available for download on January 1. All of the sales proceeds will be donated to Shriners Hospitals for Children.

Shriners Hospitals for Children® —Twin Cities and Gillette Children's Specialty Healthcare Expand 95 Year History of Collaboration

Shriners Hospitals for Children — Twin Cities and Gillette Children's Specialty Healthcare are pleased to announce an increased collaboration in the treatment of children with orthopaedic and neuromuscular conditions. The two organizations, which will remain independent, have worked together since the 1920's to provide quality healthcare to this specialty patient population and are now expanding this collaboration into surgery services and inpatient care.

Beginning in November, Shriners Hospitals for Children — Twin Cities surgeons will perform the majority of their surgeries and inpatient stays at Gillette. Shriners Hospitals for Children — Twin Cities patients will continue to receive outpatient services including physician visits, child life, radiology exams, rehabilitation (occupational and physical therapy), orthotics, and prosthetics at Shriners Hospitals for Children — Twin Cities located on East River Parkway in Minneapolis.

"We are excited and energized by this opportunity to work more closely together. Each organization has unique capabilities that when joined in collaboration allow us to reach and serve more children across the region. Our missions are very much aligned," said Charles Lobeck, Administrator.

Shriners Hospitals for Children — Twin Cities and Gillette Children's Specialty Healthcare share a common commitment to offering a multi-disciplinary approach to care and specializing in the treatment of the most rare and complex orthopaedic conditions. It is because of these shared commitments to providing patients with the highest quality level of care that we are pleased to announce this expanded collaboration.

If every Shriner sold at least one ad we would have a very successful Circus Program! Reach out to those who you do business with, friends or family members.

I AM R U Recognition Program

A series of rewards and recognition was developed to generate excitement and exposure for the I AM R U noble referral program.

During the last Imperial year, Noble Leonard Proden, PGM top lined signed 71 individuals. As a reward for top line signing the highest number of individuals, he was recognized at Imperial Session. Noble Proden received a check for \$1000 and several other rewards.

The referral program is now gaining momentum and there are plenty of opportunities to earn rewards. These will be distributed this year based on new creations. There are some pretty exciting things planned:

- Each month, until Imperial Session 2019, the noble who top lines the most petitions for new Shriners created will receive \$100, and recognition in *Shriner Magazine: Pride and Tradition*. His temple will also receive a Rush Night Survival Kit.
- Additionally, the same magazine recognition with a \$500 reward will go to the noble with the most top lined new creations each quarter. This will also be accompanied by a ticket package for Shrine-sponsored events such as the East-West Shrine Game®, a special tassel holder, an Imperial Potentate's Medallion and a Silent Messenger statue with a custom-engraved plate.
- And, at the end of the Imperial Year (July 2019), the noble top lining the most new creations will receive \$1,000, accompanied by magazine recognition, a Shriners International/Masonic apron, a ticket package and an Imperial Potentate's Medallion – all of which will be presented at Imperial Session 2019.
- Also to be presented at Imperial Session, the temple showing the highest creation and restoration percentage will receive \$1,000 and special recognition in the magazine.

As you can see, Shriners International is committed to investing in membership development. It's up to each individual temple to support the program, encourage their nobility to refer their friends and follow-up accordingly.

Always remember that it is our job as Shriners to recruit more Shriners, make more Masons and refer more patients to our hospitals.

Together we can!
