CHAPLAIN'S CORNER

This is a month when we mark the end of summer and a month when we receive many encouraging and inviting words that seek to get us involved in many and varied activities. This is certainly true for those of us who live and participate in activities and groups under the Masonic umbrella.

In the Letter to the Hebrews (in the New Testament) I find and offer to you another word of encouragement and invitation that at first gave me negative feelings. The writer writes "Let us consider how to provoke one another to love and good deeds" (10:24).

The word "provoke" had a negative meaning for me. I did not understand it as a word of encouragement and invitation. To find out what the writer had in mind I turned to a dictionary and found that "provoke" had four meanings: 1) to excite to some action or feeling, 2) to anger, to irritate, or annoy, 3) to stir up (action or feeling), 4) to call forth, evoke (to provoke a smile).

Now I ask you "What do you think prompted this writer to use the word "provoke" as he sought to encourage this new small Christian congregation to love and good deeds.

As Shriners we belong to a Masonic organization that has as its purpose to develop good (loving) relationships through fun activities and to give love and good deeds through a hospital program that offers hope and opportunity for a better life to children with special orthopedic and burn medical needs.

Now I ask you to consider how we, as the Nobles and Ladies of Beja Shrine, can provoke one another to the love and good deeds that will strengthen our Beja Shrine and strengthen the support we give the Shriners Hospital for Children. How can we provoke one another so that together we are Love to the Rescue?

*Yours in the faith,
Rev. Myron E. Christensen*

THE POTENTATE'S MESSAGE

**Es Selamu
Aleikum**

Greetings and Salutations,
Nobles and Ladies!

Beja, has only been back from summer break for one month and we've already been busy! Our September meeting was closed, however, we were graced with over 60 Nobles whom were treated to an excellent steak fry cooked by Nobles Bob Vanderleest and P.P.

Jerry Capelle. With the sides prepared by P.P. Gene Reece and Oriental Guide John Van Lanen. Thanks for everything guys! Excellent job!!!

The Daughters of the Nile held their 16th annual Fashion Fantasy Luncheon and Style Show. What an incredible turnout, I have never been so lucky, as to be surrounded by so many beautiful Ladies, not to mention our beautiful Beja models! We had over 10 Nobles attend and help with the serving! Thank you Nobles for your help!

The Potentates trip was a great time! Fun was had by all with a delicious breakfast and dinner! I hope you all enjoyed becoming members of the "Bitters Club".

The Beja Bicycle Bash and Models, Monsters and Motors Car Show is set for the end of September! The Bicycle show is always a fun show and it's getting bigger every year. There will be over 100 cars, some will have to be parked on the grass as we ran out of parking spaces. Guests will be entertained by the music of The Dirty Martinis band. The Vets and Patriots will be hard at work with their food stand feeding the hungry car-show/ bike show attendees. Great job and thanks everyone!

The October meeting (October 3rd) will be an open meeting. Our very own Chief Rabban Mike Belanger has a great meeting and dinner planned and he will present his year to the Nobility. You don't want to miss this. I've seen a preview and it looks like it is going to be a fun year!!! The dinner will consist of Baked Cod, parsley baby red potatoes, California blend veggies, rolls and dessert. The price is \$15.00

Remember as October begins so does Green Bay Fear, Beja's very own haunted house. They are open starting September 28th and 29th and every Thursday, Friday and

Saturday in October. If your Club or Unit is looking for an opportunity to volunteer to park cars and receive a donation in the process contact P.P. Nick Brosig @920-366-3046 to schedule a time.

Also in October Lynyrd Skynyrd is coming with special guest The Marshall Tucker Band to Green Bay on October 19th. Beja has been presented with an opportunity to volunteer to sell CD's before the show with a portion of the proceeds going to the Chicago Hospital. Beja needs 40 volunteers in addition to helping our cause each volunteer will receive a seat for the concert. Nobles and their Ladies are encouraged to attend. All that is required is your fez to wear while selling CD's. To sign up contact Ann @ Beja 920-498-1985.

As always Nobles and Ladies keep up with the outstanding work you've been doing to make our Temple great! You are all the true backbone of the Temple!

*Fraternally,
Ill. Sir Clint Compton, Beja Potentate*

The Appleton Shrine Club continues to meet the 2nd and 4th Fridays at Mark's Eastside starting at 11:30am. Ladies are invited either Friday but generally come on the 4th Friday. All Shrine Nobles in the Appleton area are invited to attend.

The parade season is over for the Krazy Kops. We had a great season doing six parades. It is so rewarding to see the enthusiasm in the kids and adults when we arrest them. This year we had to cut back on the loading and unloading the jail due to Kop Power. We do have a couple of Shriners who are interested in the Krazy Kops. Should something materialize I will introduce them in a future article.

We are always thankful for our Shriner support of the Krazy Kops. Age is taking a toll on the availability of old kops and other Beja unit members. If you have not been active in a unit this summer, you don't know what you missed, please get involved, we desperately need you. I am always available to discuss the Krazy Kops.

**Beja needs your help in making
our 2018 Sportsman's Raffle
an overwhelming success!!!**

Over the last couple of years, Beja has seen a decrease in the success of our annual Beja Sportsman's Raffle. In discussing this raffle, many interested Nobles believed that a Club sponsorship would improve the outcome of this important fund raiser for Beja. With this idea in mind, the Sportsman's Club will be assisting our raffle chairman in promoting the annual sportsman's raffle.

Tickets are on sale now!

We need to sell 500 to hold the raffle with a maximum number sold of 1500. The cost of the ticket is \$20 which gives you a chance to win one of the 20 prizes.

**Your ticket will also be your entry ticket into the
1st Annual Sportsman's Night Party
Saturday November 10th**

We will be hosting the annual raffle drawing night, to include a cash bar, appetizers, bucket raffles, Sportsman's night raffle (separate gun for those in attendance to purchase tickets for) all done to encourage more participation and develop a party atmosphere encouraging raffle ticket purchasers to attend the drawing night.

**We are looking for donations
for our raffle prizes.**

If you have an item that you think a fellow sportsman or Lady would like, or know of a business willing to donate a raffle prize, please contact our Recorder Gene Reece. With your help, we can make our raffle and Sportsman's night a remarkable success.

We had a great fall meeting at the VanderZandens. The food was wonderful and the fellowship was great. Thanks go out to Roy and Brenda for hosting this great event for our Club. All proceeds from the day went into our account and will be part of our 2018 Parade to Glory donation.

In October, we will be parking cars for the Haunted House on Friday, October 12th. We need about 6-8 people to help. This is a great time with little effort helping one of our Beja units. We will need to be there at 6:00pm staying until the haunt closes at 11:00pm. Please contact Gene if you can help. Typically, we spend most of the time visiting together. As we are parking early in the month, hopefully the weather will not be too cold.

Our October meeting will be held at the River Rail in Shiocton on Thursday, October 25th. We order off the menu, so you can choose what delicious meal you would like. Camels milk will begin at 5:00pm with dinner at 6:00pm. The business for this meeting will be to discuss our 2018 Parade to Glory donation. Please come out and have a great time, good meal, fantastic fellowship and a lot of fun. Don't forget to follow us on Facebook at Intercity Shrine Club of Beja Shriners.

Imperial Sir Jim Cain, Imperial Potentate, has designated a particular membership goal for every Temple for the period between Imperial Sessions. Beja's goal for 2019 is 14 new Nobles. Our 'stretch' goal in 18 new Nobles.

As the goal was set through recent membership performance, we can meet these numbers; we already have! And, the fact that goals may be achieved through creations OR RESTORATIONS will add an even greater opportunity for success!

Membership engagement will again be recognized and rewarded throughout the year, as the top-line signer with the most petitions for new creations every month and every quarter will receive special incentives. And, at the end of the program, the top-line-signer will be recognized at Imperial Session 2019.

At our September meeting, the Nobility once again approved the I AM R U Resolution. This resolution is Beja Temple's signed commitment to make membership a strategic priority.

We are into our third month of the Imperial year so do not delay in referring a Master Mason for membership. There is a link to download a Beja petition for membership in every eBugler or contact the office. The Divan will perform a short form ceremony every month if there is a Noble to be created. Let's get started!

Shriners Hospitals for Children

Twin Cities

Nobles and Ladies,

Over the last year, I have communicated with you as we look at the changes needed at your Twin Cities Hospital. As I previously shared, our in-patient numbers have fallen significantly below the required standards for being a hospital. Additionally, our outpatient surgeries are not of a significant volume to make it cost effective to continue doing these in our hospital. Since January, our Leadership in Tampa and the Board of Governors at Twin Cities have been working with a consultant to identify opportunities to better position ourselves at the Twin Cities Hospital for the future. At the Imperial session in July, the results of this work were presented to all the Nobility. Additionally, the voting members authorized the Joint Boards in Tampa and your Local board to take steps to move forward with the recommendations and the potential move to a new site. Our efforts are continuing, but I wanted to provide some of the changes proposed to date.

- The Board of Governors has recommended that Shriners Hospitals for Children-Twin Cities (TWI) transition to a clinic/rehab model.

- In this model, all surgery service and overnight care would be provided at another local area children's hospital.

- SHC surgeons would continue to perform these surgeries at this outside location.

- All current and future patients would continue to receive their routine outpatient care from their physician at TWI.

- This transition to a clinic/rehab model will be the first in the Shrine system.

- As a clinic/rehab model, TWI will continue to offer the same range of outpatient services (rehabilitation, prosthetics/orthotics, radiology, etc) as has been provided in the past.

- The timing of this transition is not finalized but surgery services are expected to end at the TWI site by year-end.

- TWI is actively engaged in discussions with a larger, Twin Cities area children's hospital to serve as the host site for most surgeries.

- TWI will also collaborate with SHC hospitals in Chicago and St. Louis to support patients in the region.

- The service transition to a clinic/rehab model will occur initially while still occupying the current hospital building. At a later date in 2019, these clinic/rehab services will be relocated to a new location in the Twin Cities area.

- The location and timing of this transition has not been finalized.

- Concurrently, TWI is engaged in the development of a broader outreach network where SHC services may be offered more frequently in various locations across the upper Midwest.

- The intent of this effort is to bring services closer to home for patients reducing the need for travel.

- TWI recently added new telehealth technology that will support this expanded outreach effort.

- This transition plan is aimed to position TWI for the next generation and beyond.

- Emphasizing outpatient service

- Extending direct patient service to more locations

- Creating more points of access for patients

- Reducing the overall cost of operation while increasing the number of kids served

- The role of the Shrine fraternity in this transition remains unchanged

- Identification of kids needing service continues to be paramount

- Connection and engagement with the new Clinic/rehab site is needed to support growth of the fraternity and continued donor development.

- TWI needs local advocates across the upper Midwest.

As we continue down this path of change, I will share that your local board is committed to continuing the services we provide of wrap around care and the world renowned "Shrine Experience" for our kids. As additional decisions are made, I will report these to you as they come forward. I again thank you for the opportunity to serve as a member of the Board of Governors of the Twin Cities Hospital.

Eugene "Gene" Reece, Jr., P.P.*
